CAMPERDOWN COLLEGE NEWSLETTER

Term 2, Week 2, 5th May 2023

Thank you to the students, parents and staff for the warm welcome. It's great to be a part of Camperdown College and each day, whilst getting to meet students and staff, reinforces to me that the education on offer at the College is vibrant and student-centred.

Having spent the first week familiarising and getting around the campuses, I have had the opportunity to talk to many people and spend some time in classes chatting with students about their learning (and whatever completely random topics that come out in the Prep – Year 2 rooms!). I would like to congratulate everyone for such a strong start to the term.

It is clear Camperdown College is held in high regard by members of the Camperdown community and also the Department of Education. I commend the work of the staff for their commitment to working with each other to build the best educational programs. I look forward to forming relationships with parents and the Camperdown College Alumni as we continue to develop the College with a platform based on Student Learning, Community Connection and Wellbeing.

If you see me out in the yard (mainly in the mornings at the Junior Campus), please come and introduce yourself!

FROM THE PRINCIPAL'S DESK...

Two weeks already! Thank you for such a warm welcome. I am looking forward to seeing the school in action. From the look of the calendars at both campuses, it's going to be a busy term at the College!

Like all schools, Term 2 (and 3) is the term that we hope to consolidate **Student Learning** by continuing the routines of the classroom that have been set in the 'getting to know you'

phase of Term 1 – usually though there are times where it won't go to plan and **flexibility and understanding** will get us through.

At recent assemblies, I have been afforded the opportunity to briefly address the students and staff, as well as attending parents and grandparents. The key message is that I have two, simple, yet hopefully clear expectations for all within our College community. To *work hard and be nice* – all aspects of our daily lives can be brought back to these two pillars and if I am asking this of you as a student, parent and staff member, **then surely you can expect the same of me**. I commit to working hard for the Camperdown community and for the students within.

While I am on me...

I am father to two 'sports-mad' boys (aged 7 and 6). The boys are so into their sport (especially our 7 year old), that they have named our puppy after the Australian batsman Steve Smith! I am husband to Jaclin (Jaci) who is a Colac local and who I team-taught with at Kew Primary School – a fantastic, innovative primary school in Melbourne's inner east of approximately 500 students. After 4 years at Kew Primary School, I moved into the independent school system and spent the next 4 years honing the craft of teaching at the Camberwell Grammar School (K-12) – esteemed in tradition and where 'The Golden Rule' of treating others as one wants to be treated was lived and breathed each and every day. Not an easy feat with a student enrolment of 1500!

Like many country youth who move away from their home town seeking adventure, we generally return back to the country life. In 2016 the role of Assistant Principal at Colac Secondary College arose and for me an opportunity to return to my core belief that every student, no matter the background or what socioeconomic status they come from, they deserve a

great start in life through education. Government education plays such an important role and should be the centrepiece and a place of coming together for all members of a country community.

As Assistant Principal for the past 7 years, my role was supporting the students to believe they can achieve by helping the College grow and develop its identity into a school that the students and community can be really proud of. Colac – we love it there. After 7 years, I now feel fully entrenched in Western Victoria. Something I never thought would happen after growing up in the Gippsland town of Leongatha, which is very similar in size to Camperdown with similar industries. And most of all, **great country kids**.

Country towns... we are so lucky in many ways for the opportunities that are provided to children and families, to grow together, and I'm sure the staff, parents and students have extended roles out in the local community, which I applaud and fully support. As the saying goes... *It takes a village to raise...* you know the rest. It's a value that I would like to continue here at Camperdown College. The *Village* feel in the Junior Campus by continuing to support students and families to get the best start to education and life and then continue through to the Senior Campus where the pathways to being a successful adult are nurtured and supported. I believe in rewarding students for continued effort, determination and resilience in adversity. Skills that will serve them well as adults.

Me personally: My loves outside of my family and work are the Liverpool Football Club in England (born out of living/teaching in London for four years when I was fresh out of university). Yes, my first day of teaching was in London and it snowed! On weekends, it's cricket and golf in the summers and in the winters – it's the Sydney Swans! Let's not talk about last year's Grand Final.

Most importantly, I hope that you will find I try to be friendly, fair, reasonable and always start with what is in the best interests of our students.

My plan at this stage is to start my days at the Junior Campus and finish at the Senior Campus.

