Last Friday provided us with perfect conditions for our annual Prep – Year 6 Cross Country Carnival. All students did a magnificent job running the new course, that was held at the Frederick Street Sporting Complex.

Whilst students were completing their events, Jump Rope for Heart was taking place on the netball courts. Students skipped along to music, showed their speed in the speed skipping section and got together with friends for the long rope skipping. All students enjoyed the day and were exceptionally well behaved. Thanks to all parents who were able to help out, we could not have done it without you!

Warren Attrill, Prep-Year 6 Sport Coordinator
From the Principal’s Desk...

A strong partnership between school and home is known to be a very important factor contributing to students’ learning and wellbeing. To support this partnership and provide further opportunities for parents to be involved in their children’s education, Camperdown College will shortly be giving parents access to our online management system called Compass. A key aim is to improve the frequency and quality of feedback about your child’s learning.

Teachers are already using Compass to mark rolls each lesson and to record details of upcoming school events and excursions. Parents will shortly be provided with access and will be able to use the parent portal to:

- View up-to-date class and school attendance information
- Approve or enter upcoming or past absences for your son/daughter
- Download, print and approve upcoming excursions
- Update your registered email address and mobile phone number
- Access information regarding upcoming events and news
- Access your child’s reports.

Later this year you will also be able to see the following information on Compass:

- Learning cycles your child is presently working on
- Regular feedback about your child’s learning attributes (such as persistence, behaviour, preparation and organisation)
- Regular feedback about your child’s achievement

The information provided to you through Compass will gradually take the place of the traditional end of semester report, although parents will still receive a summary report mid-year and at the end of each school year.

We will shortly be sending home an online service agreement and consent form for parents to sign and return, which is the first step in us creating a parent account for you. Once your consent form has been returned, log on details will be provided and you can begin to use Compass. Please look out for this documentation and make contact with myself or the campus Assistant Principal if you have any questions or concerns.

Our Education Week Open Night next Wednesday 18th May will commence at 5.30pm in the Senior Campus Library with an introduction to Compass. We are looking forward to talking with you about how Compass can enhance the school – home partnership and streamline communication. I hope many of you are able to attend and stay on for refreshments, Senior Campus tours and Junior Campus open classrooms.

In facilities news, our Parents & Friends are presently planning for the installation of the first pieces of new playground equipment at the Junior Campus, as progress towards the $30,000 fundraising target has been excellent. The Grounds and Buildings committee is also considering designs and costsings for an undercover area to provide wet weather play space. At the Senior Campus, demolition work has now been completed with the removal of the third and final portable building last weekend. Signage for the Grimwade Library has been commissioned and we hope to have the first stage of this completed by Open Night. See you there!

Ms Cherie Kilpatrick
Principal

Our Mission: Camperdown College will provide exemplary teaching and learning programs within excellent facilities which foster school pride, aspiration and persistence to achieve high levels of learning for all students.
Examination Timetable:
All Year 10/11 students will be sitting their exams commencing Monday 30\textsuperscript{th} May. Students have received a copy of their timetable.

Year 10 Careers Camp:
Year 10 students enjoyed their Careers Camp. The students mastered the art of ice skating with lots of thrills and spills along the way. They enjoyed riding the Melbourne Star and taking in the sites of the city and wharf areas. The Salvation Army tour opened the students’ eyes as to the hardships that some people face. Highlights were looking through the coaches and corporate boxes at Etihad Stadium, seeing Mick Malthouse who was filming a segment for Foxtel and also seeing John Jarratt (star of Wolf Creek) and having their photographs taken with him at Federation Square. The Careers Expo provided the students with lots of sound career advice and they enjoyed collecting lots of giveaways such as pens, earphones and pamphlets. Students also managed to navigate their way around the public transport system and find their way to three different suburbs in small groups.

Thank you to Ben McKenzie and Fiona Crowle for accompanying the students on this camp and to Miss Jubb for the organisation of the camp.

Education Week:
Next week is Education Week. On Wednesday 18\textsuperscript{th} May, we will be celebrating the launch of Compass, our new home – school communication system from 5.30pm in the Senior Campus Library. The Junior Campus will then be open from 6.30pm to host an array of activities based on this year’s theme \textit{Technology, Create your Future}. It is hoped that many families will drop by the Senior Campus to look at the new facilities and join in a light meal prior enjoying the activities on offer at the Junior Campus.

