Camperdown College students, staff and families participated proudly and respectfully in the town's ANZAC March and commemorative service on Monday.

Senior students Ellen Emery and Molly Helmore helped to lead the March as New Zealand and Australian flag bearers, while Senior School Captain Sarah Blackley and Junior School Captains Mirryn Ellerton and Harrison Bennett played formal roles in the service and wreath laying. Education Support staff member Bill McGann had the honour of singing the national anthem and we were most impressed by his talents. Thank you to the many students from both campuses who marched proudly with the College, continuing a long standing tradition.

Cherie Kilpatrick, Principal
From the Principal’s Desk...

April 2016 marks the end of my fourth year as Principal of Camperdown College. This time has passed quickly but it is satisfying to reflect on what our school community has achieved during this time. It has been enormously satisfying to work with our dedicated School Council to refresh and improve the grounds and buildings in which our students learn and play. This work continues and 2016 will be another busy year with regards to refurbishment and redevelopment as we now turn our attention to the Junior Campus playground.

More significantly though, it has been an honour and privilege to get to know the students, staff and families who make up this wonderful school, and to learn about their talents and aspirations. The children who were tiny Prep when I commenced in 2012 are now big kids in Year 4 and the Year 6 students who at that stage were completing their primary education in the Wilson Street Active Learning Centre are now laying foundations for their final years of schooling. Our current Year 12 group were lively Year 8s!

I have learnt a great deal about the role our College can and must play in building a sense of community and pride. Individual entrusted to our care; and the important function we perform in building a sense of community and pride. Two recent events have reaffirmed this for me.

On Saturday, a strong turnout of past students who had commenced in Form I at Camperdown High School in 1971 toured their school, now Camperdown College, as part of a reunion weekend. The stories they shared were testimony to the relationships that were forged and memories that were made during these formative years. In the 1970’s the school of course catered for a much larger population and student management practices, teaching styles and even canteen menus reflected the values of the time! Participants reminisced enthusiastically while also noting how much has changed over time. The facilities available to our students today, including the state of the art Food Technology Centre, were much admired. As the proud provider of state education to the young people of Camperdown and surrounds, the school has played, and continues to play, a crucial role in shaping the district’s history and future.

The large number of students from the College who participated in the town ANZAC March on Monday was another compelling reminder of school and community connectedness and pride. This was clearly an important occasion for many students and families; an opportunity to pay respect to the casualties and veterans of war but also to proudly represent the school.

The Camperdown College Open Night on Wednesday 18th May will provide us all with an opportunity to celebrate what is special about our school. The Open Night will commence in the Senior Campus Library where we will introduce our school community to our digital management system, COMPASS, that will streamline communication to and from school and strengthen our home – school partnership. We hope that many students, families and interested members of the community will join us for this important occasion and enjoy the activities on offer at each campus.

Ms Cherie Kilpatrick
Principal

</table>
Congratulations:
Kurt McDonald has been selected as a member of the Australian Junior Elite Triathlon team that will compete in the World Championships in Mexico in September. This is an absolute honour for Kurt and testimony to his outstanding skills and work ethic. Unfortunately, due to Year 12 study commitments at this time of year Kurt will not be taking up the invitation. On the bright side, Kurt can still compete at this level for the next two years so future world championships will still be a possibility. Well done Kurt!

ANZAC March:
Our campus was very well represented at the ANZAC March on Monday. SRC President Molly Helmore led the parade carrying the Australian flag alongside Year 11 student Ellen Emery who carried the New Zealand flag. This year was the first time that the New Zealand flag had been included in the parade. School Captain Sarah Blackley presented a reading and laid a wreath on behalf of the Senior Campus.

Year 11 Camp:
Year 11 students arrived back at school today eager to share their experiences from the two day driving course at Charlton. The students participated in theory and practical sessions and all learned a great deal about being safe and responsible drivers. All students showed improved skills behind the wheel over the course of the two days through experiencing different weather and road conditions. The students camped at the local caravan park and enjoyed the warm weather conditions. Thank you to Mr McKenzie and Mrs Maskell for providing the students with this wonderful opportunity.