I am really looking forward to getting to know you all.

Work hard and ... be nice.

Mr Xavier Davis, Principal

Welcome back to Term 2!

Year 7 Information Evening:

Our Year 7 Information Evening will be held on Wednesday 17th May commencing at 7pm. The theme for the night is *Showcasing your best at Camperdown College*. We are looking forward to welcoming all Year 6 students and their families from the Junior Campus and visitors from other schools. Some Year 7 students will be invited to assist on the night and permission forms will be on Compass. If you know of any families who are interested in attending the evening, please pass on the information.

House Cross Country:

Fine conditions prevailed for the House Cross Country and many impressive individual performances were witnessed. It was great to see so many students choosing to participate and attend on the day. Approximately fifty students will compete in the HSSSD Cross Country on Monday afternoon. Thank you to Simon Baker for organising this event.

Lunchtime Activities:

Lunchtime activities have been planned for Term 2. Overseen by Miss Hood, there are many sessions to engage students such as Lego club, music and library activities, a basketball competition and the ever popular dodgeball in the hall. Thank you in advance to Librarian, Lee Kavenagh and the Senior Leadership team for conducting these activities.

Victoria Interschool State Championships – Equestrian:

Stella Horspole, represented the College at the Victoria Interschool State Championships in the school holidays at Werribee Park Equestrian Centre. Riding her horse, George, Stella won the competition and was crowned State Champion. She has now qualified to compete at the Nationals later in the year. Congratulations to Stella on this wonderful achievement and for proudly flying the Camperdown College flag for us.

Lawn Bowls:

We wish Kona Kerr, Jacob Brown and Isaac Winsall every success as they travel to Sunbury next week to defend their State Championship title. Thank you to Kathryn Robertson for mentoring the team. In addition, congratulations to Kona Kerr and Jada Mahony who both won the Under 18 Camperdown Golf Bowls Club championship over the holidays.

ANZAC Day:

It was wonderful to see so many students observing ANZAC Day by attending the Camperdown service. Unfortunately, this year our students were not given the opportunity to participate in the service. With a new President in place, the Camperdown RSL decided to conduct the service differently this year. We have been informed that it will be Camperdown College's turn to conduct the readings next year and look forward to this opportunity.

PIVOT and Attitudes to School Surveys:

Students completed the PIVOT survey to gauge their views on teaching and learning in each subject at the end of last term. Staff have received this valuable feedback on their practice, impact of learning activities and relationships. Year levels will be placed on display for students to view and teachers will feedback their individual results to classes throughout this week and next. Overall, the teachers scored the highest on being knowledgeable about their topics, treating students with respect and having clear behaviour expectations. Areas to work on included: giving students more choice about the work they do, connecting learning to real life and assisting in setting learning goals. Next week students will complete the state-wide Attitudes to School Survey. This survey provides another measure to support student wellbeing, engagement, school improvement and planning in schools. Look out for a Compass post from Mr Davis with information about the survey and outlines the process of what to do if they wish to withdraw their children from the survey.

Progress Reports:

The next cycle of progress reports are open on Compass. These reports cover the last four weeks of Term 1 and the first week of this term.

The Good Enough Initiative:

Year 9/10 students were fortunate to participate today in a variety of workshops as part of the Good Enough Initiative. The workshops were designed to teach growth mindset strategies to assist young adolescents to feel good about themselves and reach their potential. Thank you to Ann Cunningham (Grit Legal) for organising this event and the sponsorship for this from Bendigo Community Bank.

HSSSD Athletics:

The Interschool Athletics Carnival was finally conducted on Monday after being postponed last term due to wet weather. Individual and overall results are not available at this stage, but we will certainly let the school community know when these become available. Congratulations to all students who represented the College and to the following students who placed first in their events: Nate Castle – Javelin, Addison Shortland – Discus, Hannah Robertson – Shotput and Mason Ford – 100m, High Jump and Triple Jump.

School for Student Leadership:

Jayavi Senarath, Luis Maskell, Aregawi Chivel, Dana Wood, Genevieve Gleeson and Sybella Gavin commenced their School for Student Leadership experience at Dinner Plain on Sunday. A brief email from the Principal has said that despite some initial nerves, they have settled in well and are getting to know the other students. Mr Davis and I met with the group last week and they were really looking forward to their experience.

