CAMPERDOWN COLLEGE NEWSLETTER

Term 1, Week 8, 22<sup>nd</sup> March 2024

Last week, our Year 8 students embarked on an unforgettable journey to Anglesea Valley Lodge. Our students boarded a bus to Anglesea beach where they ventured into the art of surfing. Students all showed great resilience as they were pushed around by the waves.

Hiking through the rugged terrain, students discovered the hidden treasures of Anglesea Valley. With each step, the students seemed to develop a deeper appreciation for the beauty that the bush had to offer. Students attempted the low ropes course, overcoming obstacles, both physical and mental.

It was great to see their determination as they battled the clock to be the fastest student over the course. Students engaged in heart-pounding adventure games, they navigated through challenges that tested their teamwork and resilience in the hope it would bring them closer as a Year 8 cohort.

Overall, it was a fantastic camp. The camp staff were impressed with the way our students behaved and could not thank them enough for the respect they showed.

**Warren Attrill, Year 8A Coordinator**

# FROM THE PRINCIPAL'S DESK...

## Parents & Friends:

It has been such a huge term for all of our students in regards to swimming and athletics carnivals and we're now onto interschool events. Working in the background each and every time is our enthusiastic Parents & Friends Association. Our college is extremely lucky to have such a committed group and we thank those who have volunteered their time throughout the

term.

High performing schools don't just provide the basics and our school, through many avenues, really does provide extras for our students and we thank you for your continued support to make this happen.

## Students:

I was lucky to be able to attend the Year 8 camp in Anglesea last week. Our students are really something else; polite, grateful and compliant with enough cheek to have fun and most importantly, each and every student sought happiness in the success of others. There was a real sense of positive connection amongst the group and according to the camp managers, we were *the best group they have ever had*, which I completely agree with. I would like to thank the teachers who attended for helping to set the parameters for the group so they could have a great experience. This camp also provided opportunities for some of our Senior Campus students to attend as camp leaders and I cannot speak more highly of them.

## Governance:

We welcome the 2024 School Council with our AGM next Wednesday evening. One of the many strengths of the college is the engaged contribution of School Council to help the college be the best it can be. You are always encouraged to reach out to anyone on School Council. We thank each member for volunteering their time. A special mention goes to Matilda Narik who has served as a student representative for the past two years, ably representing the student body and providing great insight and perspective. Thank you Matilda.

The 2024 School Council comprises:

*Parents (7):* Luke Webb, Kristy Clarke, Jocelyn Clark, Chrissy Baulch, Paul Dunn, Eliza Horspole and Laura Sexton (new in 2024).

*DET staff (4):* Xavier Davis (Executive Officer), Jacinta Tolland, Vicki Angus and Chris Brooks.

*Student Representatives (2):* Stella Horspole, Vacant x 1.

*Community (1):* Kellie Kempton.

School Council plays an important role in keeping the college focussed on our mission of providing exemplary teaching and learning programs within excellent facilities fostering school pride, aspiration and persistence to achieve high levels of learning for all students. At Camperdown College we aim to be a high performing school that produces graduates well equipped to succeed beyond school and contribute actively to the community.

## Staffing:

In Term 2, we will welcome **Polly Smith** back to the Junior Campus to fill the tutoring role (0.4) on Wednesdays and Thursdays as **Kim Wines** has recently started maternity leave. We wish her all the very best. At the Senior Campus, we welcome **Mary Renehan** into a 0.6 Humanities/IT role. Mary is an experienced teacher who has spent much of her teaching career in Melbourne and has relocated to the South West recently. **Sara Magnusson** is heading on leave and we thank her for her assistance in organising the swimming and athletics carnivals as well as attending camp. **Bill McGann** is joining us as Education Support as part of the NEXUS program and will be completing his placements with us this year on Thursdays and Fridays. We also wish **Lucy Jubb** the very best wishes as she heads to maternity leave. **Kerrie Cakebread**, who has been filling in for **Gabrielle Eckhardt** (on leave for Term 1), has been wonderful in Miss Eckhardt's absence. Thank you Kerrie.

I am also sharing the news that this week **Leanne Coates** has retired from the Department of Education and her long employment at Camperdown College – across both campuses. We are extremely thankful and appreciative of the dedicated service Leanne has provided our school and the children she has nurtured along her journey.

**Mr Xavier Davis, Principal**

A busy and rewarding term has come to a close. It has been wonderful to see how seamlessly the Year 7 and new students to the college have settled in to life at the Senior Campus. The Year 7 students quickly adapted to following their timetable and navigating the rooms and always with a smile on their faces. Congratulations to all students on their efforts and behaviour this term. It is a pleasure to witness your pride and positive interactions with each other and staff. Enjoy your break.

