CAMPERDOWN COLLEGE NEWSLETTER

Term 2, Week 5, 22nd May 2023

Education Week was thoroughly celebrated throughout our College last week showcasing many opportunities and experiences that promoted this year's theme *Active Learners: Move, Make, Motivate*. Our students were the recipients of activities that saw smiles, enjoyment and enthusiasm promoted, while current and prospective families were treated to the opportunity to see what makes Camperdown College so very special. Many guests came through the door to share in our celebrations at both campuses. One special guest was Emma Stenhouse, a local Indigenous artist, who worked with many students at both the Senior and Junior Campuses on understanding the story behind Indigenous art and how to tell their own story through a connection with nature and art. A beautiful mural was designed and created by our talented students who worked closely with Emma in telling our school's story and our connection to the beautiful country that is Camperdown.

Junior Campus students were treated to a Rubik's cube demonstration by our Senior Campus students Lewani Bateman, Leilah Bateman and Fletcher Tolland on Monday as part of our Education Week lunchtime celebrations. Students were amazed by this talent and were motivated to get their Rubik's cubes out at home. Students then enjoyed a fun fitness session with Hanna from Fleming Fitness on Tuesday at lunchtime. Holly Brooks commented *I learnt how to use the equipment properly and it wasn't too extreme* whilst Crawford Dunn said *I loved running up and down the court doing different activities*. Students were also offered a variety activities later in the week that included plaster paintings, karaoke and making friendship bracelets. Thank you to all who volunteered their time and our students, leaders and staff who were involved in activities.

Lauren Murphy, Junior Campus Events Coordinator

JUNIOR CAMPUS 03 5593 1438

FROM THE PRINCIPAL'S DESK...

Education Week 15th – 19th May 2023:

This year's theme is **Active Learners: Move, Make, Motivate**, which celebrates physical activity, hands-on learning and student voice in education.

It has been a busy few weeks preparing the College, both in the Junior and Senior Campuses where staff have been busily setting up their classrooms to showcase our school in the best way possible. Aply assisted by the Senior VM students (thank you Mrs Maskell and Mr Attrill) for getting the shovels, wheelbarrows and rakes out for some last minute grounds works to make the outside physical environment look its part for the week. The Vocation Major students and the Year 6 Maintenance Leaders were superb in their teamwork and assistance. In the Prep rooms, we have welcomed Kindergarten children and parents as part of our open mornings, so great to see the anticipation build with the Prep students last week. Nearly every conversation involved the question, "Are the Kindergarten kids coming tomorrow?" One student at the Junior Campus Assembly even suggested that the visit by the Kindergarten children was a bigger world event than the King's Coronation...

The Senior Campus was a buzz on Wednesday evening for the 2024 Year 7 Information Evening – over 120 prospective students and family members were toured through the well-presented classrooms, exploring each of the curriculum areas under the guidance of upwards of 40 current Year 7 and Senior students volunteering their time to showcase the College that they love. We were very appreciative of their assistance on the night.

Plenty happening regarding **Active Learners: Move, Make, Motivate:**

Move:

- Year 3 – 6 Division Cross Country in Warrnambool – after a great showing at the District Event, Camperdown College came third overall which is a

great result. Well done preparing the team at lunchtimes Mrs Wines.

- Walk to School Day – the walking school bus from the clocktower on Friday morning, it was a very chilly walk!

Make:

- Cooking groups at Uniting Church.
- Indigenous Murals – Artist in Residence Emma Stenhouse. Emma has been working furiously with both Junior Campus students in the mornings and Senior Campus students in the afternoons. Look out around the College for her creations.
- Picture frames with all the 2024 Year 7 students at the Year 7 Information Evening – created by the students.
- The brand new electronic sign was erected to much excitement from the students seeing it craned into place during recess. I would like to say we specifically organised for the sign to be erected during Education Week purposely linked to 'Make', however just a coincidence.

Motivate:

- Senior Campus students coming to the Junior Campus for magic tricks! – Plenty of students motivated to create their own.
- I think we were all motivated to give our mother's a great day on Sunday after the beautiful breakfast on Friday organised by the Parents & Friends Association... thank you to all involved in this special event.

It has been an enormous two weeks at the College, and we are very appreciative of all the students, staff and families for their support in showcasing the school. Finally, we wish all the Year 3/4 students the best time on their camp to Grampians Retreat next week.