JUNIOR CAMPUS COMMUNICATION SENT HOME TO PARENTS THIS FORTNIGHT:

J16	Year 5/6 Camp – Final Reminder	J17	Sporting Schools EOI – Term 2 2023
-----	--------------------------------	-----	------------------------------------

SENIOR CAMPUS COMMUNICATION SENT HOME TO PARENTS THIS FORTNIGHT:

No communications were sent home at the Senior Campus this fortnight.

Welcome back to all families for Term 2. I hope you were all able to enjoy a lovely Easter and break.

Prep – Year 6 Cross Country Carnival:

Last Thursday, Prep – Year 6 students participated in our annual House Cross Country Carnival at the Camperdown College Sports Precinct. In perfect cross country weather conditions (after a wet start to the day), students ran, jogged and walked their way around one of three courses in their age level groups. Students participated with determination, persistence and strength to finish their race, even when they felt like they couldn't. The cheering and encouragement from others as students approached the last stretches of their races was a real highlight of the day. Music and sporting activities to promote the importance of being active were popular before and after student races. Congratulations to our age group champions on the day and to our house winner **Manifold** who were crowned the champions on the day (see page 11 for age group champions). A big thankyou to Mrs Wines for organising another successful carnival for our students.

District Cross Country Carnival:

On Friday 12th May, the top finishers in each age group at our House Cross Country, will compete in the District Cross Country Carnival in Noorat against other local schools. Running the same distance as they ran last week, students will have the opportunity to showcase their running skills alongside peers from our surrounding schools. Congratulations to the students who have qualified for this event. We wish them all the best next Friday.

ANZAC Day:

Last Tuesday, we acknowledged ANZAC Day as a College with many students and staff attending the local ANZAC Day service at the Soldiers' Memorial in The Avenue, Camperdown. Our Junior School Captains, Isla Spokes and Oliver Horspole, led our school procession in the march alongside our Senior Campus leadership team, and laid a wreath on behalf of our school community. On what was a warm morning, students did an exceptional job listening attentively to the service and I thank all families that supported this important event and represented the College in this manner.

Division Athletics Carnival:

Today, we proudly sent six students to Warrnambool to represent Camperdown College at the Division Athletics Carnival. Having qualified due to their excellent results at the District Athletics Carnival last term, Jack Bourke, Chloe Castle, Crawford Dunn, Phillipa Murphy, Charlie Unwin and Zoe Unwin are competing today as both representatives of Camperdown College and our local district team. We wish them all the very best. Zhai Deposoy, Madleine Neilson and Reagan Webb also qualified but were unfortunately unable to attend.

Year 5/6 and Year 3/4 Camp Program:

Our Year 5/6 students are enjoying their first camp experience this week at the Grampians Retreat Camp with campers due back this afternoon. Both our Year 5/6 and Year 3/4 cohorts will be enjoying two camp experiences this term (with all costs covered) as part of the Department's Positive Start program!

Our Year 5/6 students will enjoy another camp, The Ranch, at the Mornington Peninsula on Wednesday 31st May – Friday 2nd June. Our Year 3/4 students will be heading to the Grampians Retreat Camp on Monday 22nd May – Friday 24th May followed by Camp Angahook, Airey's Inlet, on Tuesday 13th June – Wednesday 15th June.

Education Week (Sunday 14th May – Saturday 20th May):

We are very excited to be celebrating Education Week in two weeks time at the Junior Campus with the doors opening to our current and prospective family and friends. The theme of Education Week this year is *Active Learners: Move, Make, Motivate*. Celebrations include:

Monday 15th May:

2024 Prep Open Morning from 9.30am – 10.30am.

Emma Stenhouse (Indigenous Artist) working on an Indigenous mural for the Junior Campus (AM).

Tuesday 16th May:

Progress Reports:

Our next progress reporting cycle opens to parents on Compass today. Progress reports provide feedback to parents on how their child is tracking in all subjects. Students will be setting goals based on this feedback and parents are encouraged to discuss these progress reports with their child. Please find these reports on Compass under the *Reports* tab.