NAPLAN:
The National Assessment Program Literacy and Numeracy (NAPLAN) tests for students in Year 7 and 9 were conducted this week. For the writing component, students had to write a persuasive piece titled \textit{Simply the Best} based on the best movie, television show or performance they had seen.

Fiddlers Busy:
Congratulations to Fiddle Fingers (Tim Fagan, Jordan Watson, Jack Leonard-Pekin and Otto Leonard-Pekin) who have been performing a number of gigs throughout the south west. They recently performed at Music in Mortlake and Fifteen Minutes of Fame at Crossley. They are currently gearing up for the Robbie Burns Festival. It is always a delight to hear them rehearsing at school with Mrs Pugh with the vibrant sound reverberating down the corridors.

Junior Netball and Football:
An enthusiastic bunch of Year 7 – 9 students participated in the interschool netball and football competition at Terang last week. Coached by Miss Bloomfield, the netballers made it to the grand final which was a fantastic achievement going down to MRC in a tightly contested battle. The boys also had a great day out, showed continual improvement throughout the day and responded well to the sage advice of coach, Ian Gordon. Annabel Lucas and Nicholas Jones helped out with scoring and umpiring and are to be applauded for their efforts. Thanks must go to Ian for giving up his time to coach the team and to Miss McLennan for helping out.

Cross Country:
Due to wet conditions, the Cross Country was postponed last week. The event will be held tomorrow afternoon.

GAT:
Students studying Year 12 subjects have received a pamphlet about the GAT (General Achievement Test) which will be conducted on Tuesday 7\textsuperscript{th} June. There is important information for students to be aware of in relation to permitted materials, timing and format of the tests. Closer to the date we will conduct an information/practice session for students.

Congratulations:
Congratulations to Lauren McIlveen who entered an essay in the 2016 Vietnam Veterans War History Competition late last term. Lauren has been notified that she has been included in a panel of students from which the final student tour group for the overseas study tour to Vietnam in September will be chosen. This is a fantastic achievement considering lots of entries were received. We wish Lauren all the best when she attends the student panel at the Melbourne Shrine of Remembrance Education Centre later this month to participate in a team building and ice breaker workshop. Following the workshop, the final student tour group will be selected by the competition assessment panel who will be present during the workshop, and students will be advised of the results. Special thanks must go to Mrs Charles for mentoring Lauren for this competition.

Vicki Angus, Senior Campus Assistant Principal

Mother’s Day:
What a wonderful morning it was last Friday as we celebrated Mother’s Day. Our hardworking Parents & Friends Association put on a beautiful Mother’s Day Breakfast for our students and their families to enjoy. It was an exceptional turn-out of people on the day and an enjoyable time was had by all. Later on the same day, students in Prep – Year 6 were once again given the opportunity to purchase a gift to give to their mum, grandmother or special person on Mother’s Day. Well done and thank you to the team of parents and friends who willingly devote their time and energy for the benefit of our school community.
Education Week:
Next week is Education Week and a time for us to appreciate all those who contribute to a child's development, learning and life. Educators are not only teachers; every parent, grandparent, sibling and community member contributes to the learning of our children. Please come and help us celebrate our wonderful school next Wednesday 18th May.

In the morning from 9.00am – 10.00am, all kindergarten parents are invited to see the Prep room in action, meet the teaching staff, gain an understanding of the current Prep reading program and have a tour of both the classroom and Junior Campus.

Our Open Night commences at the Senior Campus at 5.30pm where we will be launching Compass, our new home – school communication system and serving light refreshments. All families are then encouraged to make their way to the Junior Campus and wander through our classrooms. Each room will showcase student learning and visitors will have the opportunity to participate in structured activities based on this year’s Education Week theme Technology. Create your Future. Hope to see you all there!

Prep – Year 6 Cross Country:
What perfect weather we had last Friday for our annual Cross Country/Jump Rope for Heart event. As the sun shone, all students in Prep – Year 6 made their way around the new course at Frederick Street. The tennis courts were bustling with students keen to showcase their skipping skills as part of our Jump Rope for Heart fundraiser. Congratulations to all students who participated in this event. It was great weather for spectators and competitors alike. It was fantastic to see the support and encouragement the students gave to each other. Congratulations to the Manifold house who were the overall winners on the day. Thanks must go to Mr Attrill for his organisation of the event and to all parents and grandparents who came along to offer their support to the children.