Mr Xavier Davis, Principal

CALENDAR OF EVENTS

Wk 5	Monday 22 nd – Wednesday 24 th May	Year 3/4 Camp to Grampians Retreat <i>See Compass for details</i>
	Monday 22 nd May	Sporting Schools: Football/Netball at the Junior Campus 3.15pm – 4.30pm
	Tuesday 23 rd May	Year 5/6 Tri-Sports <i>Camperdown College Sport Precinct</i>
	Thursday 25 th May	Senior Campus Transition Visit Session 1/2 Science & Robotics
Wk 6	Monday 29 th May	Year 9 Try A Career Day <i>South West TAFE in Warrnambool</i>
	Monday 29 th May	GWR Cross Country <i>Warrnambool</i>
	Monday 29 th May	Year 3 – 6 Cross Country <i>Warrnambool</i>
	Monday 29 th May	Sporting Schools: Football/Netball at the Junior Campus 3.15pm – 4.30pm
	Wednesday 31 st May – Friday 2 nd June	Year 5/6 Camp: The Ranch <i>See Compass for details</i>
	Thursday 1 st June	Junior Football and Netball Year 7/8 Students
	Friday 2 nd June	Social Awareness and Teamwork Challenge <i>VM Students in Melbourne CBD</i>
Wk 7	Monday 5 th – Friday 9 th June	Year 10/11 Exams
	Monday 5 th June	Sporting Schools: Football/Netball at the Junior Campus 3.15pm – 4.30pm
	Wednesday 7 th June	Prep – Year 2 Excursion <i>Wilfrid Gordon McDonald Partridge @ Lighthouse Theatre</i>
	Wednesday 7 th June	Parents & Friends Meeting <i>Junior Campus Staff Room from 7pm</i>
Wk 8	Monday 12th June	King's Birthday Public Holiday Students in Prep – Year 12 are not required at school
	Tuesday 13 th – Thursday 15 th June	Year 3/4 Camp to Camp Angahook <i>See Compass for details</i>
	Tuesday 13 th June	Senior Campus Transition Visit Session 1/2 Physical Education & Art
	Wednesday 14 th June	School Council Meeting <i>Junior Campus from 7pm</i>
Wk 9	Monday 19 th June	Sporting Schools: Football/Netball at the Junior Campus 3.15pm – 4.30pm
	Tuesday 20th June	Annie Jnr AG Daws Hall from 7.30pm
	Wednesday 21st June	Annie Jnr AG Daws Hall from 1.30pm and 7.30pm

Year 7 Transition:

The Year 7 Information Evening was a wonderful opportunity to showcase our teaching and learning program, facilities, staff and amazing students. The focus of the evening was that Year 7 in 2024 will be an opportunity for students to showcase their best and to reinforce this message, students had their photos taken holding signs about what they would like to showcase. This culminated in making a photo frame from plastic and wood to hold their photo.

Current Year 7 students confidently conducted subject specific activities. They did a wonderful job and proved to be wonderful ambassadors for the College. Special mention must go to Year 12 students who lead tours and conducted the photo booth. Our students certainly shone and made us very proud.

The next part of the transition program commences next week with the series of taster sessions scheduled.

Term 2	Date	Session/Time	Subject
Week 5 Junior Campus students will walk with their class teacher to the Senior Campus	Thursday 25 th May	Session 1/2 9am – 10.40am	Science Ms Black Robotics Mr Ambrose
Week 8 Junior Campus students will walk with their class teacher to the Senior Campus	Tuesday 13 th June	Session 1/2 9am – 10.40am	Physical Education Mr Geary Art Mrs Adams
Term 3			
Week 2 Junior Campus students will be dismissed from the Senior Campus.	Thursday 20 th July	Session 5/6 1.35pm – 3.15pm	History/Geography Mrs Taylor Product & Design Mr Attrill
Week 4 Junior Campus students will be dismissed from the Senior Campus	Thursday 3 rd August	Session 5/6 1.40pm – 3.15pm	Food Technology Mrs Wood English Ms Jubb

Police Youth Resource Officer:

John Keates, Police Youth Resource Officer, spoke to Year 7/8 students this week about how to stay safe online. He discussed simple strategies that students could use to help keep themselves, friends and family members cyber safe. He was impressed with the knowledge that students conveyed about how they already keep themselves safe when playing games online or when on social media sites by following these guidelines:

