

Junior Campus celebrates past student Bailey McDonald's cycling success!

Junior Campus students were all geared up for a special visitor on Monday morning when past student and professional cyclist, 19-year-old Bailey McDonald addressed the whole campus.

Speaking of his success on the weekend during his second attempt at the Melbourne to Warrnambool Cycling Classic where he placed third, Bailey explained the details of the 7 plus hour journey from Avalon to Melbourne, how he eats and drinks during the race and how he began in the sport. The students were excited for the visit and learnt so much about Bailey's achievement to place on the podium from 160 riders.

We were privileged to have Bailey back in the very room he once learned in during his time here at the Junior Campus before going onto the Senior Campus where he earned the title of 2021 Dux.

Students listened attentively as Bailey covered the mechanics of his state-of-the-art bike and were very impressed with his third-place medallion and the special jersey acknowledging him as the best placed young rider.

There were some standout moments of the visit including reuniting the superstar with his 2021 Prep Buddy Imogen Donlan (pictured right). Imogen was thrilled Bailey remembered her and was very proud to hold the medals during the visit.

We really can't thank Bailey enough for taking time out of his busy and no doubt exhausting schedule to visit and inspire our students. We would also like to extend our congratulations to past student Riley Helmore who also rode in the event. We can't help but wonder if we'll see a few more students on their bikes riding to school in the coming weeks!?

MELBOURNE TO WARRNAMBOOL CYCLING FESTIVAL

FROM THE PRINCIPAL'S DESK...

Welcome back to the start of another exciting school year.

In particular, I'd like to welcome our Preps, new students and their families and our teaching and support staff commencing this year and joining our vibrant and highly regarded College community.

I hope everyone has had the opportunity to rest and recharge and are looking forward to the year with real optimism with lots of exciting programs and development planned.

We have welcomed thirty-six students in Prep and thirty-two students in Year 7 who have all made a confident transition to their new environment. It has been pleasing to see the older students at both campuses assisting students in the playground and navigating classrooms. Along with students at other year levels, we have welcomed eight new teachers. Rohan Adams, Darcie Seers, Grace Croker and Sage Bolton have all commenced at the Junior Campus in various year levels. Sonni Guthrie, Tanisha Dooley and Adele McGuane are teaching Maths/Science, English and PE/Health respectively and have been joined by returning teachers Julie McPhee and Peter Rock who are assisting in a part-time capacity. In addition, Sara Magnusson has returned two days a week from family leave to take History and PE. Intervention is being conducted across the campuses by Nicole Date, Julie Nelson, Judy Downie and Sheryl Currie. Finally, Trish Gibson commenced work in the Senior Campus Office this week learning the role of the Business Manager prior to Mardi taking leave.

Cherie Kilpatrick was appointed to the substantive Senior Educational Improvement Leader position for the South West Region over the holidays. She will return to farewell the students at our Leadership Induction Ceremony later this term. Cherie will be sadly missed but leaves wonderful legacies brought about through her visionary leadership journey which over ten years improved all aspects of our school culture and attainment. School Council is in the process of recruiting a new Principal with the final outcome to be announced mid-March.

One key focus this year is actioning our 2023 Annual Implementation Plan which was developed after our school review last year. The plan aims to further enhance student voice and agency and continue to the work to progress the Berry Street Educational Model. Along side this we will be working at ensuring learning growth is maximised for each student.

For Year 11 and 12 students, 2023 sees the introduction of the inaugural two-year VCE Vocational Major Certificate – part of a once-in-a-generation change to senior secondary education that will provide a more cohesive link between school, study and work, and give students better access to high-quality relevant vocational education and applied learning opportunities. This certificate has replaced the VCAL certificate and runs alongside the general VCE program.

Congratulations to Sarah Brooks and Senior Campus HAPL students who were filmed last year by the University of NSW to showcase their learning for the Department's High Ability Toolkit (a resource for teachers). The following link provides a snapshot of one of the stories: <https://vimeo.com/777589506/19cbc2af39>

This newsletter contains an invitation for interested parents, students and staff to nominate for School Council. Positions are for two years, commencing in March, and meetings take place monthly on the third Wednesday evening of the month. This is a terrific opportunity to contribute to our school's continuous improvement journey through strategic planning, facility development, policy and review. Timelines are contained within the School Council nomination information and the relevant forms can be obtained via either office or the school website. Please don't hesitate to make contact with me if you would like to discuss this opportunity further.