### **Greater South West Region Swimming Carnival:**

Jaybe Bailey and Quinn Clark competed in the Greater South West Region swimming today. Both students displayed lots of talent in the pool at the school and interschool swimming events and no doubt would have performed their very best today. Congratulations to Jaybe and Quinn for reaching this level of competition.

### **Parent Teacher Interviews:**

Thank you to parents who have already made bookings to meet with teachers on Tuesday afternoon. If you are encountering any problems making your bookings, please contact Christine Esh and she will assist in this process. A reminder that all town students will be dismissed at 1pm on Tuesday. Bus travellers are also permitted to go home as long as they bring a note are collected by their parents. Students are strongly encouraged to attend the interviews with their parents.

### **HSSSD Athletics Carnival:**

We are sending a team of sixty-seven students to the Hampden Secondary Schools Sports Division Athletics on Monday. We wish these students all the best in their various events and look forward to learning about their results.

### **Junior Campus Sporting Events:**

Year 10 students recently assisted with the running of the Junior Campus Athletics Carnival in very hot conditions. Feedback was most positive about the initiative, leadership and compassion that students displayed. Next week Vocational Major students will assist in the Year 3 – 6 District Athletics Carnival. Their assistance will be most welcomed.

### **Celebration Assembly:**

Due to such a busy term and events in the final week of term (VET, work placements, lawn bowls and athletics), we have been unable to schedule a celebration assembly time slot when all students are on campus. As a result, in lieu of homegroups, each morning next week we will be holding ten-minute assemblies in the quadrangle and will present awards throughout the week. Names of recipients of awards will be published in the newsletter next term.

### **Congratulations:**

- Jada Mahony and Lily Van Es won the U/17 girls cricket grand final in the Colac Cricket Association. Jada was awarded player of the match.
- Charlotte-Rose Richardson was crowned Cricketer of the Year in the Colac Cricket Association U/13 competition.
- Isla Spokes was awarded a trophy for the most runs in the Colac Cricket Association U/13 competition.
- Simon Baker and Alumni David Murphy, tied for A grade Cricketer of the Year in Corangamite District cricket competition.
- Hannah Morrison was awarded Most Disciplined from Cobden Tennis Association season 2023/24.
- Oliver Clark was awarded the Melva Smith Most Improved award from Cobden Tennis Association season 2023/24.
- Max Thomson was a premiership team winner captain at Cobden Tennis Association season 2023/24.
- U/17 CABA Premiers: Quinn Clark, Dain Collins, Maison Tolland, Daniel Stringer-Donnelly, Jada Mahony, Grace Hinkley and Grace Magilton.
- U/17 CABA Best and Fairest Runner Up: Matilda Narik.
- U/17 CABA Goal Throwing Runner Up, senior men's premiership and Joint Best and Fairest: Taj Cunningham.

### **Lunchtime Activities:**

Coordinated lunchtime activities have been planned for Term 2. Sports Captain, Ruby Kempton along with the House Captains have organised weekly house competitions in a variety of sports. School Captains, Riley and Ebony, will be running a Year 7 Blookey competition and Student Voice Captain, Isabelle Huggins has registered students to join in the Push Up Challenge to raise awareness about mental health.

### **NAPLAN:**

Students in Years 7 and 9 are to be commended on their approach to each of their NAPLAN tests over the last two weeks. It was very pleasing that all students participated in the testing regime this year. We eagerly await the results and the chance to celebrate student growth over the two-year time span.

### **Year 8 Camp:**

Year 8 students had a wonderful time on camp in Anglesea last week. The weather ensured the water-based activities were a hit with lots of students mastering the ability to ride a wave. Thank you to Sarah Brooks, Sara Magnusson, Warren Attrill, Ruby Walsh and Year 10/11 helpers for providing this amazing experience for our students.

### **Early Finish:**

Next Thursday students will finish school at 2.15pm for the term holidays. Corangamite Trade Training Centre VET buses will run an hour earlier than usual in the afternoon to accommodate for this.

### **Save The Dates:**

*Year 7 2025 Information Night: Tuesday 23<sup>rd</sup> April. Please share this date with interested families throughout the district.*

*Debutante Ball: Friday 30<sup>th</sup> August.*

**Ms Vicki Angus, Senior Campus Principal**

## **NAPLAN:**

This week, our Year 3 and 5 students finished their NAPLAN testing. All students in both year levels completed four individual tests to the best of their ability. Students who participated should be extremely proud of the engagement and concentration they showed throughout the testing period.