- Blocking unwanted players/comments
- Telling a trusted adult when they have an issue
- Only playing/connecting with people they know
- Being role models online
- Not sharing or storing inappropriate images online

The following acronym was shared to remind students how to stay safe online:

C: Communicate (Tell a trusted adult when something isn't right)

Y: You (It's your Cyber world, don't let it control you)

B: Balance (Have balance in your life, sleep, exercise, good nutrition, other hobbies)

E: Education (Keep your Cyber knowledge up to date)

R: Respect (If you don't respect others online, you're really not respecting yourself)

R: Reputation (Your online activity can become what people think of you)

R: Resume (Your online activity leaves a digital footprint that can be seen by anyone)

Students were encouraged to look at the safety commission website which has excellent information and strategies to deal with cyber safety. I would highly recommend parents/guardians access this site as well.

Interschool Sport:

HSSDA Athletics:

We are still waiting on confirmation of which students have made it through to the GWR Athletics later in the year or which school won the carnival. Since my last report on this event, we have been made aware that Quinn Clark won the 800m and 1500m events. Well done Quinn on this great effort.

Netball and Football:

Year 9/10 students competed against local schools in boys' netball and girls' football. Year 9/10 girls won the overall competition which is a first for the College!

State Schools Golf Championship:

Thomas Baker has qualified for the Under 18 State Schools Golf Championship. Thomas will play at Gardener's Run next Friday and we wish him every success.

State Lawn Bowls:

Congratulations to Kona Kerr, Isaac Winsall and Jacob Brown in qualifying once again to the Under 18 State Lawn Bowls Championship. The boys faced stiff opposition on the day and only missed making the grand final by a narrow margin. Thanks to Kathryn Robertson for coaching the team and to Glenn Winsall for his support on the day.

Greater Western Region Cross Country:

Seventeen students have qualified to represent our division in the Greater Western Region Cross on Monday 29th May. We wish them every success at this level.

Ballarat Art Gallery Excursion:

Year 9/10 students who study one of the art based electives travelled to Ballarat to visit the Art Gallery last week. The students were able to develop their analytical skills and understand how to appreciate pieces of art.

Pat Cronin Foundation:

Year 9/10 students have participated in a workshop conducted by the Pat Cronin Foundation. This foundation was set up by the Cronin family after their nineteen year old son was killed by a one punch attack. The workshop entitled *Be Wise* empowered students to be aware of the situations they find themselves in, call out violent behaviour and to understand the long term impacts of violence.

Science Experiences Sponsored by Camperdown Rotary Club:

Pat Robertson from Camperdown Rotary met with Year 9/10 students last week to encourage them to apply for some science based residential programs that the **club** is willing to sponsor students to attend. The following opportunities are available:

- RMIT, Melbourne: 4th – 6th July (Nanotechnology)
- Swinburne University: 28th – 30th June (STEM)
- KIOSC, Wantrina: 10th – 11th August (Forensic Science)
- University of Melbourne: 22nd – 24th January (Chemistry)
- University of Melbourne Dookie Campus: 29th November – 1st December (Agriculture)

It would be a wonderful opportunity for students and we are hoping that some will take this up.

Emma Stenhouse, Artist in Residence:

Students have enjoyed the opportunity to work with artist in residence, Emma Stenhouse over the course of this week. Small groups of Year 7 – 9 students have participated in a workshop learning about iconography and how to use nature as inspiration for artworks. In addition, the Year 9 School for Student Leadership students from 2022 have had the opportunity to finally conduct their Community Learning Project. Working with Emma, they have produced the most amazing mural that depicts our local landscape using different Aboriginal art techniques.

Annie Jnr:

The students have been busy rehearsing for Annie Jnr. Tickets are currently on sale. We are hoping that you will be able to make it to see our stars in action towards the end of term.

Ms Vicki Angus, Senior Campus Assistant Principal

JUNIOR CAMPUS NEWS

Education Week:

This week, we celebrated Education Week at the Junior Campus. From Monday to today, many opportunities to explore the theme *Active Learners: Move, Make, Motivate*, were available to our students, with the highlights for many being our three open mornings. On Monday and today, we welcomed a large number of our local kindergarten families who experienced some wonderful Prep teaching and learning before enjoying a tour of the Junior Campus. On Wednesday, all doors were open to our families who took up the opportunity to spend time in classrooms experiencing the joy that comes with learning.