Special Welcome:
This week we have welcomed two new students to our Camperdown College community! We welcome Amelia Gili to Year 2 and Mackenzie Borland to Year 4. We are delighted to welcome you both the Junior Campus and wish you a long and successful educational journey.

NAPLAN:
The National Assessment Program Literacy and Numeracy (NAPLAN) tests for students in Year 3 and 5 were conducted this week. For the writing component, students had to write a narrative titled Imagine. Students were asked to imagine if a character found an object that made something amazing happen. It was pleasing to see the students’ creativity and the use of VCOP elements in their stories. The reports on each student’s achievements in these tests will be provided to parents later in the year.

Pupil Free Day:
School Council has identified Friday 10th June as a Pupil Free Day for reporting and assessment purposes. There is no school on this day. Please be advised that this adjoins the Queen’s Birthday long weekend.

Clare Monk
Junior Campus Assistant Principal

Senior Campus Working Bee
A determined band of volunteers attended our Senior Campus Working Bee on Saturday 30th April, removing old agapanthus plants and replanting and mulching the garden area along the south side of the AG Daws Hall. The tennis courts and surrounding garden area also had a tidy up, with surplus rocks and loose debris removed.

Thank you to Jane Bennett, Fiona and Russell Fagan, Kellie Kempton, Kim Helmore, Dave Wilkinson, Fiona Crowle and Cherie Kilpatrick. Our next working bee will take place at the Junior Campus and will focus on the playground area.

Watch this space!

Cherie Kilpatrick, Principal
Compass Launch
Meet in the Senior Campus Library at 5.30pm to learn about our new school – home communication system that will enable you to check attendance, log absences, approve excursions and view student progress with the click of a button.

Senior Campus tours available
Senior Campus staff will be on hand to give guided tours around our secondary campus.

Health Promoting Schools & Cyber Safety Displays

Light Refreshments in the Food Technology Centre

Junior Campus Open Classrooms
You are invited to visit the Junior Campus at 6.30pm and take part in a different activity in each classroom.

All activities will be based on the 2016 Education Week theme Technology. Create Your Future.

To conclude a fun filled evening, make your way to the BER Building at 7.30pm.
Prep – Year 6 Cross Country Winners

Congratulations to the Manifold house for achieving the most points throughout the day and winning this year’s Cross Country shield and also to following students who were awarded a medallion for coming first across the line in their age group at last Friday’s Prep – Year 6 Cross Country:

Prep: Amy Prout and Hudson Roney
Year 1: Philippa Kempton and Fletcher Tolland
Year 2: Archie McLachlan-James and Jordan Kempton
8/9 year old: Stella Horspole and Finn Tolland
10 year old: Ruby Kempton and Jacob Carter
11 year old: Eagan Winsall and Dylan Robertson
12 year old: Eve Britton and Declan Tickner

Warren Attrill, Prep – Year 6 Sport Coordinator

Keys Please

THE FIRST STEP INTO THE DRIVER’S SEAT

Keys Please is a short, 50 minute session aimed at helping you, the learner driver, enjoy the learning-to-drive experience, pass your licence tests and become a safe and competent driver. At the same time, it will help your supervising drivers (parents, older brothers/sisters, uncles, aunts, whoever) tackle their role with confidence while avoiding the stress that can sometimes be a part of it.

Learning to drive should be a fun, exciting time – not a scary or dull chore. We’ll show you how to make the most of it. Even though it’s during the school day, parents are encouraged to join us.

Year 10 students will be attending in the Senior Campus Library
On Tuesday 17th May at 9.00am

Thank you Camperdown CWA

Thanks so much Country Women’s Association!

On Tuesday, a very big thank you was given to a number of representatives from the Camperdown branch of the Country Women’s Association (CWA) by the youngest members of our College – our Prep students. Earlier this year, ladies from the CWA provided our Prep students with thirty chair bags for use within the Prep classroom. Each chair bag had been measured, assembled and sewed by ladies from the Camperdown branch with the finished product kindly donated to our school for use by our very appreciative Prep students.