## *Epilepsy Action Australia's 2024 Purple Day – Make March Purple:*

A reminder that next Thursday (last day of term), our JSC will be hosting our end of term fundraiser **Epilepsy Action Australia's 2024 Purple Day Make March Purple**. Students are asked to wear purple on the day for a gold coin donation. Ribbons, carefully made by JSC members, are being sold every day to celebrate the day. A reminder that fingernail painting will be available on the day for \$1, along with other fun activities ran by our JSC. We say thanks to Mr Adams who has led our JSC in the making of ribbons this term and will be

supporting students next Thursday to make this day a successful one in raising much needed funds for epilepsy research.

Bentley Currell has chosen to further support our fundraiser by completing an individual deed of riding his bike to Cobden **tomorrow, Saturday 23<sup>rd</sup> March** and walking back to Camperdown. Bentley has some committed supporters behind him who are just as proud of him as we are, with all sponsorship funds contributing to our Purple Day celebrations. We wish Bentley all the very best for tomorrow and thank him for showing determination and care on such an impressive level. Bentley was interviewed on Fitzmedia this week as they profiled his feat. Donations can be made at the Junior Campus in the lead up to our Purple Day.

## **Celebration of Learning Assembly – Term 1:**

Our Celebration of Learning Assembly for Term 1 will be held on the last day of term at 9.15am in the BER. During this assembly, we will be celebrating the learning of students throughout the term with each year level sharing the learning they have engaged in throughout the term. These performances and highlights are always so special to share in and we hope parents are able to join us for the celebrations. Student of the Term awards will also be presented to a student from each class.

## **District Athletics Carnival:**

Next Tuesday, a team of 32 students will represent Camperdown College at the District Athletics Carnival at the Camperdown College Sport Precinct (Frederick Street). We wish our team all the best and know that they will represent our school with pride and excitement. We can't wait to see how they perform against other students from our local schools.

## **Victorian High Ability Program:**

This term, we had two students involved in the Department of Education's Victorian High Ability Program. Congratulations to Fletcher Gibbins who was chosen for the Maths program and Noah Boyd who was chosen to engage in the English program. Both Year 6 students were invited to be part of this program due to their exceptional maths and literacy results. We are very proud of their commitment to the program and their dedication to the sessions they were a part of this term.

## **Clean Up Australia Day:**

Our Environmental and Maintenance Leaders, Duke Giles, Nathan Wilson and Jonty Richardson, ran a successful Clean Up Australia Day session with all students at the Junior Campus on Friday 8<sup>th</sup> March. Students were given an area of the school to clean with our three leaders supporting all classes and students maturely.

## **Hockey Clinics:**

Our Year 1 – 6 students enjoyed a hockey clinic today ran by Amelia Robertson from the Corangamite Lakers Hockey Club. Amelia took classes through some hockey drills whilst promoting hockey as an enjoyable winter sport option. Many students found the session engaging and a load of fun. Thanks Amelia for running these clinics for our students today.

## **Cooking at the Uniting Church:**

Our cooking group of eight Year 3/4 students had their second cooking experience at the Uniting Church this week. Students prepared and ate fried rice and chocolate chip cookies under the direction of Kylie Spokes, Gwen, Ray and Colin. Students had such a fun time and learnt some great skills along the way.

## **The Dental Clinic Van:**

The Dental Clinic Van will be at Camperdown College in the second week of Term 2. All students from Prep – Year 12 will have the opportunity to visit the van for preventative and general dental care. This service is fully funded by Australian Dental Health and the Child Dental Benefits Schedule and is available to all students. Booking forms were sent home yesterday and are due back by **next Tuesday 26<sup>th</sup> March**. Further information has been pushed out on Compass.

## **Lions Club Eye Testing:**

Early next term, our Prep, and Year 5/6 students will have the opportunity to have their eyes examined by a team of volunteers from the Camperdown Lions Club. This examination, on **Monday 29<sup>th</sup> April (week 3)**, will detect any eye issues that require a follow up appointment with an optometrist. This wonderful service is something that occurs annually for our youngest and oldest students at the Junior Campus. We strongly encourage all parents to provide consent for any student in Prep or Year 5/6 who isn't under the care of an optometrist. We are so lucky to have our local Lions Club offer this service to our students. Forms were sent home with students this week.

*I wish all families a restful holiday and Happy Easter.*

Jeannie Cook actually started her career at the Senior Campus as a PE teacher in 2002! Now she's back as a 3/4 Classroom Teacher.

Since those first teaching years, Jeannie has been working in the UK, USA and Australia in the sales and marketing field, as well as teaching for a decade in the Northern Territory.