Throughout this week, we were so fortunate to have Indigenous artist, Emma Stenhouse, as an artist in residence. Starting her days at the Junior Campus, Emma worked with many students exploring indigenous art and the story these artworks share, before supporting our students to communicate their own story through a connection with nature and storytelling through art. Emma then worked very closely with a small group of our Year 6 leaders to develop a mural telling our local environmental story which will take pride of place in our building and in a digitised version in our playground. We can't thank Emma enough for the care, enthusiasm and talent she has shared with our students this week.

Our Prep students, our should I say, our Prep doctors and nurses, cared for their teddy bears yesterday as part of a Teddy Bear Hospital visit. Medical students from Deakin University made our students become more familiar with medical procedures by using teddy bears as patients. Taking temperatures, applying bandages and having a needle were activities students' prized teddies experienced with the aim of reducing anxiety and worry for our students.

Every lunchtime session this week, we had activities to promote 'moving, making and motivation'. Many of our Senior Campus students demonstrated their skills of solving Rubik's cubes, performing magic tricks and an array of card tricks. We welcomed Hanna from Fleming Fitness to run fitness activities which proved to be a big hit on the basketball court, and Mr Osborne ran a very popular karaoke session with students yesterday. A big thank you to Mrs Murphy for her support in organising these activities for our students. Education Week is always such a highlight for our students, and this year didn't disappoint.

Caring ~ Excellence – Honesty – Respect - Responsibility

District and Division Cross Country Carnivals:

Last Friday, we had nine students qualify for the Division Cross Country Carnival, due to their performance at the District Cross Country Carnival in Noorat. Congratulations to Reagan Webb, who finished 1st in her age group, Callen McLachlan, who finished 3rd, Charlie Unwin, who finished 3rd and Zoe Unwin, who finished 3rd along with Abey McLachlan, Crawford Dunn, Max Rahles-Rahbula, Sydney Walsh, Michael Benallack and Noah Boyd who qualified for the Division Cross Country Carnival held today in Warrnambool. We are looking forward to sharing the results from today's competition with the school community.

Cooking at the Uniting Church:

Our small Year 3/4 cooking group were involved in another cooking session at the Uniting Church on Tuesday. The students made pinwheels, sausage rolls and hedgehog with some church volunteers and then thoroughly enjoyed their creations for lunch. This wonderful opportunity has been made possible by the Uniting Church and we thank them for involving our students in this opportunity again this term.

Sounds-Write Open Mornings:

In the coming weeks, we will be opening the doors to many school staff from both local schools and schools a little further afield. As a Sounds-Write Training School, many schools looking to introduce phonics teaching, or staff that are looking to perfect their skills, have registered to come and spend the day at Camperdown College. Running across two separate days, our staff and students will be enjoying this opportunity and recognition of the fantastic phonics teaching here at Camperdown College.

Division Athletics

On Friday 5th May, we had five students compete in the Division Athletics in Warrnambool. Students competed strongly with the following results achieved. Well done to these very talented athletes:

Chloe Castle – 3rd Shot Put

Phillipa Murphy – 3rd 200m/5th Long Jump

Charlie Unwin – 3rd Triple Jump/10th 1500m

Zoe Unwin – 4th 1500m/5th 800m

Crawford Dunn – 5th 100m heat

Jack Bourke was unfortunately unable to compete on the day due to injury. Congratulations also to Madeline Neilson, Zhai Deposoy and Reagan Webb who also qualified for this level of competition but didn't compete on the day.

Camps to the Grampians Retreat – Year 3/4 and Year 5/6:

Our Year 3/4 students will be heading to the Grampian Retreat camp this coming Monday 22nd May – Wednesday 24th May. Recently attended by our Year 5/6 students, we are sure our Year 3/4 students will have just as much fun completing many activities in the beautiful bushland at Dunkeld. We can't wait to hear about their adventures.

Our Year 5/6 students had a lovely time at this venue only a couple of weeks ago, with the owners of this camp venue contacting the school to share that our students were one of the most respectable, kind and well-behaved student groups they have ever had attend the camp. We love receiving this feedback and thank the staff that attended for making this such a successful experience.

Year 5/6 Tri-Sports

A reminder our Year 5/6 students are involved in Tri-Sports (football, netball or soccer) next Tuesday 23rd May at the Camperdown College Sporting Precinct (Frederick Street).