Thank you all for your contributions to a smooth start to the 2023 school year and I look forward to working with you all again this term to achieve the best possible outcomes for our students and school.

Ms Vicki Angus
Acting Principal

Our Mission:

Camperdown College will provide exemplary teaching and learning programs within excellent facilities which foster school pride, aspiration and persistence to achieve high levels of learning for all students.

SENIOR CAMPUS NEWS

I'd like to welcome students and families back to Camperdown College for 2023. I trust that you all had a relaxing and well-deserved break. A special and warm welcome is extended to our new students and of course our Year 7's as they begin their secondary schooling. We have also had new students join us in Year 9, 10 and 11 and we hope they are enjoying settling into their learning programs. We trust that all students will fully embrace all that 2023 has to offer and strive to achieve their personal best.

New Staff:

Our return to school commenced with an assembly to welcome new and returning staff. Teachers new to the College are: Ms Sonni Guthrie who is teaching Maths and Science, Ms Tanisha Dooley teaching English and Ms Adele McGuane teaching Health and PE. We welcome back Ms Sara Magnusson who is returning from family leave and Mrs Julie McPhee who has taken up Food Technology. Mr Peter Rock has also returned to us,

stepping in to teach our Year 12 Business Management students.

Year Level Coordinators:

Our Year Level Coordinators met with students in their care last week and outlined expectations with regards to uniform, use of technology and attitude to school work which is consistent with the information that appears in each students' organiser. For this year, our coordinators are:

- Year 7 – Mrs Leanne Coates
- Year 8 – Mr Warren Attrill
- Year 9 – Mr Brett Ambrose
- Year 10 – Ms Gabrielle Eckhardt
- Year 11/12 VCE – Ms Amanda Black
- Year 11/12 VM – Mrs Sue Maskell

These teachers are responsible for overseeing any issues that may occur with students. They will be the point of contact for students who require a uniform or exit passes. Please ensure that all of your child's user agreements have been signed off in their organiser.

Collecting students from school throughout the day:

If you need to pick your child up from school throughout the school day, could you please ensure that a note has been placed in their organiser. The student will then need to show this note to their coordinator who will sign it off and give them an exit pass. It will be the responsibility of the student to move to the administration area for collection at the time stated on their pass as the public address system cannot be used during class time.

Buses:

Gabrielle Bellman has been in charge of buses for the past couple of years, but unfortunately Gabrielle is leaving us to take up a position at the Warrnambool City Library. We wish Gabrielle all the best for her new position. In the meantime, please direct any bussing enquiries to myself until we appoint another person to the role. Just a reminder that students who do not normally travel on buses are required to bring a note to school seeking permission to travel on a bus if the need occurs.

Camps:

Our Year 8 students have just spent three days in Torquay enjoying the sunshine and surf as part of their camping program. In week 5, we will farewell our Year 7 students to Camp Sunnystones in Bacchas Marsh – it certainly is a busy term!

Swimming Carnival:

On Monday, we enjoyed a day of competition and fun at our annual House Swimming Carnival. Congratulations to all students who participated and to Bullen Merri who took home the shield.

School Photos:

Last Friday we had our school photos taken and I would like to remind families to place your orders for these within the next week if you haven't done so already.

Lions Youth of the Year:

Ruby Walsh and Selvia Suson will be representing Camperdown College at the Lions Youth of the Year public speaking competition on Tuesday night and I would like to wish them all the best!

I am looking forward to what will be a busy term!

Mrs Suzanne Maskell, Acting Senior Campus Assistant Principal

JUNIOR CAMPUS NEWS

Welcome:

A very big welcome to students and families for the 2023 school year. It has been a very positive, happy and calm start to the school year with much excitement and enjoyment visible within classrooms and in the yard as students have rekindled friendships, established new friends and thrived being back in school routine. A very special welcome to our 36 new Prep students who joined our Camperdown College community last Thursday. It was lovely sharing in their joy of finally being at school, with Prep teachers Mrs Kim Robertson and Miss Sage Bolton. There certainly was an entourage of excited students guiding the Preps as they embarked on their first school playtime with other students in Year 1 – 6 on Friday last week! We also extend a warm welcome to our new students Aurelia Smith Year 3/4H, Stirling Collins Year 5/6O and returning student Mikayla Foster Year 5/6A. Welcome also to new staff Sage Bolton Prep B, Grace Coker Year 1/2C,

Caring ~ Excellence – Honesty – Respect - Responsibility

Darcie Seers Year 3/4S and Rohan Adams who has moved into a teaching position with us this year in Year 5/6A. We are sure you will enjoy your time at Camperdown College.