NAPLAN:
Year 7 and 9 students will complete NAPLAN testing on the Tuesday 10th – Thursday 12th May. It is important that all students are at school for these tests. However, if students miss the tests due to illness, a catch up session will be provided.

Schools Outreach Day – Federation University:
Year 10/11 students participated in some activities conducted by students and staff from Federation University as part of their careers’ program last week. It was wonderful to see past School Captain, Jarrod Esh, presenting with the team and sharing his post schooling experiences. The activities centred around breaking down the barriers about university education.

Damage to School:
Students and staff were saddened to return to school after the ANZAC Day holiday to discover the senseless damage to our campus. Rubbish bins were upended, pots broken and many windows were shattered and broken as the result of the actions of heartless criminals. Police are currently investigating, if you have any information that may assist please notify the police.

Student Survey:
Students in Year 7 – 12 have completed the annual Attitudes to School Survey this week. The results from this survey provide us with valuable data on students’ views of their wellbeing, teaching and learning, and school in general, to support school improvement.

Vicki Angus, Senior Campus Assistant Principal

Junior Campus News

ANZAC Day Service:
We had a strong contingent of smartly dressed students turn out for the ANZAC Day March and Ceremony on Monday. Our Junior School Captains, Mirryn and Harrison, joined our Senior School Captain in laying wreaths. Thank you to the families who supported this day of commemoration.

Year 5/6 Golf Clinics:
We are very fortunate each year to be offered golf clinics for our Year 5/6 students. These are conducted by golf professional Tony Collier, who runs a very enjoyable session which sees students going from never having hit a golf ball to being able to drive them across the oval. Selected students will partake in an interschool golf tournament later in the term.

New Students:
This week we welcomed two new families into our College community. Melissa Clark has transitioned from Melton South Primary School into Year 3/4D. The Atkinson family, Saphire (Prep), Rickey (Year 3/4A) and Jerome (Year 5/6B) have joined us from Warrnambool West Primary School. We look forward to getting to know you and your families and hope you enjoy your time at Camperdown College.

Attitudes to School Survey:
This week, our Year 5/6 students completed the Attitudes to School Survey. This survey assists schools to gain an understanding of students’ perceptions and their experience of school. The survey provides schools with valuable data on students’ views of their wellbeing, school in general and teaching and learning. All of our students participated in the survey with a great level of responsibility and purpose and we thank them for that.

Mother’s Day:
Our annual Mother’s Day Breakfast and Stall is just around the corner. Our Parents & Friends will provide a cooked breakfast, honouring our wonderful mums on Friday 6th May. To assist with catering, please complete the slip included in this newsletter. Hope to see all our wonderful mothers there.

Division Track and Field:
Last Wednesday, Declan Tickner competed in high jump at the Division competition in Warrnambool. Declan represented our College with great pride, coming fifth overall on a count back, clearing 1.25m. Great effort Declan!
Cross Country/Jump Rope for Heart:
Mr Attirill is in the process of organising our annual Prep – Year 6 House Cross Country/Jump Rope for Heart. The event will be held next Friday 6th May. If you can assist Mr Attirill with marshalling, starting or any other duties on the day, please contact him at school.

NAPLAN:
NAPLAN tests are just around the corner. The dates for NAPLAN (National Assessment Program – Literacy and Numeracy) this year are Tuesday 10th, Wednesday 11th and Thursday 12th May and will involve all of our Year 3 and 5 students.

NAPLAN is the measure through which governments, education authorities, schools, teachers and parents can determine whether or not young Australians are meeting important educational outcomes in Literacy and Numeracy. The tests provide parents and schools with an understanding of how individual students are performing at the time of the tests. They also provide schools, states and territories with information about how educational programs are working and which areas need to be prioritised for improvement. NAPLAN tests are one aspect of the school’s assessment and reporting process and do not replace the extensive, ongoing assessments made by teachers about each student’s performance. If you have any questions about the NAPLAN tests, please visit http://www.nap.edu.au or speak with your child’s classroom teacher.