Jacinta Tolland, Junior Campus Assistant Principal

Donate a Can

With the cost of living rising, Australia's most vulnerable are facing unprecedented challenges.

On behalf of Camperdown College and the VM students we are asking for your support and generosity to donate a can of food.

With all the donations we receive, we will donate them all to the Salvation Army to help struggling individuals and families.

Can donation ideas:

- Tomato soup
- Baked beans
- Tuna
- Spaghetti
- Cup soup

Any enquires please let Ruby or Logan know from Camperdown College.

BioLAB

VICTORIAN BIOSCIENCE
EDUCATION CENTRE

Year 11/12 PE students travelled to Geelong Biolab on Monday 8th May to participate in a program called Metabolic Madness. Students gained an understanding of the role of the cardiovascular, respiratory and energy systems and how the body makes adaptations during exercise. Lucas completed a VO2Max test and the rest undertook blood pressure, lung capacity and body temperature testing. It was a valuable experience for students to make real life links in regard to their learning. We also had a quick look at Deakin University, with a focus on the exercise and sports science programs.

Brock Stephens, Charli Hewish, Thomas Baker and Ebony Pearce, Year 12 PE Students

Champions on the Green

Last Tuesday, Jacob Brown, Kona Kerr and Isaac Winsall travelled to Sunbury Bowling Club to represent Camperdown College in the Victorian State Lawn Bowls Title. The boys competed against Fitzroy High School, McKinnon Secondary College and Rutherglen High School.

The boys started the day with an 8-4 loss to Rutherglen and had their backs against the wall. They then met Fitzroy High School in a closely contested match with both teams plying valuable bowls each end, we held the lead going into the last end with Fitzroy's skipper moving our bowl for them to claim a 3 and winning the match 8-6. Coming into the last round, the boys only had to win the match by 2 shots to make it into the semi finals and have an opportunity to compete for back-to-back state titles, it wasn't to be with McKinnon's skipper playing some consistent bowls under pressure to claim back the lead in the last 2 ends.

It was exciting to see the level of competition improve immensely, and the boys should be very proud of their efforts to represent our College for the third year in a row at the State titles, they already have fire in their bellies to return next year and conquer.

Kyabram P-12 College defeated Fitzroy High School in the final 12-11. Thank you to Glen Winsall who accompanied us on the road trip to Sunbury.

Kathryn Robertson
Lawn Bowling Enthusiast

JUNIOR CAMPUS COMMUNICATION SENT HOME TO PARENTS THIS FORTNIGHT:

J18 | Prep Parent Information

SENIOR CAMPUS COMMUNICATION SENT HOME TO PARENTS THIS FORTNIGHT:

No communications were sent home at the Senior Campus this fortnight.

Even the torrential rain could not dampen our spirits in the Year 5/6 cohort as we embarked on our three day camp to the Grampians. During our first activity, students were put through their paces as we tackled the challenging hike up the Picaninny Trail. The effort was well worth it, as the rain cleared, and we were greeted by a magnificent view at the top.

The afternoon, and following days were filled with fast paced, adrenaline rising activities. The crowd favourite was definitely the giant swing, with many delighted screams echoing throughout the bush. Another highlight was our *Minute to Win It* games night, where all students participated in a range of testing challenges to win points for their team.

Each night was topped off with group shout outs, shining positive recognition on students who displayed our Camperdown College school values throughout the day. It was wonderful to hear students recognising their peers' efforts.

All students should be extremely proud of how they represented our College, with many camp staff commenting on their wonderful manners, and inclusiveness of all. Thank you to Sal, Simon and Dianne for attending and helping our students enjoy a terrific camp experience.

MOTHER'S DAY BREAKFAST & STALL

Thanks to the hardworking Parents & Friends Association, Camperdown College students were able to invite their mothers, grandmothers and special people along to school on Friday morning 12th May, for a Mother's Day Breakfast. Bacon and egg sandwiches, fresh fruit and yoghurt, cereal, juice and of course tea and coffee, were on offer for all to share. The building was abuzz with families enjoying the morning together, complete with tablecloths, centrepieces and breakfast table conversation!

After the Mother's Day Breakfast, Prep – Year 6 students were given the opportunity to purchase a gift from the Mother's Day Stall to give to their mum, grandmother or special person on Mother's Day.