Assembly:

Last Friday, our Junior Campus School Captains, Isla Spokes and Oliver Horspole, conducted our first weekly assembly for 2023. They both displayed confidence and pride in their first official role as school captains. We are very excited to be having these two passionate and capable leaders representing our Junior Campus throughout the year. Our weekly assembly will be at **2.30pm each Friday** with all parents and friends invited to join us in the BER each week.

Induction Ceremony – Junior Campus:

Our Prep – Year 12 Induction Ceremony will be held at the end of the term on **Monday 3rd April** at the AG Daws Hall at the Senior Campus. Our Prep students will be officially introduced to our school community with their Year 12 and Year 6 buddies, along with our Year 6 school leaders. This is a very special occasion and one that we are looking forward to sharing with our school community. We will be saying an official goodbye and good luck to our Principal Cherie Kilpatrick who has secured a permanent position with our regional team. This appointment confirms Cherie's exceptional skillset that positively influenced our school for 10 years, and whilst we will miss Cherie immensely, she will continue to strengthen school practice and educational outcomes for many staff and students throughout our region. We hope you are able to share in this occasion with us.

Year 3 – 6 Swimming Program:

Swimming for students in Year 3 – 6 will commence next week starting on Tuesday 14th February and culminating with our Year 3 – 6 Swimming Carnival on Friday 24th February. Lessons will occur at the Camperdown Swimming Pool from 12pm – 3pm with students being offered seven lessons, plus a Carnival. Payment for the swimming program is payable on Compass with payment prior to the swimming program commencing preferable.

Parent Teacher Interviews:

This year, we will be conducting Parent Teacher Interviews each term to allow a strong relationship to be forged between home and school. This term, our interviews will be a shorter 5 minute duration with a focus on meeting your child's classroom teacher and sharing any important information that will make the 2023 school year a successful one. Interviews in Term 2, 3 and 4, will be focussed on student learning and progression. Scheduled for Wednesday 22nd February between 4pm – 6pm, parents will be able to meet and confer with their child's teacher while enjoying a barbeque hosted by our Parents & Friends Association. This will be a wonderful opportunity for our families to spend the afternoon in the school grounds, take a tour of the buildings with their child/ren, enjoy a sausage on Gilligan's Island, meet other parents of our school as well as meet our teachers. Parents can come for the whole afternoon or just for their interview time.

Bus Travellers:

If your child is a regular bus traveller, they are expected to be on the bus on the night specified unless we have been notified. Pink sheets were sent home last week with bus travellers allowing parents to update us on the nights their child will be travelling on the bus. Please write a note in your child's organiser or phone the Junior Campus Office if there is a change to these scheduled times. It is important that we have updated information regarding days of travel. Thanks to those many families who have already returned their slip.

Uniform Reminders:

A friendly reminder to families that it is important for students to be wearing the correct school uniform to school each day. Plain white or grey socks are to be worn daily as part of our uniform requirements with no brand or logos visible. Please no black socks. Plain black shoes are a must with no white or coloured markings please. We are educating our students on what is acceptable school uniform and what isn't as we begin the new school year and have been so impressed with the effort both students and families are going to in wearing correct school uniform. A big thanks from us all. A reminder that students can wear any coloured runners on their sports day (Tuesday for all students Prep – Year 6) when wearing their sports uniform. Hair longer than shoulder length is strongly encouraged to be tied up at school.

Alumni Visit: Bailey McDonald:

We were a very proud and interested bunch on Monday when third placed Melbourne to Warrnambool cyclist made a visit to the Junior Campus after his epic achievement over the weekend. Students were very interested to hear all about this famous race and how Bailey worked hard to finish on the podium on Saturday. Congratulations to our past student Bailey on this phenomenal achievement.

Breakfast Program:

We will be continuing with our breakfast program at the Junior Campus this year, with Friday the nominated day for students to enjoy breakfast before school. Today our breakfast program was in full operation with students invited to attend from 8.20am in the BER every Friday.