Caring ~ Excellence – Honesty – Respect - Responsibility

AFL Clinics:

Our Prep – Year 4 students enjoyed another round of AFL clinics yesterday at the Junior Campus. Football skills including handballing and kicking were on full show and excitement levels were high. Ran by AFL Victoria, these clinics aim to promote the love of football for students through skill development and team drills, and we are lucky that this is our second one for the year. Another clinic will be held for our Year 5/6 students in the coming weeks.

Mother's Day:

Mother's Day is fast approaching with this special day being next Sunday 14th May. Our Parents & Friends are hosting breakfast for our mothers and special friends next Friday 12th May from 7.30am. Students are asked to bring \$3.00 to school next Friday to purchase a gift for their Mum/special person. We thank our Parents & Friends for the work they will be doing next week to ensure our Mum's are treated to something special.

– TUE 25TH APRIL 2023 –

ANZAC DAY

Lest We Forget

Last Tuesday was a chance for the Camperdown community to reflect upon and commemorate those who have served Australia in our defence forces. ANZAC Day is a national day of remembrance in both Australia and New Zealand when the nations commemorate Australians and New Zealanders who have served in wars, conflicts, and peacekeeping operations. Originally a commemoration of the landing of Australian and New Zealand forces at Gallipoli in Turkey on 25th April 1915, ANZAC Day has now grown to become one of the most important national days in Australia.

Many lives have been lost and many families still live with the impact of war. We had the privilege of having many of our students, staff and parents involved in the Camperdown ANZAC Day March and then our leaders, both Junior and Senior, proudly represented us during the ceremony, laying a wreath on behalf of our College. Our captains are very keen to encourage more Camperdown College students to join in next year and acknowledge those who have served, currently serving and to also thank the families of serving members for supporting their service.

All welcome.

Emma Stenhouse's work is predominantly inspired by nature, connection to country using elements of contemporary art and traditional Iconography. Emma ignites the flame of love for Country in other hearts and minds. An experienced early childhood educator, Emma imparts her knowledge of culture, implementing programming including traditional indigenous creative practices guided by Gunditjmarra elders.

Each morning during Education Week, Emma will be working with students at the Junior Campus (and with Senior Campus students in the afternoon). Teaching small groups, Emma will support students to connect with nature, gain an insight into iconography and expand their cultural knowledge and understanding. Students will use this as inspiration for their own water colour art piece. In addition, a number of our Year 6 leaders will work on an indigenous mural that will be displayed at the Junior Campus and digitised for our yard.

BERRY STREET EDUCATION MODEL

Curriculum and Classroom Strategies

RELATIONSHIPS

This term, staff as a part of the Berry Street Model for Education (BSEM), are exploring the Domain of Relationships and delving into the importance of developing positive relationships with our students and the wider school community.

Think back to when you were in school. Who were your favourite teachers? And what was it about them that made being in their class so enjoyable? Chances are the teachers you most enjoyed were the ones who injected their personality, expressed their care and concern for you and who also built a classroom culture which was fun, engaging and safe.

In education, relationships are critically important as they are a key determinant of student achievement, engagement and are a protective factor in student resilience and wellbeing. When staff provide supportive, clear bonds, students are provided with the emotional safety they need to achieve success.

As humans we are hardwired for connection. Emotionally, physically, mentally and neurologically, we all depend on connections with others to grow, develop and maintain our wellbeing. We all desire acceptance, love and a sense of belonging and as a school we want to create an environment where all students experience these. We aim to provide a school community where staff form strong connections with their students through taking deliberate steps to establish trust, validation and safety.

Through building our school community we not only want our staff and students to build strong positive relationships but we also want to ensure that we are modelling these relationships so that our students can build these types of relationships with their peers. As peer relationships are an important factor in contributing to each student's school enjoyment. Relationships can exercise both powerful positive or negative influences on our lives and we want to support and encourage all of our students to develop healthy relationships that are set by clear boundaries, emotional care, positive intent, open communication and honesty.

