Congratulations Evie Clementson, Ben Leonard-Pekin and Eliza O’Neil (pictured above) who represented Camperdown College at the Division Swimming Carnival last Thursday.

All students swam superbly and have all qualified to represent our College at Regional level tomorrow in Ballarat. Camperdown College staff and students are very proud of these students and their achievements and would like to congratulate them on their accomplishments.

Clare Monk, Junior Campus Assistant Principal
From the Principal’s Desk...

The state-wide Framework for Improving Student Outcomes continues to shape system and school improvement agendas, including our Camperdown College 2016 Annual Implementation Plan. We have selected the two school improvement focus areas of *Curriculum Planning and Assessment* and *Building Leadership Teams* as the basis for our 2016 improvement efforts, building on important work undertaken through our school review and subsequent intervention plan. The AIP was ratified at this week’s School Council meeting and will now be submitted to the Region. At Camperdown College all teachers belong to one of five collaborative teams, sharing the responsibility for curriculum planning and student outcomes. Our five teaching teams have each developed an action plan for the year based on the AIP goals and targets and are well underway with the implementation of agreed strategies.

Term 2 will see a staffing change with our Indonesian teacher Jenna French commencing maternity leave. Jenna has worked tirelessly to establish a vibrant and successful Indonesian language program at the College. We thank her for her efforts and wish her all the best as she embarks on this new and exciting journey of parenthood. Jenna plans to return to Camperdown College upon completion of a period of family leave. Meanwhile, our Business Manager Mardi Dowell has been appointed to the staff team in a casual maintenance position and is looking forward to commencing in the role next week. Our sincere thanks go to Darren Teal who has undertaken maintenance duties at the College over the past five years, taking great pride in his work and in our school.

School families may be aware of a supply issue that has prevented us from filling orders of the navy and white trim sport shirts. We have now been able to source an alternative supplier and an extensive order has been placed. The shirts are presently being embroidered with the College logo and will be available through the Uniform Shop shortly.

Meanwhile, feedback on two possible styles of long navy pants has been sought from our Senior Campus girls and the School Council Policy sub-committee. The feedback was helpful but mixed and School Council is not yet in a position to endorse a particular style. Further investigations are underway as it is important that a suitable style is selected. The long pants will not be available for purchase prior to the upcoming term holidays however every effort will be made to reach a decision in a timely manner so that the pants are made available as an option for the Senior Campus girls during Term 2. Girls wishing to wear the long pants will be required to purchase the style endorsed by School Council. There is NO provision for students to source and wear other varieties of navy pants and this will not be permitted during this interim period or once the new pants are introduced.

Term 1 is coming to a close and I look forward to celebrating learning and success with our school community at next week’s assemblies. At each campus, individual students and collective efforts will be acknowledged and applauded. Parent attendance at our end of term Celebration of Learning Assemblies is strongly encouraged and I hope to see many of you there. Thank you to all students, staff, families and friends of the school who have contributed to another busy and rewarding term.

*Ms Cherie Kilpatrick*
Principal

Please note that due to anticipated weather conditions, the **Year 7 – 12 Athletics Carnival has been rescheduled for next Tuesday 22nd March.**
**Subject Competitions:**
The University of New South Wales subject competitions have once again been advertised in this newsletter. These competitions offer a wonderful opportunity to students to test their skills against students of the same age from all around Australia in a variety of areas. Entries must be returned to the Senior Campus Office by the end of term.

**Parent Teacher Interviews:**
Progress Reports have been posted home to parents today. Parent Teacher Interviews will be held in the AG Daws Hall on Wednesday 23rd March from 3.30pm until 6.30pm. Students are requested to book interview times on the booking sheets located on the sport notice board. Ms Black will take the Year 7 students through the process so it is important that all Year 7 students have their booking sheet with them on Monday. All parents are requested to attend these interviews regardless of whether they have made a booking or not (no booking might just mean that you have to wait longer to see a teacher as booked times have precedence). Please note that for those students who are on Individual Learning Plans in certain subjects, the interviews will provide staff with the opportunity to discuss goals that have been set.

**VSSS Rehearsal:**
Students participated in their first rehearsal yesterday, in preparation for their performance at Hisense Arena later in the year. Mrs Timilsina is working with a very enthusiastic bunch of Year 7 – 10 students who are looking forward to participating in this wonderful experience.