Arrival at School:

It is great seeing students arriving at school ready and eager to learn before the 8.45am bell. Please ensure that your child isn't arriving too early to school. The yard is supervised from 8.35am and students are strongly encouraged not to arrive prior to 8.35am with no play permitted before this start time. Thank you for your assistance.

School Photos:

School photos were a huge success last week. We are looking forward to our photos arriving soon and updated photos being added to student dashboards on Compass.

School Sport Victoria – Congratulations Opie-Jackson and Quinn!

A beautiful photo from our Colour Run last year has made the front cover of the School Sport Victoria program that is sent out and used by all affiliated schools this year. Congratulations to our media stars Opie-Jackson Beasley and Quinn Clark!

Caring ~ Excellence – Honesty – Respect - Responsibility

I am very much looking forward to an enjoyable and learning-filled 2023 school year. Please do not hesitate to contact me at any time should the need arise.

Jacinta Tolland

Junior Campus Assistant Principal

FAREWELL GABRIELLE

Today we farewell Gabrielle Bellman who is leaving us after four years of managing our library and buses.

Gabrielle has worked hard in that time to ensure the library runs smoothly and has provided engaging lunchtime activities. She has built a catalogue of books based on knowing the students' interests and has been a champion of the enjoyment of reading. Gabrielle has built a strong rapport with students, many of whom have been regular users at lunchtime and recess. Gabrielle will be sadly missed and we wish her all the best as she moves to her new job at the newly constructed Warrnambool library.

Vicki Angus, Acting Principal

Have you registered for Compass

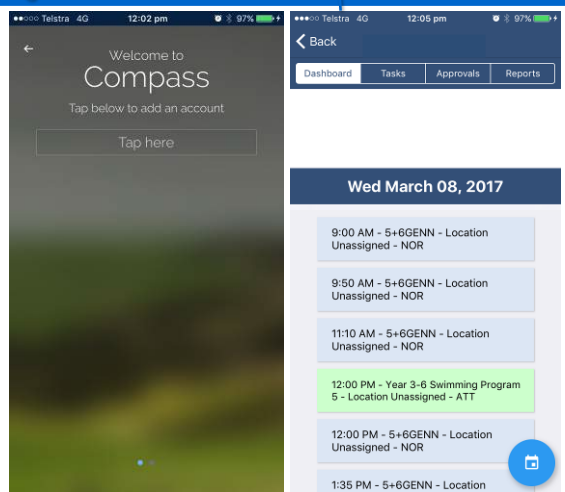

COMPASS
School Manager

To download the Compass app:

- In the App Store for Apple users or Play Store for android users, search *Compass School Manager*.
- Once you see the screen on the right, add an account by typing *Camperdown College*.
- Follow the prompts to log in. Note that if you have not registered for your user name and password, you'll need to contact the Junior or Senior Campus Office.

It is very user friendly, but if you have any queries, feel free to contact the College.

PARENT TEACHER INTERVIEWS

Junior Campus Meet & Greet:

Wednesday 22nd February from 4pm – 6pm on Gilligan's Island

Bookings will open on Compass on Monday afternoon, 13th February.

Book a time to chat with your child's classroom teacher outside whilst enjoying a barbeque tea, hosted by our Parents & Friends Association.

it's OUR TURN

It has been a real pleasure to welcome our 36 Prep students to the Junior Campus and see them settle confidently into their new classrooms and routines. By day three, they had mastered the 'line up' expectations showing they are very quick to learn. The yard has been abuzz with their excitement as they have explored the playground and met new friends. At the Senior Campus, our Year 7 students have settled in well and have been getting to know each other through special homegroup activities each morning. They are looking forward to their camp to Sunnystones in week 5. It was wonderful to see so many Year 7 students participating enthusiastically and confidently in the swimming sports on just their fourth day at secondary school.

Vicki Angus
Acting Principal

The Prep students have had a wonderful start to their learning journey at Camperdown College.

They are adjusting beautifully to our school routines, making new friends and meeting their teachers. They have started their Phonics journey, and this week they have already learnt five new sounds. Along with our classroom learning, the Preps have had a session of each specialist classes and they have thoroughly enjoyed their time in these different spaces.

Kim Robertson & Sage Bolton,
Prep Teachers

Our Year 7 students have had an exceptionally busy start to life at the Senior Campus. As well as learning where classes are, making new friends and adjusting to new teachers, they have also smiled brightly for school photos and participated enthusiastically in our House Swimming Carnival. With so many students already putting their best foot forward we are sure that they will go on to achieve amazing things this year.

