

# Compass Parent Portal: Consent Form

Please return to the office by ASAP

**Please note: only parents/guardians recorded on the school's central administration system and who already receive school documentation (such as reports) will be provided with access to Compass. One parent user account and password is provided per household. Where parents live at different addresses, each parent is provided with a separate user account and password.**

I am the parent/guardian of the following students enrolled at Camperdown College:

Students:

- |    |             |
|----|-------------|
| 1. | Year level: |
| 2. | Year level: |
| 3. | Year level: |
| 4. | Year level: |
| 5. | Year level: |

I have read the accompanying letter and Online Service Assessment provided by Camperdown College and **I give consent** for a user account to be created for my use as a parent/guardian.

I understand that Camperdown College will issue me with a username and temporary password and **I agree** that I will not share my username and password details with any other person, including my son/daughter attending Camperdown College. (Students will be provided with a separate user account and password as required.)

**I agree** to using Compass only for the purposes outlined in the letter and Online Service Assessment.