**End of Term Celebration of Learning Assembly:**
We will be hosting a Celebration of Learning Assembly for students in Year 7 – 12 on Wednesday 23rd March at 9am. This will give us the chance to acknowledge all of the students who have achieved success this term.

**Studio Art:**
Year 11 Studio Art students have travelled to Melbourne today to view the Andy Warhol Exhibition at the National Gallery of Victoria. Students are hoping to receive some inspiration for their future artworks.

**Greater Western Swimming:**
We wish the eight representatives who will be swimming in Ballarat next Wednesday every success as they compete at the next level. Congratulations to Bailey McDonald, Olivia Maskell, Zoe Wilkinson, Jack Helmore, Charlie Lucas, Nick Jones, Taj Merrett and Kurt McDonald for making it to this level.

**Upcoming Camps:**
Information about the Year 11 camp to Charleton Driving School and the Year 10 camp to Melbourne has been sent home to parents. These camps are planned for early Term 2 and it would be appreciated if permission forms could be returned prior to the end of term.

**Congratulations:**
- Congratulations to Nick Frith who won the leading wicket taker for South West Cricket Division 3.
- Kurt McDonald has certainly been busy over the past few weeks. He competed in the U/19 Australian Triathlon and was placed third individually and in the team event. This is great achievement for a sixteen year old competing at this level. Kurt travels today to New Zealand to compete in the Oceania Triathlon and we wish him every success at this competition. Last week Kurt was nominated and attended the Victorian Junior Sports Awards at the MCG which is an outstanding achievement to be recognised at this level.

**Prep – Year 6 Athletics Carnival:**
What a fantastic day we all had at the Athletics Carnival today. The organisation of events, time tabling, supervision, scoring and age group supervision meant a smooth and enjoyable day for all. I saw every student with a smile on their face and putting their best efforts forward. Thank you to Warren Attrill and the teachers and volunteer parents who assisted on the day. Congratulations to all students for trying their best. At the time of writing this article, age group champions and final scores were still to be calculated.

Next Wednesday 23rd March, we will send a team of 32 athletes to participate in the District Schools Athletic Carnival. Mr Attrill will send home further information with the successful students later in the week. We wish those competitors all the best.

**Year 3 – 6 Division Swimming Carnival:**
Last Thursday I had the pleasure of accompanying Evie Clementson, Eliza O’Neil and Ben Leonard-Pekin to the Division Swimming Carnival in Warrnambool. Evie participated in the 50m butterfly, breaststroke and freestyle, progressing through to Regionals in butterfly. Ben swam the breaststroke with great gusto, finishing first in his heat. Eliza swam a sizzling freestyle to finish first across the line in her heat. All three students represented our College proudly and have progressed to the Regional Swimming Carnival in Ballarat tomorrow. Thank you to the families who supported their children by transporting them to the swimming competition and cheering them on at such an elite level. Good luck tomorrow Ben, Evie and Eliza!

**Parking in Brooke Street:**
Please be aware that new signage has been erected at the school crossing. Recently cars have parked either side of the crossing, obscuring vision of our crossing supervisor. This area must remain clear of cars both, before and at the end of the school day. I ask that all families adhere to the signage for the safety of our students.

**Excellence ~ Respect ~ Responsibility ~ Caring ~ Honesty**
End of Term 1:
It is hard to believe that the end of Term 1 is fast approaching. To celebrate the end of term, staff have planned some special activities for next week.

On Tuesday afternoon, all students will decorate a hat/bonnet for an Easter parade, to be held on Thursday. All students are encouraged to bring along a hat from home to decorate, as well as flowers, streamers, feathers or anything else that could be useful when decorating. On Thursday morning there will be an Easter Bonnet Parade at 9.00am followed by a Celebration of Learning Assembly at 9.30am in the BER building. All parents and grandparents are welcome to attend.

The JSC have also coordinated a fundraising event. To support the Good Friday Appeal, all students are invited to wear their pyjamas to school next Thursday and bring along gold coin donation. A barbeque lunch will also be available; $2 for a sausage and $0.50 for a Zooper Dooper.

On Wednesday 2nd March, Harrison Bennett, Mirryn Elerton, Alan Best, Ange Brown and I travelled to Melbourne to attend The National Young Leaders Day at the Melbourne Convention Centre.

We met at school at 5.50am and made our way to Geelong where we caught the train to Melbourne. The theme of the day was Master the Little. Little things add up to big things over time. We must have goals, so we have something to give us direction in life.