Staffing:
We would like to welcome Dom Adlam to our Junior Campus staff. Dom has been employed as an Educational Support staff member and will be working predominantly with the Year 5/6 students. Welcome Dom!

Clare Monk, Junior Campus Assistant Principal

Camperdown College Uniform Shop opening hours:
Wednesdays from 3.15pm – 4.00pm
Fridays from 8.30am – 9.15am and 3.15pm – 4.00pm
With exception of new families, we are unable to open the Uniform Shop outside of these hours. We thank you for your understanding.

Camperdown College Policies

As part of the regular cycle of policy review, School Council is presently reviewing the Supervision of Students and Care Arrangements for Ill Children at School policies and would welcome your feedback. You will find these policies on the College website (www.camperdowncoll.vic.edu.au) and also our Skoolbag App or it can be collected from either campus office.

You are welcome to read the policy and contribute feedback by either writing it onto the document and returning it to either campus office, or by emailing your feedback to (camperdown.co@edumail.vic.gov.au) with the policy name as the subject. The Policy sub-committee will collect and consider all feedback prior to making recommendations to School Council.

Please submit your feedback by tomorrow, Friday 29th April.

Senior Campus Working Bee
A Working Bee is being held this Saturday 30th April from 9am – 12noon at the Senior Campus to tidy up the area around the tennis courts and hall. Please bring shovels, wheelbarrows, gardening gloves, secateurs etc. Will involve some determined removal of agapanthus plants!
Compass Launch
Meet in the Senior Campus Library at 5.30pm to learn about our new school – home communication system that will enable you to check attendance, log absences, approve excursions and view student progress with the click of a button.

Senior Campus tours available
Senior Campus staff will be on hand to give guided tours around our secondary campus.

Health Promoting Schools & Cyber Safety Displays

Light Refreshments in the Food Technology Centre

Junior Campus Open Classrooms
You are invited to visit the Junior Campus at 6.30pm and take part in a different activity in each classroom.

All activities will be based on the 2016 Education Week theme Technology. Create Your Future.

To conclude a fun filled evening, make your way to the BER Building at 7.30pm.
Don’t forget to keep saving those 5c pieces. Every one counts!
The Prep students recently enjoyed their treat of popcorn and slushies after raising $144.30 and being awarded Term 1 5c Kings.
Can you save enough to help your class win this indulgence for Term 2?

The navy sport polo shirts are back in stock!
Please contact the Uniform Shop at the Senior Campus during opening hours if you need to purchase some.

The canteen is in need of volunteers during the following times and days:
- Wednesdays and Thursdays from 10.30am – 12.30pm and
- Fridays from 10.15am – 1.15pm
If you are available during these times, once a week, fortnight or term, we’d love to hear from you!
Please contact Amy at the Junior Campus.

Calling for parent helpers…

The canteen is in need of volunteers during the following times and days:
- Wednesdays and Thursdays from 10.30am – 12.30pm and
- Fridays from 10.15am – 1.15pm
If you are available during these times, once a week, fortnight or term, we’d love to hear from you!
Please contact Amy at the Junior Campus.

Soup of the Week:
Pumpkin $2.50
With dinner roll $3.00
(Potato & Leek soup available from Wednesday 4th May)

On: Friday 6th May
In: the BER building
At: the Junior Campus
From: 7.30am – 8.30am
All mother’s/special people are invited to attend with their children.
Bacon and egg sandwiches, cereal, juice, fruit, yoghurt, tea and coffee will be available for $4.00 per head.
Please note that breakfast will not be served after 8.30am.