Leanne Coates, Year 7 Coordinator

Swimming Sports

The Bullen Merri Red Sea reigns supreme at the Swimming Carnival!

In what started as an overcast gloomy day earlier in the week ended in a bright red sea of celebration as Bullen Merri upheld the coveted shield. The day's activities included single events, relays and novelty activities and the day was full of fun.

We had a great level of participation from students including eager new Year 7 students on just their fourth day at secondary school. Highlights of the day always include the novelty races and events including biggest bomb, a cork scramble and the staff vs students relay... which I'm sure involved more interference and obstacles than ever this year in the teacher's lane!

There were of course the formal events for the serious swimmers amongst our students and we are eager to see those of them who will go on to the next level of competition during the upcoming HSSSD Swimming Carnival in Timboon in week 4.

We're particularly proud of our House Captains for which this was their first event and they sure got into the spirit of the day and were cheering loudly at every opportunity.

Winning Bullen Merri House Captains:

Bella Podger and Riley Bernoth.

Age Group Champions:

Back row: Logan Howard, Eliza O'Neil, Brock Stephens, Lily Maskell, Georgie Osborne, Taj Cunningham; *Front row:* Evie Clementson, Oliver Clark, Sophie Halliday, Charlotte-Rose Richardson, Fletcher Tolland and Nate Castle.

JUNIOR CAMPUS SPORT & PE

First two weeks of PE:

During the first week of PE, students played lots of games that focussed on connection and working with their peers.

This week we began Athletics training focussing on running techniques, standing starts and relay baton changing. We also incorporated more games to build, consolidate and master students fundamental motor skills.

Fundamental motor skills are a specific set of skills that involve different body parts such as feet, legs, trunk, head, arms, and hands. These skills are the 'building blocks' for more complex and specialised skills that students will need throughout their lives to competently participate in different games, sports, and recreational activities.

Year 3-6 Swimming:

Information regarding our upcoming Year 3 – 6 swimming program is now on Compass. Please read through the permission forms, complete payment and answer the questionnaire about your child's swimming ability.

Reminders:

Please make sure that your child brings their sneakers on their nominated PE day. They will be able to change into them before their lesson. Students can wear their sport uniform on their nominated Sport days only.

Kim Wines, Prep – Year 6 Sport Coordinator

New staff for 2023:

Rohan Adams (Year 5/6 Teacher), Darcie Seers (Year 3/4 Teacher), Grace Coker (Year 1/2 Teacher), Sondi Guthrie (Senior Campus Maths and Science Teacher), Tanisha Dooley (Senior Campus English Teacher), Sage Bolton (Prep Teacher).

Absent: Adele McGuane (Senior Campus Health and PE Teacher), Julie McPhee (Food Technology Teacher), Peter Rock (Year 12 Business Management Teacher), Trish Gibson (Business Manager from Term 2).

Christmas Raffle

PARENTS & FRIENDS CHRISTMAS RAFFLE

Congratulations to the Wilkinson family who were the lucky winners of the Parents & Friends Christmas Raffle last year. They received their leg of lamb (donated by the Horspole family and packed by Castle Estate) during the holidays (pictured right with Laine).

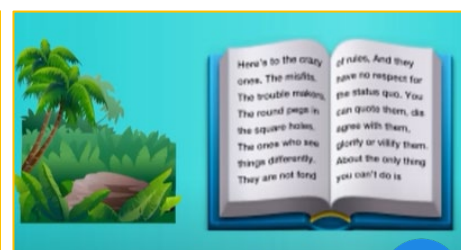

CAN YOU GUESS?

INTEREST TESTS AND QUIZZES

With Isla & Ollie

Movie Titles:

1. The Lion King
2. The Jungle Book

Annie JR.

OUR 2023 School Production will be annie JR, and it's not too late to get involved!

Annie is an orphan in a facility run by the mean Miss Hannigan. Annie believes that her parents left her there by mistake. When a rich man named Oliver 'Daddy' Warbucks decides to let an orphan live at his home to promote his image, Annie is selected. While Annie gets accustomed to living in Warbucks' mansion, she still longs to meet her parents. So Warbucks announces a search for them and a reward, which brings out many frauds. 'Annie' is set in 1933 in America.