Miss Cook enjoys being active in her spare time and is training for the Great Ocean Road Marathon in May!

Mr Mills is our Senior Campus' new Mathematics teacher and a new resident of Camperdown.

Patrick has taught for over 20 years in Castlemaine, Darwin and Adelaide and made the move to Camperdown with his wife Theresa (our new Food Tech teacher) after having friends recommend our great school.

Before teaching, Mr Mills worked in IT and data analytics as well as working in interesting places like Toronga Zoo in Sydney and at a chocolate factory!

 **Snowy River Campus**  
*School for Student Leadership*

Each year, Camperdown College is lucky to be able to send a select group of Year 9 students to the Department of Education's School for Student Leadership. There are four different camps in Victoria and generally the School for Student Leadership enables us to access either the high country or the snowy river campuses. This year, our students have been attending the Snowy River campus at Marlo in East Gippsland (about an hour east of Lakes Entrance). Students participate in adventure activities, like surfing, hiking, cycling as well as completing Literacy and Numeracy sessions, and most importantly their projects that have a community focus. Students are permitted one weekend of family visits throughout the eight week camp. This is a wonderful opportunity to students to develop their leadership skills in a setting well outside of their comfort zone. Today, Friday 22<sup>nd</sup> March, students will present their term long work on their community led project and Xavier Davis and Luke Webb, School Council President, are lucky to be in attendance. This is a wonderful opportunity for students and if there are any current Year 8 students who are interested in attending next year's camp, look out for the upcoming expressions of interest. Students will be extremely eager to see their families next Thursday as the camp concludes.

# Year 5/6 Indonesian Warung

Year 5/6 students have been working hard in the Indonesian classroom organising and running an event for our school community this term. They decided to host a *warung* – an Indonesian stall which can sell various items ranging from meals to internet data. Students selected a range of Indonesian snacks which they thought their peers would enjoy and chose Epilepsy Action Australia as a worthy charity for their fundraising efforts.

Every student wrote and designed a bilingual text to promote the warung in our school community and they voted on the best quality texts to be used to advertise the event at the Junior Campus and on Compass.

Tuesday 19<sup>th</sup> March was the date of the warung and Year 5/6 students collaboratively prepared enough pisang goreng (banana fritters), kerupuk (prawn crackers), biskuit rempah-rempah Indonesia (Indonesian spiced biscuits) and tanghulu (fruit skewers) for the entire student body at the Junior Campus. Each item was sold for 50c. The students' efforts were reflected in an impressive \$111.60 donation to Epilepsy Action Australia! All Year 5/6 students should be congratulated for their excellent teamwork and collaboration and a big thank you to Kathryn Robertson for assisting students in the kitchen.

## BAKE SALE STUDY TOUR FUNDRAISER

Camperdown College's finest baking was up for sale on Monday 18<sup>th</sup> March as a part of a fundraising activity for the Indonesian Study Tour. 19 staff and students generously donated their tasty treats to be voted on and sold at the Senior Campus. The study tour group was aiming to raise enough money to cover the costs of 10 students from our sister-school to join in with our students on the second day of their itinerary in Bogor, West Java. Impressively, the bake sale raised a total of \$536.25, which exceeds the \$500 target. Camperdown College staff and students also voted on the best baked treats and the winner of the 'Camperdown College Best Baker Award' will be publically announced soon. Many thanks to students and staff for donating baked goods and for purchasing these items.

# Clean Up Day

On Friday 8<sup>th</sup> March, Prep – Year 6 students at Camperdown College participated in Clean Up Australia Day 2024. Our students all pitched in to clean up our Junior Campus and help keep our environment healthy. Each class was given a specific area to focus on. Unfortunately, the bottom oval had the most rubbish around it. We hope to implement some new bin layouts at the Junior Campus to see if we can keep our yard clean and minimise the rubbish.

**Jonty Richardson, Duke Giles & Nathan Wilson, Environmental & Maintenance Leaders**

Yesterday was the second and final week that Art elective students helped to paint a community mural. We were approached by South West Healthcare earlier in the year and asked to participate in the creation of a mural that will be installed in the grounds of the new development at Merindah Lodge.

We have been working with artist Jess Fowler and Aimee Grinter from South West Healthcare. They asked our students to brainstorm some ideas, so we walked around town making sketches and notes to provide some input and inspiration that would help Jess with the creation of the mural.

Our students have been instrumental in bringing the project to fruition by painting some aspects of the mural. The mural is almost finished and only needs some finishing touches from Jess. The students should be proud of the effort and attention to detail they put into this project.