On Tuesday, students were able to personally say thank you to the ladies who visited the classroom to see the chair bags in their new home. Students were excited to share how much they loved them and what they were storing in them. The Prep students presented the ladies with a class photo, chocolates, a card and flowers. A very special thank you was also given to Bev Arnold who was pivotal to the project and the time and effort she put into making the chair bags was greatly appreciated. Camperdown College staff then provided morning tea for the ladies as a show of thanks on behalf of our College’s community.

Jacinta Tolland and Kim Clark, Prep Teachers
Thanks to the hardworking Parents & Friends Association, Camperdown College students were able to invite their mothers, grandmothers and special people along to school on Friday morning 6th May, for a Mother’s Day Breakfast.

Bacon and egg sandwiches, fresh fruit and yoghurt, cereal, juice and of course tea and coffee, were on offer for all to share. The building was abuzz with families enjoying the morning together, complete with tablecloths, centrepieces and breakfast table conversation!

Cherie Kilpatrick, Principal

---

**Calling for parent helpers...**

The canteen is in need of volunteers during the following times and days:

- **Wednesdays and Thursdays** from 10.30am – 12.30pm
- **Fridays** from 10.15am – 1.15pm

If you are available during these times, once a week, fortnight or term, we’d love to hear from you!

Please contact Amy at the Junior Campus.

---

**Soup of the Week:**

Chicken & Corn $2.50
With dinner roll $3.00

(vegetable soup available from Wednesday 18th May)

---

**Mother’s Day Stall**

After the Mother’s Day Breakfast, Prep – Year 6 students were given the opportunity to purchase a gift from the Mother’s Day Stall to give to their mum, grandmother or special person on Mother’s Day.

A huge thank you needs to go to our Parents & Friends Association for all of the coordination that goes into the Mother’s Day Breakfast and Stall. Our students are extremely lucky to be able to benefit from this selfless group of parents.

---

**Our Course**

**Responsible Service of Alcohol**

This course will be held at Camperdown College’s Senior Campus on Tuesday 14th June.

**Time:** 3.45pm to 7.45pm
**Cost:** $80

If you are interested, please contact Nakeea Parlour via email at camperdown.co@edumail.vic.gov.au or Sue Maskell at the Senior Campus on 5593 1617.

---

Excellence ~ Respect ~ Responsibility ~ Caring ~ Honesty
**Year 9/10 Drama Elective Emersion Day**

On 21st April, Year 9/10 Drama elective students travelled to Melbourne for a day of emersion in the Performing Arts. The day started early with a sleepy trip on the train followed by our first activity *Creating Radio Ads* at The Channel, the educational section of the Melbourne Performing Arts Centre. The students worked on scripting, creating character voices and recording their ads with fantastic results. We discovered some budding DJ’s in our group!

After a relaxed lunch people watching in the PAC forecourt, we made our way to the Melbourne Theatre Company production *Peddling* at the Southbank Theatre. *Peddling* is a powerful and innovative solo performance supported by an incredible percussive accompaniment that tells the story of one youth’s journey into homelessness and his search to find the truth. This was a fabulous opportunity for our students to experience something different. To conclude the day, we were given a guided tour of the PAC theatre areas. Again, it was interesting to see the different theatre environments and to hear about how they are used. Going to the VIP lounge area was a major highlight for the day!

We were fortunate to receive funding through Melbourne Theatre Company and the First Call fund via the PAC. This allowed our students to participate in such a valuable day of experiences without the restriction of having to pay for the cost of travel and workshops.

Annette Timilsina, Year 9/10 Drama Teacher

---

**Year 11 Charlton Camp**

For the second year running, Year 11 students were given the opportunity to attend the Charlton Driving School in Charlton. On Tuesday 26th and Wednesday 27th April, Sue Maskell and I took an eager bunch of drivers to the school where they were instructed in all aspects of safe driving. Topics covered included general operation of the car, passing, hill starts, parking, night driving and alcohol and drug safety.