A huge thank you needs to the following people for all of the coordination that goes into the Mother's Day Breakfast and Stall:

Sheree Horspole	Roger Horspole
James Christensen	Clayton Horspole
Paula Regan	Claire Kempton
Chrissy Fleming	Kellie Kempton
Marni Teal	Mel Donnelly
Kristy Clarke	Jocelyn Clark
Matt Clark	Caroline Christensen
Julie Tune	Sarah Merrett
Kylea Dickson	Justine Jones
Jarrold Bell	

Our students are extremely lucky to be able to benefit from the selflessness of our parent volunteers.

BERRY STREET EDUCATION MODEL

Curriculum and Classroom Strategies

WELCOME CIRCLES

A peak into Welcome Circles @ the Junior Campus

Over the term, classes at the Junior Campus have continued to start their day with a *Welcome Circle* as a part of their morning routine. Students have become accustomed with the *Welcome Circles* and they have enjoyed building close connections with their peers in an environment that promotes a sense of belonging and a space where students feel recognised and valued.

Take a peak at what we do....

Greetings:

We sit in a circle with our class, roll the ball to each other and saying hello or good morning.

Campbell Horspole

Values:

We say the school value of the week and then we talk about what we could do to show it in our classroom or the playground.

Isla Bredin

Expectations:

We choose a behaviour focus that we need to work on and our teacher asks us what it means and we have to explain what it would look like.

Kensie Austin-Ruff

Our specialist

staff begin their lessons with a positive primer and finish with a 'what went well?' reflection.

Announcements:

We can share announcements or special things with our class. It could be people's birthdays or if we were getting a new dog. We also read the bulletin and go through our class schedule.

Bentley Currell

What Went Well?

We share something with our class that went really well for us. We reflect on how other people did and if we worked together as a team.

Billie Cuttler

Positive Primers:

It is an activity that makes you feel warm and fuzzy.

Dirk Evans

Welcome Circles @ the Senior Campus

This year at the Senior Campus we have introduced Homegroups. Homegroups run four mornings a week from 8.50am – 9am and are an opportunity for Homegroup teachers and Year Level Coordinators to facilitate *Welcome Circles* with our secondary students. Our Senior Campus *Welcome Circles* follow the same structure as our Junior Campus family. They start with a greeting, spotlight a College value every week that is relevant to the dynamics of each cohort at any particular time before moving to expected behaviours which are linked to our learning attributes and are a great way for students to work with their most recent progress reports and set and monitor goals around maintaining or raising their GPA for the next cycle. Announcements and need to know information is then shared within each class and finally, if time permits, students finish off with a Positive Primer activity and a What Went Well or What Am I Looking Forward To Today. Students also get the opportunity to experience Positive Primers and What Went Wels throughout lessons during each day. Homegroup *Welcome Circles* have been a wonderful addition to our Senior Campus schedule in 2023, providing each cohort with the regular opportunity to foster a safe and fun learning environment and start each school day in a welcoming and positive way.

Victoria Kerr & Lucy Jubb
Berry Street Leaders

JUNIOR CAMPUS SPORT & PE

AFL Clinic:

Students from Prep – Year 6 have been very fortunate to have had access to the AFL Sporting Schools program over the past few weeks. This has been delivered through PE lessons. The aim of the program was to introduce students to Australian Football through fun, engaging and challenging games and activities that are suited and adapted for a range of age groups and skill levels.

We also had the opportunity for our Year 5/6 Tri-Sports team to have an extra training session in preparation for Tri-Sports coming up.

District Cross Country:

The District Cross Country was run in perfect conditions last Friday in Noorat. Camperdown College had 42 students representing our school and all students ran their race with determination, perseverance and gave their absolute all.

We were fortunate enough to have nine students qualify for the Division Cross Country that was held in Warrnambool at the Reid Oval today, Friday 19th May. Camperdown College came in 3rd overall for the day. A huge congratulations to ALL students who participated on the day. Your school community is very proud of you.