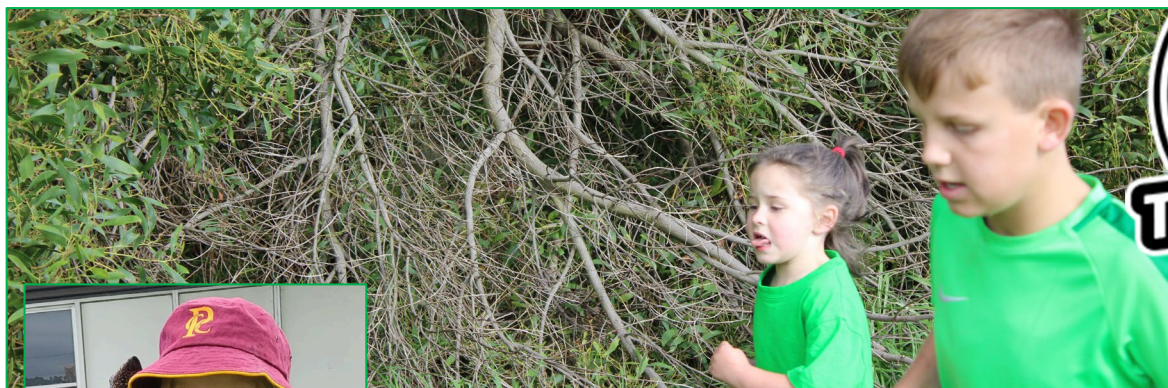

We look forward to continuing to forge these positive relationships with our students by ensuring that we are creating an environment where all of our students can reach their academic potential, engage in their learning and feel supported to develop wellbeing and resilience.

JUNIOR CAMPUS SPORT & PE

Prep – Year 6 House Cross Country Carnival:

After a very wet morning, the sky opened and it was a perfect day for our annual Cross Country Carnival. There was excitement in the air as students walked up to the Camperdown College Sports Precinct in their house colours. Persistence is the word to describe every one of our students who ran in their respective race. We are also proud of the way students supported each other during the days' events, whether it was at the finish line or encouraging participants halfway in the long-distance race. We even had some very kind students going back (after they had finished) and running with their peers to support them all the way to the finish line.

There were a few very close finishes and lots of cheering. Once again, our students carried themselves in a responsible, respectful and supportive manner for the whole day. All their teachers were beyond proud of every student. The year and age champions on the day were:

Prep: Bede Tune and Natalie Corrigan

Year 1: Archie O'Connor and Lily Finlayson

Year 2: Jack Hillman and Imogen Donlan

8/9 yo: Callen McLachlan and Kensie Austin-Ruff

10 yo: Jack Bourke and Zoe Unwin

11 yo: Joshua Burgess and Reagan Webb

12/13 yo: Charlie Unwin and Abey McLachlan

The highlight of the day was our Prep students first ever Cross Country. Our wonderful Year 6 Buddies were just as excited to run the course with them. The winning house was **Manifold** with 422 points, followed by **Leura** and then **Bullen Merri**. The shield was proudly accepted by House Captains Samuel Tolland and Michael Benallack.

A big thank you must be given to all the teachers who were able to help on the day and contributed to the smooth running of events. A special thank you to Simon, Mr Osborne and Mr Attrill, Sheree Horspole and Kristy Clarke for helping on the day.

Crawford Dunn: 100m

Reagan Webb: 1500m, 800m

Chloe Castle: Shot Put

Madeline Neilson: Shot Put

Charlie Unwin: 1500m, 800m, Triple Jump

Zoe Unwin: 1500m, 800m

I authorise the Department of Education and Training (DET) to use Centrelink Confirmation eServices to perform an enquiry of my Centrelink customer details and concession card status in order to enable the business to determine if I qualify for a concession, rebate or service. I also authorise the Australian Government Department of Families, Fairness and Housing (DFFH) to provide the results of that enquiry to DET.

I understand that:

- DFFH will use information I have provided to DET to confirm my eligibility for the Camps, Sports and Excursions Fund and will disclose to DET personal information including my name, address, payment and concession card type and status.
- this consent, once signed, remains valid while my child is enrolled at a registered Victorian school unless I withdraw it by contacting the school.
- I can obtain proof of my circumstances/details from DFFH and provide it to DET so that my eligibility for the Camps, Sports and Excursions Fund can be determined.
- If I withdraw my consent or do not alternatively provide proof of my circumstances/details, I may not be eligible for the Camps, Sports and Excursions Fund provided by DET.
- Information regarding my eligibility for the Camps, Sports and Excursions Fund may be disclosed to the DFFH and /or State Schools Relief for the purpose of evaluating concession card services or confirming eligibility for assistance.

You are able to request access to the personal information that we hold about you, and to request that any errors be corrected, by contacting your child's school.