To assist with catering, please indicate how many people will be attending:

Excellence ~ Respect ~ Responsibility ~ Caring ~ Honesty
**Excellence ~ Respect ~ Responsibility ~ Caring ~ Honesty**

During the first two weeks of this term, students in Year 5/6 enjoyed the opportunity to develop their golf skills, as they participated in the clinics run by Golf Professional Tony Collier. Tony guided the students through many basic skills including how to hold the club, the correct stance and how to swing with accuracy. It was great to see that all of our students enjoyed these clinics and certainly improved their golf skills.

Later this term, a number of our students will have the opportunity to play in an Interschool Golf Tournament in Terang. We now look forward to this event.

Graeme Bennett
Year 5/6 Teacher

---

The Year 5/6 students have gotten off to a flying start in Design Creativity & Technology (DCT) this term. DCT is a diverse subject that encompasses Systems, Technology, Engineering and Mathematics (STEM) along with many aspects of design, production and evaluation. With the aim to expose the students to lots of exciting aspects of DCT, it’s been fantastic to have the opportunity to deliver a course at the Junior Campus.

This term, the students have already completed a session on product analysis from a designer’s point of view and a graphic communication session. We had a ball learning to draw 3D shapes with special technology specific stencils – the only ones in Australia at the moment! The eager students are enjoying the challenges and over the next few weeks they will investigate design a little further, explore the safe operation of hand and power tools and begin construction of a small Indonesian themed desk calendar.

Ben McKenzie, DCT Teacher

---

**SRC Pink Stumps Day**

A very successful SRC Pink Stumps Day!

Following a delicious fundraising lunch of hot dogs and Clarke’s party pies (our sincere thanks to Clarke’s Pies for their generous donation) a highly skilled cricket match took place between Year 11/12 students and staff. It was the closest of matches where staff and students displayed some fine talent and the result was deemed a draw.

The SRC were extremely pleased with the day and felt it was a great way to finish Term 1. All proceeds will be donated to the McGrath Foundation who do amazing work researching to combat breast cancer and also providing breast care nurses.

The SRC would like to thank the staff and students for making this such a wonderful event.

Suzanne Charles & SRC

---

**Year 5/6 Golf Clinics**

During the first two weeks of this term, students in Year 5/6 enjoyed the opportunity to develop their golf skills, as they participated in the clinics run by Golf Professional Tony Collier.

Tony guided the students through many basic skills including how to hold the club, the correct stance and how to swing with accuracy. It was great to see that all of our students enjoyed these clinics and certainly improved their golf skills.

Later this term, a number of our students will have the opportunity to play in an Interschool Golf Tournament in Terang. We now look forward to this event.

Graeme Bennett
Year 5/6 Teacher

Don’t forget to bring in your Dollarmites bank books each Monday!
If you are interested in opening a Commonwealth Dollarmite account, please contact Amy in the Junior Campus Office.
Jump Rope For Heart Launch

Last Tuesday, students at the Junior Campus launched Jump Rope for Heart 2016!

During the launch, Katie from Jump Rope for Heart presented the program to our students before demonstrating some skipping tricks that inspired the whole group. After the presentation, Year 3/4 students practiced these new tricks with the guidance of Katie and had an immense amount of fun.

Please don’t forget to continue fundraising as the money raised goes to a good cause and the benefits students get from being active are a huge plus.

Warren Attrill
Prep – Year 6 Sport Coordinator

Hi Kids!
Thanks for joining your schools Jump Rope for Heart team. Together, we can have fun and help others.

Your school Jump Off day is coming up soon so get skipping. Simply ask family and friends to help you raise money for a great cause!

It’s fun!

HSSSA Athletics

The HSSSA Athletics were held on Wednesday 13th April at the Frederick Street Sporting Complex. Approximately thirty secondary students represented Camperdown College on the day and we saw some pleasing results. Thanks to the large number of students who participated, Camperdown College won the handicap shield which is a fantastic achievement!

Well done to all students who gave it their all on the day with a special mention going to Devon Coates and Olivia Henzen who won age group champion for their respective age groups. Olivia also broke numerous records on the day, which is an outstanding effort. Thank you to all staff who helped out, and once again our Parents & Friends Association who put on another successful barbeque for the event.