The following students have qualified for Division level:

- Crawford Dunn- 9/10 Years
- Zoe Unwin- 9/10 Years
- Sydney Walsh- 11 Years
- Max Rahles-Rahbula- 11 Years
- Reagan Webb- 11 Years
- Charlie Unwin- 12/13 Years
- Noah Boyd- 12/13 Years
- Michael Benallack- 12/13 Years
- Abey McLachlan- 12/13 Years

Kim Wines, Prep – Year 6 Sport Coordinator

SSV Division Athletics Carnival:

Six of our students made their way to Brauerander Sporting Complex in Warrnambool on Friday 5th May to represent Camperdown College in the Division Track and Field Athletics. The day was wet, cold, and windy; however, this did not deter the fantastic day our students had. The competition from other schools in South West Victoria was of a very high standard and our students were competitive in all their events. Congratulations to Jack Bourke, Crawford Dunn, Phillipa Murphy, Zoe Unwin, Chloe Castle, and Charlie Unwin for competing on the day. Some of the results for the day were:

- Zoe Unwin: 5th in 800m and 4th in 1500m
- Phillipa Murphy: 4th in Long Jump and 3rd in 200m sprint
- Charlie Unwin: 3rd in Triple Jump and 5th in 800m
- Crawford Dunn: 5th in 100m Heat
- Chloe Castle: 3rd in Shot Put

A huge thank you for the wonderful parents that came along for the day.

Kim Wines,
Prep – Year 6 Sport Coordinator

Caring ~ Excellence – Honesty – Respect - Responsibility

Senior Campus SPORT

HSSSD Cross Country

On Monday 8th May, the HSSSD Cross Country was held at the Camperdown College Sports Precinct. Camperdown College had 37 students participate with 18 finishing inside the top 10 of their age group and progressing through to the GWR Cross Country on Monday 29th May. Those students going through are. Riley Stephenson, Isaac Winsall, Ruby Kempton, Hannah Stevens, Taj Cunningham, Lily Maskell, Shelby Cameron, Stella Horsepole, Will Haigh, Oliver Clark, Georgie Osborne, Patrick Spokes, Shelby Mahony, Matilda Narik, Philippa Kempton, Max Thomson, Quinn Clark and Chloe Anderson. Special mention to Quinn Clark and Riley Stephenson who were awarded age group champion. Well done and good luck to all students involved!

Simon Baker, Year 7 – 12 Sport Coordinator

Girls Football/Boys Netball

Last Friday 12th May, our Junior and Intermediate girls and boys played their Football and Netball at the Camperdown College Sports Precinct. All students had a great time in sunny conditions and represented the school with pride. The intermediate girls won their section on the day which was a great result.

Simon Baker, Year 7 – 12 Sport Coordinator

IDAHOBIT Day at the Senior Campus

The SRC sold killer pythons at lunchtime on Wednesday 17th May to raise awareness for IDAHOBIT Day. This is an important day that shows that our school stands up for inclusion and diversity and welcomes everyone.

Rachel Mann, SRC Coordinator

THE GOOD ENOUGH INITIATIVE

JR COACHING

Did you know that out of 15,000+ Australian students in Year 7 – 9 who were surveyed by Resilient Youth Australia, 38% of them don't feel good about themselves?

Sadly this number only increases the older they get. In Year 10, 48% of students surveyed don't feel good about themselves. And in Year 11 – 12, that grew again to 50%.

The Good Enough Initiative is a program that provides tomorrow's leaders a head start around building confidence and leading with certainty. Helping them to stop playing small, to stop hiding, be comfortable in their own skin and truly own who they are and what they are capable of, so they can get to where they want to be in their job and career and in turn, make a difference in the world. To walk forward with confidence and embrace who they are.

Our Year 9/10 students recently had the chance to take part in this program and their feedback is as follows:

I learnt a lot of great things about my mindset and attitude towards myself. I really liked the incorporation of our phones and the food they provided us with. Finn

I liked how enthusiastic Jane was. She tried to get everyone involved and answer questions and get out of there comfort zones. Monique

I learned some interesting stuff about my emotions. Lewis

I really like that we got to write a quote that we could have a picture of on our phone so that we could remember what is important. Bayleigh

I thought it was really good. It helped me come up with some strategies to help me when I think down on myself. Jada

The Good Enough initiative was helpful in learning how to view ourselves in a positive light, and being able to set reasonable goals for ourselves. *Harrison*

Kathryn Robertson, Student Wellbeing Officer

CAMPERDOWN BOOK SWAP

Year 11 VM students, Alex Waterfall and Riley Stephenson are setting up a COMMUNITY BOOK SWAP and needing any unwanted/spare books for any age group. Any donations can be taken to the SENIOR CAMPUS OFFICE.