Kate Austin, the founder of Pinchapoo, said it’s important to have dreams and that we should never stop believing in ourselves. Dylan Parker had three key messages: try new things even if they seem small; be proud of yourself; and you can do anything!

1. OPEN DAYS – Open Days are held at universities and TAFE institutes each year, giving the public the opportunity to see the facilities, talk to staff and students, collect information and attend information sessions. They are generally held on Sundays later in the year, but dates are provided here so that you can put them in your diary now.

Some Open Day Dates for 2016:
- Sun 31 July – Swinburne University
- Sun 7 Aug – Deakin University (Warrnambool); La Trobe University (Bundoora); Monash University (Caulfield & Clayton)
- Sun 14 Aug – Australian Catholic University (Melbourne), La Trobe University (Bendigo); Monash University (Peninsula); RMIT University; William Angliss Institute
- Sun 21 Aug – Box Hill (Lilydale campus); Deakin University (Waterfront & Waurn Ponds); University of Melbourne
- Sun 28 Aug – ACU (Ballarat): Box Hill Institute (Box Hill); Deakin University (Burwood); Federation University; Victoria University (Footscray campus)

2. HOW CAN I FIND OUT MORE ABOUT LA TROBE UNIVERSITY? La Trobe holds ‘Experience La Trobe’ days in the school holiday breaks. These are a chance to see facilities, find out about courses and careers, and talk to staff and student ambassadors about La Trobe. You will be able to attend tutorials and lectures; why not attend with friends or family? When: Melbourne campus (Bundoora) 31 March; Bendigo campus 1 April. For more info and to book: See: www.latrobe.edu.au/experience.

3. DO YOU WANT A JOB WORKING WITH ANIMALS?
- A great way to find out more is by attending Healesville Sanctuary’s ‘Keeper for the Day’ or ‘Vet for a Day’ program OR Werribee Open Range Zoo’s ‘Keeper for a Day’ program. These programs are suitable for students in Years 7 – 12. When:
  - Healesville Keeper for a Day: 9.30am-3.30pm, March 29 & 30, April 5 & 6; Cost: $115
  - Healesville Vet for a Day: 9.30am-3.30pm, March 30 & 31 and April 6 & 7; Cost: $129

4. ARE YOU INTERESTED IN A NURSING AND/OR MIDWIFERY CAREER? Division 1 nursing involves a three-year degree at university while Division 2 requires an 18-month diploma. Some students who wish to study nursing also wish to study midwifery. This can either be done through a double degree in nursing and midwifery which will take 4 years or by studying nursing and then doing an 18-month course in midwifery. The double degree is offered at Deakin, La Trobe and Monash Universities. The good news for Year 12 students is that Victoria University (St Albans campus) is introducing this double degree in 2017. The aim is to address the challenges in maternity care. Increasing rates of health conditions such as mental health disorders, diabetes and obesity have increased the complexity of care for women.

NOTE: there are many other combinations of double degrees with nursing, providing more employment and interest options upon graduation. For example, ACU offers Nursing/Paramedics at the Ballarat campus and Deakin offers Nursing/Public Health and Health Promotion, Nursing/ Psychological Science (and also a single degree called Nursing (Clinical Leadership)).

5. CHECK OUT STUDYING SCIENCE AT RMIT – Deciding where to study after finishing school is a challenge...

One way to find out more is to visit the university that interests you and see the facilities. RMIT is offering such an opportunity in the school holidays. Go behind the scenes on a tour of the facilities. Students and parents are invited to visit RMIT’s state-of-the-art learning laboratories and to find out about how RMIT degrees provide the knowledge and skills to tackle real-world problems and advance the way we live. Programs cover biology, biotechnology, chemistry, environmental science, food science, nanotechnology and physics. When: 11am-2pm, 30 March; Where: Building 3, Level 1, Applied Sciences Reception, RMIT City; Book/Info: www.rmit.edu.au/events/all-events/tours/2016/

6. DO YOU WANT TO CHECK OUT WILLIAM ANGLISS INSTITUTE IN THE CITY? William
Spotlight on Social Media

For many children and teenagers, their online life is an important part of their social identity. Social networking through the use of websites, apps and mobile devices are becoming increasingly common ways for children to communicate. Despite this, parents often feel much angst about their children’s use of social media and their safety on the internet!

The following video helps to explain the allure of social media and why it is such an important part of young people’s lives. The growing need to manage online reputations is also explored along with an insight into the developing adolescent brain.