Ashleigh Bloomfield, Year 7 – 12 Sport Coordinator

Devon Coates and Molly Helmore

Past teacher Les Anderson and the Form 1 students of 1971 revisit the Woodwork room on a reunion tour on Saturday 23rd April.
CAMPERDOWN COLLEGE – CAREER NEWS
No 3

1. VCE AND CAREERS EXPO 2016 REMINDER –
This annual event is coming up VERY soon. It’s a great opportunity to start collecting information and to talk with representatives from a wide range of education providers. It is thoroughly recommended for student in Years 10-12. Hopefully Year 12 students have already done a lot of career research and they will find Open Days at institutions particularly useful as well. Universities, TAFE and training providers will be at the EXPO, along with GAP year and study advisers. 
When: Thurs 5 – Sun 8 May; Where: Caulfield Racecourse; Admissions: $10 and $25 per family; Information: www.vceandcareers.com.au.

2. WHY RESEARCH CAREERS? Researching ideas for careers and training while at school is becoming increasingly important. With automation of many jobs developing rapidly, many unskilled jobs (and some skilled jobs as well) are rapidly disappearing. A willingness to obtain qualifications and to re-train when necessary will be VITAL for a young person’s future. It is believed that at least Certificate III level qualifications (preferably higher) will be essential to obtain on-going work (ie Certificate IV, Diplomas, Advanced Diplomas and Degrees).
Resilience, determination, and education will be essential to remain in employment.

Remember too, the importance of Science, Technology, Engineering and Maths (STEM) careers. These are some of the areas offering growth and opportunity in employment. Research shows that 75% of the fastest-growing occupations now require STEM skills, so we must build a workforce of tech-savvy future employees. Digital literacy is vital for everyone. The digital revolution has led to many new jobs and new ones will develop that we have never begun to think of.

An excellent website to check out is www.joboutlook.gov.au. Here you will find details of what jobs involve, average salaries, and, perhaps more importantly, the likelihood of employment growth in that job.

3. ‘FOCUS ON MELBOURNE’ SEMINAR DATES –
These seminars provide a great opportunity for you to check out University of Melbourne courses and careers. The series continues with:
• 19 May – Focus on Biomedicine
• 24 May – Focus on Agriculture
• 25 May – Focus on Information Technology
• 31 May – Focus on Science

4. DREAMING OF FLYING? Discover how you can make it happen at the Lilydale Flying School by attending the Flying School Open Day. Speak with pilots and instructors and discover career and recreation pathways in Aviation. You can find out about career pathways including air traffic control, air force and commercial pilot applications. Also included will be a BBQ, tours, speakers, displays, a women pilots forum, and competitions. When: 12 noon – 4pm, Sat 30 April; Where: 13 Macintyre Lane, Yering. Info: www.yarravalleyaviation.com.au, info@yarravalleyaviation.com.au, Ph. 0418310587.

5. CONNECT WITH DEAKIN AT MELBOURNE KNOWLEDGE WEEK – The Faculty of Science, Engineering and Built Environment at Deakin University is hosting a number of free events during Knowledge Week – See: www.melbourne.vic.gov.au/knowledgeweek for details of events and bookings. Some are in the city in school time, but parents may be interested to attend as well:
• Building Startups the Silicon Valley Way, at Deakin Edge (Federation Square), 6.30-8pm 2 May, Free – book online
• Virtual Reality Lounge – MKW Festival Hub, 1000 Pound Bend, 361 Little Collins St, Melbourne, 10am-10pm, 2 May – 8 May; free, book online or drop in
• Life in the Cyber-Physical World, MKW Festival Hub, 6-7pm, 5 May; Free, book online
• Seven Billion Reasons for Staying Cybersmart and Cybersafe – MKW Festival Hub, 12.10-12.55pm, 5 May; Free, book online
• Girls in Stem; Making it Happen – Deakin City Centre, Level 3, 550 Bourke St; 1-3.30pm, 5 May; Free, book online.