The eighteen students were then split up for their individual driving instruction and theory sessions. The students swapped between driving and theory every forty-five minutes, so there was plenty of time behind the wheel. The course ran over two days including a night drive and was delivered by highly experienced staff. The weather was perfect for camping and we enjoyed local hospitality at the East Charlton Hotel where we ate dinner.

Students from both last year and this year praised the content of the course and highly recommend it to next year’s students. We have already booked it!

Ben McKenzie, Year 11/12 VCAL

---

Ever wondered about what a collection of words about a topic might look like as a picture?

Our Prep – Year 2 students have recently been exploring the idea of *brainstorming* as preparation for story writing. They’ve had lots and lots of great ideas to share on too many topics to mention here and have learned how to turn them into *word clouds*.

Try it for yourself at either:

- [www.wordle.net](http://www.wordle.net)
- [www.abcya.com/word_clouds.htm](http://www.abcya.com/word_clouds.htm)

Kim Gration
Digital Technologies Coordinator
**Year 10 Careers Camp**

It was with much excitement that seventeen students and two staff members boarded the train to the *big smoke* last week. Once we arrived in Melbourne, we caught the first of an endless number of trams to the JMC Academy in South Melbourne. Students were introduced to the available courses such as animation, song-writing, audio engineering and musical production. After lunch, we ventured to the Docklands precinct for a trio of activities. First we tested our skills on the ice rink: Mr. McKenzie and I stepping in as Torvill and Dean. Oh, and the students were pretty handy on the ice too! From there we took to the skies aboard the Melbourne Observatory Wheel. Students were able to get a bird’s eye view of the urban sprawl that is Melbourne. Last, but not least was a tour of Etihad Stadium. We were shown around the coaches box, the media room, where the AFL tribunal convenes and took a tentative step onto the fake grass of the boundary line. Unfortunately we could not visit the change rooms as *The Recruit* television program was filming at the time, but seeing Mick Malthouse arriving to the ground offset this! The first day was rounded off with a massive pizza and pasta dinner in Lygon Street.

Thursday morning saw students participate in a Salvation Army tour, which aims to raise awareness of the plight faced by homeless people. Students were tested to see how they would survive on $30 a day. From here we moved onto Caulfield Racecourse where *The Age Careers Expo* was being held. Students were given the opportunity to visit a number of displays to gather information on future career choices and discuss their options. Next on our jam packed camp was a tour of the Victorian Institute of Sport. Kelsey Brown from the Melbourne Vixens led us on the tour of the facilities and answered a number of questions about her training at the VIS before we took another tram ride to Stalactites restaurant for souvlaki and chips. Whilst waiting to go on the *Lantern Ghost Tour* at Federation Square, students were thrilled to see John Jarratt (Wolf Creek) and took the opportunity to have their photo taken with him. Unfortunately we did not see any ghosts but learned about some of Melbourne’s dark past and shady characters. By the time we got back to our accommodation at Melbourne Discovery, everybody was exhausted and slept soundly.

Students were to complete their public transport activity Friday morning and for the first year in quite a while, there were no phone calls from students who had become geographically challenged. After lunch we boarded the train home to Campberdown, which was a very quiet trip indeed! Students always remember the Year 10 Careers Camp as a wonderful experience and reminisce for days afterwards. Once again they are to be congratulated for their conduct on this camp and displaying genuine gratitude to those people who made it possible.

_Fiona Crowle, Year 10 Science Teacher_

---

**Year 1 - 4 Hockey Clinics**

Students in Year 1 – 4 participated in a hockey clinic last week that was run by Hockey Victoria. The students learned lots of important hockey skills and rules. They enjoyed learning how to hold the stick correctly and how to dribble the hockey ball. Everyone loved playing *hocktapus*! It was fantastic to see everyone getting involved and trying something new.