There has been a lot of interest from students in all year levels in being part of the cast for Annie, but it's not too late for any students who think they would like to be part of this production! Students just need to add their names to the sign-up lists on the Performing Arts noticeboard at the Senior Campus, or speak to Mr Bennett. We will be casting the show next week and rehearsals will begin in week 4. Watch this space in our next newsletter to find out who our stars will be in 2023!

Caring ~ Excellence – Honesty – Respect - Responsibility

'Track the Speaker' is a term that will become very familiar to our students at both the Junior and Senior Campus this year. Students should expect to hear this term during assemblies, morning circles and in each of their classes. They will see a poster just like this one in all of the classrooms, as well.

When we are tracking the speaker, it means that we are not just listening to whoever it is that is speaking, whether that be your teacher or a classmate, but we are **actively** listening to them. We are following them with our eyes and we are using our body language to show them we are listening by facing towards them. Active listening also means we are attempting to understand what the speaker is saying, and we are reflecting on and responding to this information by raising our hand to ask clarifying questions or share our thoughts when asked.

I look forward to seeing our students practicing their actively listening skills as they 'track the speaker' over the coming weeks!

Lucy Jubb, Senior Campus Berry Street Leader

Track the Speaker

Actively listen to who is speaking!

Our school is trained and implementing the Berry Street Education Model (BSEM) from Prep right through to Year 12. Have you heard your child mention 'brain breaks' or 'welcome circles'? These are two elements that we have implemented this year with all classes to increase engagement and successfully improve all students' self-regulation, relationships, wellbeing, growth and academic achievement.

This week, we have been exposing students to 'track the speaker' as an integral part of our daily classroom interactions, assemblies, welcome circles and staff meetings. It is the start of our journey of launching common language in all classrooms across our Junior and Senior Campuses.

PARENT/GUARDIANS CAN YOU HELP IN THE LIBRARY?

...WITH COVERING BOOKS?

ASTHMA MANAGEMENT PLANS

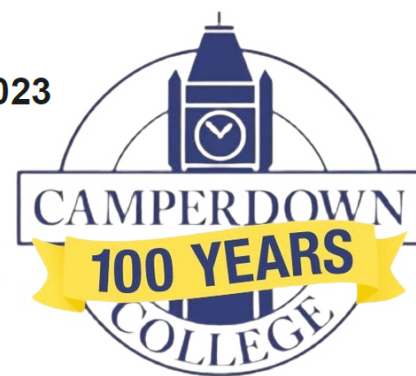

With a new start to the school year upon us, we are requiring all students' Asthma Management Plans to be updated:

- **Junior Campus** students who have asthma have been sent home a new plan to have updated. Please have this filled out by your doctor and return to the Junior Campus Office as soon as possible.
- **Senior Campus** students who need a new Asthma Management Plan are to collect one from the Senior Campus Office. This form will need to be updated by your GP and returned as soon as possible. Doctors in School appointments are also available to book to have Asthma Management Plans updated. Phone the Senior Campus Office to book an appointment. This is a free service for students at the Senior Campus available on Wednesdays – face-to-face, once a month and telehealth every other Wednesday.

Emily Helmore, Secondary School Nurse

Camperdown College School Council

Notice of election and call for nominations 2023

Composition:

- 7 parents
- 4 school employees (including Principal)
- 2 students
- 1 community representative

Meetings:

- Third Wednesday of each month (during school terms) at 7 pm
- Sub-committees (Finance, Buildings and Grounds) also meet monthly

Responsibilities:

- Finance
- Strategic planning
- Policy development and review
- Community engagement

Term expires March 2023:

Rose Messer, Paul Dunn, Chris Brooks, Vicki Angus, Jayavi Senarath (student rep), Jane Bennett (resignation)

Continuing members (term expires March 2024):

Luke Webb, Kristy Clarke, Jocelyn Clark, Chrissy Baulch, Jacinta Tolland, Suzanne Maskell (co-opted acting role), Kellie Kempton (community rep), Matilda Narik (student rep)

An election is to be conducted for members of the school council of **Camperdown College**. Nomination forms are available from the school office and website and must be lodged at either school office by 4.00pm on **Friday 24th February 2023**.

If required, a ballot will commence from **Wednesday 1st March** and close at 4.00pm on **Thursday 9th March 2023**. Results will be declared on Friday 11th March 2023 and the first meeting of the new Council will be on **Wednesday 15th March 2023**.