More information on Deakin events: sebeknw@deakin.edu.au.

6. SO YOU WANT TO BE A GRAPHIC DESIGNER –
Graphic Designers make visual communications for reproduction in print and electronic media (newspapers, books, magazines and websites). They also develop images for corporate use and advertising.
Qualifications can be gained from VET (TAFE) providers and at university. Many TAFEs offer Diplomas in Graphic Design (eg RMIT, Box Hill, Swinburne, Vic Uni) as do private providers like the Academy of Design Australia and Tractor Design. University Graphic Design courses are often called Bachelor of Communication Design. These are offered at Monash, RMIT and Swinburne universities. At Deakin, the course is called the Bachelor of Creative Arts (Visual Communication Design).
The 2016 AFL season is off to a flying start and the Camperdown College Footy Tipping Competition is quite exciting as there is not a lot of difference between all entrants. Keep up the good tipping!

1. Simon Tolland 32  
2. Levi Coote 32  
3. Michelle Norton 31  
4. Finn Tolland 31  
5. Chrissy Fleming 31  
6. Lachie Stephenson 30  
7. Grant Fleming 29  
8. Amy Stephenson 29  
9. Dave Wilkinson 29  
10. Fletcher Tolland 27  
11. Sam Tolland 27  
12. Zoe Wilkinson 26  
13. Riley Stephenson 26  
14. Robbie Fleming 25  
15. Kellie Kempton 24  
16. Jacinta Tolland 22  
17. Isaac Coote 18  
18. Chase Fleming 17

15th April 2016: Toby Herron, Lewis Regan, Ruby Walsh, Amali Ingham, Mercy Rothman and Ceejay Frith.

22nd April 2016: Saxxon Pearce, Taylor Bernaldo, Tess Gronbeck, Dylan Robertson, Nalani Blanchette, Keira Johnston and Elisha Boyd.

Do you have some spare time during the winter school holidays? Why not volunteer at this year’s Fun4Kids Festival – Sunday 26 June to Saturday 2 July 2016? Sign up now for one or more days and be part of the wonderful Fun4Kids Festival volunteer FUN CREW. Secondary School Students who wish to volunteer must be 14 years of age or over at the start of this year’s Festival.

There is a variety of workshop areas in which to volunteer – art and craft areas, archaeology, animation, painting, scrapbooking & collage, ten pin bowling, cooking, face painting, craft or science and nature! Rosters are flexible and you will receive a t-shirt and lunch on your volunteer day!

If you would like to register you can visit the website http://www.fun4kids.com.au/volunteers and follow the prompts for Secondary School Students or contact Stephanie Hargreaves, Events & Promotions Coordinator on 03 5559 4834 or shargreaves@warrnambool.vic.gov.au for a registration pack to be sent out via mail.
Health Promotion Update – Healthy Students Learn Better!

Camperdown College is working towards becoming a health promoting school. We have registered to be involved with the Achievement Program, which is a Healthy Together Victoria initiative which was jointly developed by the Department of Health and Department of Education and Early Childhood Development.

The school environment can influence children and young people's health and wellbeing, which has an impact on learning and development, including numeracy and literacy outcomes. The Achievement Program provides a framework and supporting resources to help coordinate existing and new activities using a whole-school approach to promote the health and wellbeing of students. It's not just for students; it also supports the health and wellbeing of staff, and engages families and the wider community too.

The program involves eight key health priority areas: Healthy Eating and Oral Health, Physical Activity, Mental Health and Wellbeing, Tobacco Control, Sun Protection, Safe Environments, Alcohol and Other Drug Use and Sexual Health and Wellbeing.