_Claire Tucker, Year 1/2 Teacher_

---

_Do you have some spare time during the winter school holidays? Why not volunteer at this year’s Fun4Kids Festival – Sunday 26 June to Saturday 2 July 2016? Sign up now for one or more days and be part of the wonderful Fun4Kids Festival volunteer FUN CREW. Secondary School Students who wish to volunteer must be 14 years of age or over at the start of this year’s Festival._

There is a variety of workshop areas in which to volunteer – art and craft areas, archaeology, animation, painting, scrapbooking & collage, ten pin bowling, cooking, face painting, craft or science and nature! Rosters are flexible and you will receive a t-shirt and lunch on your volunteer day! If you would like to register you can visit the website [http://www.fun4kids.com.au/volunteers](http://www.fun4kids.com.au/volunteers) and follow the prompts for Secondary School Students or contact Stephanie Hargreaves, Events & Promotions Coordinator on 03 5559 4834 or shargreaves@warrnambool.vic.gov.au for a registration pack to be sent out via mail._
HSSSA Junior Football and Netball

Last Thursday 5th May, Year 7 – 9 students travelled to Terang to compete in the HSSSA Junior Football and Netball round robin. We entered one football team and one Year 8 netball team (pictured left). It was beautiful weather for the football with dry conditions and although unfortunately we didn’t come away with a win, the boys enjoyed a fun day out and were lucky to be coached by Ian Gordon who gave up his time to come to Terang for the day. I would like to say a big thank you to Ian and also Miss McLennan and Nicholas Jones who helped out with the duties of the day.

The netballers had a tremendous day out finishing the day in second place, being defeated by MRC who they went on to play again in the grand final. Although they lost, they put up a very competitive fight with Olivia Maskell shooting very accurately in goals all day. Thank you to Annabel Lucas who also came as a helper on the day.

Overall it was a fun day out and students need to be commended for their participation and behaviour.

Ashleigh Bloomfield, Year 7 – 12 Sport Coordinator

Brainstorm Productions

On Monday 16th May, Brainstorm Productions, Australia’s largest educational touring company, will be presenting the live play, Sticks & Stones for Camperdown College Senior Campus students. Sticks & Stones forms part of our wellbeing curriculum and the program has been developed in consultation with teachers, psychologists, and real-life student experiences. The methodology of the program is safe, supportive and non-judgemental and designed to provide students with positive and useful tools that they can use in their everyday lives.

Seen and enjoyed by more than 1.7 million students and performed by two highly trained actors, Sticks & Stones is a fearless exploration of violence and aggression and its devastating consequences. The actors who, as young role models, genuinely connect with the audience and make it clear that masculinity and violence are NOT one and the same. Major themes explored are Bullying, Cyber Bullying, Ethical Cyber Behaviour, Friendships, Empathy, Co-operation, Resilience, Exclusion, Violence, Domestic Violence and Sexual Harassment.

The performance is followed by an after-show discussion that examines student’s attitudes, challenges stereotypes and aims to break down any pre-conceived ideas about violence being acceptable. Students will explore strategies around aggressive behaviour, resolving conflict and Safe and Ethical Cyber use.

If you would like to know more about Brainstorm Productions, you can visit their website at www.brainstormproductions.edu.au.

Adolescent Health Promotion

junior campus awards

29th April 2016: Jordyn Pillar, Corey Evans, Ian Wilkinson, Finn Tolland, Quinn Clark; Inset: Lilly Waixel.
1. FINDING OUT ABOUT UNIVERSITIES –
Universities provide many opportunities for secondary school students to find out about their facilities and courses, such as Open Days and Experience Days. Some of these are detailed below for you diary. Experience Days are a great way to find out more about an institution you are considering for later study.

- **EXPERIENCE RMIT** – Year 10 – 12 students can attend free events and engage in workshops in a wide range of interest areas, while experiencing life on campus. See: www.rmit.edu.au/experiencedays

- **EXPERIENCE AUSTRALIAN CATHOLIC UNIVERSITY (ACU)** – Sample the degree of your choice and get a taste of life at ACU. You will meet staff and students, get a feel for the campus, learn about industries and careers, and enjoy the campus atmosphere. **When**: Ballarat campus Tues 28 June; Melbourne campus (Fitzroy) Tues 5 July. **Register at**: www.acu.edu.au/uni-experience.

- **EXPERIENCE LA TROBE** – This is another opportunity to find out about a university campus, its courses and careers. You’ll be able to go to workshops, attend lectures, do lab experiments, talk with staff, try different study areas and get advice from experts. You will also be able to tour the campus. **When**: Bendigo campus – 6 July; Melbourne campus 7 July. See: www.latrobe.edu.au/study for details and to book.