Your input would be greatly appreciated. Please help us to identify priority areas for Camperdown College by completing the survey at https://www.surveymonkey.com/r/VF8HMG9

In the coming weeks there will be more information available and we can’t wait to get started on creating a healthy school community. If you have any further questions, please contact Angela Brown or Claire Blackstock at the College or Nikita Wheaton (Health Promotion Officer) at Manifold Place on 5557 0919.
Photographic Competition and Exhibition

1st August 2015 to 31st May 2016
A Guilfoyle Garden: Guests and Greenery
A project to celebrate 150th anniversary of the Warrnambool Botanic Gardens

A REMINDER TO ALL LOCAL SCHOOLS

The Friends of Warrnambool Botanic Gardens photographic competition is closing on May 31st.

Entry to this competition is free and there are good prizes to be won. This is an ideal opportunity for classes to get involved in a community activity with links to curriculum.

Competition details and entry forms are available on the website:
www.wbgardens.com.au

Spotlight on Social Media

Grappling with the day to day workings of your child’s online world? Not sure what the basics are, how to use parental controls or how hashtags work?

Check out https://www.esafety.gov.au/education-resources/parent-resources for lots of educational videos relating to:
- Dealing with cyberbullying/impacts
- Online safety/privacy controls
- Protecting children from inappropriate online content
- Protecting children from online predators
- Amount of time spend online & finding an online/offline balance
- Using parental controls

MHFA courses can provide members of the community with:
- Skills in how to recognise the signs and symptoms of mental health problems;
- Knowledge of the possible causes or risk factors for these mental health problems;
- Awareness of the available local medical, psychological and alternative treatments available;
- Skills in how to give appropriate initial help and support someone experiencing a mental health problem;
- Skills in how to take appropriate action if a crisis situation arises involving suicidal behaviour, panic attack, stress reaction to trauma, overdose or threatening psychotic behaviour.

Places are limited. Please RSVP to Lismore Community Health on 5558 3000 by Friday 29th April.

Cobden & Districts Community Bank® Branch and Camperdown branch

CAMPBELL COMMUNITY CONTRIBUTION AWARD
C. C. A. RWARD

As part of the Bank’s 10th anniversary celebrations, it is holding this award. The Bank will also celebrate with a dinner on Fri June 17 at the Cobden Sports Club. Contact Gary Kimber on 0439 079 098. For the Award simply nominate a male or female who you believe has made a significant contribution to the community.

Camperdown Botanic Gardens and Arboretum

Questionnaire

As part of the preparation of a Conservation Management Plan for the Camperdown Botanic Gardens and Arboretum, we seek your views as members of the community. Please feel free to answer as many or as few of the questions below as you wish. Additional sheets of paper can be attached if necessary.

These questions relate to the Camperdown Botanic Gardens and Arboretum. This place, which is registered on the Victorian Heritage Register, incorporates the Camperdown Botanic Gardens enclosure (3 acres) and the surrounding Arboretum, part of which is currently leased for grazing and to the Lakes and Craters Holiday Park.

What is special to you about the place known as the Camperdown Botanic Gardens and Arboretum?

Do you have a favourite place in the reserve?

What activities do you enjoy participating in at the reserve?

Do you have any memories of the Gardens or Public Park that you would like to share? This may be a part of the reserve that has changed or an event/activity/use of the site that was significant to you. Feel free to discuss aspects/elements of the site that no longer survive.

What is your vision for the future of the Camperdown Botanic Gardens and Arboretum?
How do you regard the current use of the site?

How, in your opinion, should the Botanic Gardens be maintained?

How, in your opinion, should the Botanic Gardens be developed?

How, in your opinion, should the caravan park be maintained and/or developed?

Do you have any concerns or issues you would like to comment on about the way in which the Camperdown Botanic Gardens and Arboretum is managed?

What are your aspirations for the future development of the reserve as a whole?

If you would like to speak to one of the Context team about your feedback, or if you have historical information to contribute to the project, please provide your name and contact details below (there is no need to provide your details if you do not wish to be contacted).

Please return this questionnaire prior to Friday the 29th of April. Either drop it in to Council or email to planning@corangamite.vic.gov.au

Thank you for your assistance!