2. MORE LA TROBE UNIVERSITY NEWS -
   **PREREQUISITE CHANGES AT LA TROBE UNIVERSITY** – The College of Science, Health and Engineering at La Trobe has recently conducted an audit of course prerequisites and have made changes to the following degrees:
   - Bachelor of Applied Science/Master of Dietetic Practice
   - Bachelor of Applied Science/Master of Occupational Therapy Practice
   - Bachelor of Biological Sciences
   - Bachelor of Biomedical Science
   - Bachelor of Nursing (Pre-registration)
   - Bachelor of Pharmacy (Honours)
   - Bachelor of Science (Wildlife and Conservation Biology)

   Click on the links above to view details of the courses and the new prerequisites.

3. EXPLORING OCCUPATIONAL THERAPY AS A CAREER – You are invited to an information and demonstration evening to hear from Occupational Therapists experienced in spinal rehabilitation, hand therapy, mental health, neurology and oncology. These evenings have proved to be a great opportunity for students/parents to hear from OT’s working in their specialised domains, observe demonstrations, and have questions answered. **When**: 5.00pm Registration, 5.30-8.00pm Presentation and Questions; **Where**: Education Precinct, Level 4 Austin Tower, Austin Hospital, Studley Rd, Heidelberg; **Apply**: ASAP, but by 24 June to keely.zenner@austin.org.au

4. AVIATION FOR WOMEN CONFERENCE
Moorabbin Flying Services in conjunction with the Australian Women Pilots Association are holding a conference aimed at encouraging **teenage girls to take the first step in pursuing a career in the aviation industry**. With a predicted shortage of skilled employees, this is a wonderful opportunity to share your enthusiasm and passion with young women in the industry. **Woman Pilots, Air Traffic Controllers, Aviation Fire Fighters and Cabin Crew** will be in attendance. **When**: 10am-3.30pm, Sat 4 June; **Where**: Ground Theory Centre, 55 Grange Rd, Cheltenham; **Bookings (essential)**: 9580 8822

5. INTERESTED IN THE FASHION INDUSTRY? A speaker at a recent professional development program for career practitioners at Box Hill Institute pointed out that the industry is looking more closely at the impact it has on the environment. More garments use organic cotton, recyclable synthetics, materials offering more durability and which require less washing, and reusing materials, and more man-made fabrics. Fashion designers work as pattern makers, designers, and in product development. **Internships** are often available, and these can lead on to employment.

Under the scheme eligible students receive five bonus aggregate points towards their entry score for admission (see: www.latrobe.edu.au/sport/elite-athlete)

**NOTE**: Other universities offering a similar athletes scheme are ACU (see: www.acu.edu.au/study_at_acu/alternative_entry/elite_athlete_and_performer_program) and Melbourne see: www.futurestudents.unimelb.edu.au/admissions/high_achievers_programs/elite-athletes-and-artistic-performers).
Footy Tipping Competition

The 2016 AFL season is off to a flying start and the Camperdown College Footy Tipping Competition is quite exciting as there is not a lot of difference between all entrants. Keep up the good tipping!

1. Finn Tolland 47 10. Amy Stephenson 41
2. Simon Tolland 47 11. Sam Tolland 37
6. Grant Fleming 43 15. Robbie Fleming 34
8. Fletcher Tolland 42 17. Chase Fleming 26
9. Dave Wilkinson 42

Congratulations to Levi Coote who was awarded Round 5 National Tipper of the Week. He was chosen out of more than 4,500 competitors and won a $50 voucher to the online AFL Store. This is a fabulous achievement, well done Levi.

Top 10 cybersafety tips for parents

1. Create an ‘Acceptable Use Agreement’ for your families. Ensure that children are involved with this process.
2. Set up safe search and security controls with a platform such as ‘OpenDNS’.
3. Insist on all computers, laptops and mobile devices remaining OUTSIDE the bedroom.
4. Lights out = wifi off.
5. Recharge mobile phones and devices outside bedrooms at night.
6. Get involved – show an interest in what your child is doing online.
7. Talk to your child’s teacher/s and school.
8. Don’t threaten to take away your child’s devices – they may force them to become secretive.
9. Learn how various social network services work.
10. Tell children not to respond to any cyberbullying threats or comments online. However, do not delete any of the messages – keep records to verify and prove there is cyberbullying.
