Camperdown College staff were delighted to celebrate Education Week with students, families and special visitors at last Wednesday’s Open Night.

Students are always proud to share their classrooms and learning with family members and we are very appreciative of the support shown by our school community. Our Prep classroom was also opened up to prospective families on Wednesday morning to give kindergarten parents an insight into the early years’ school experience. Congratulations to all students who participated in Education Week activities with such enthusiasm and pride.

Cherie Kilpatrick, Principal
Thank you for your attendance at our Education Week Open Night last Wednesday. Following on from the Compass launch, families have now been mailed out an information package and consent form in order for the school to take the next step of creating parent accounts. Included in the package is an optional survey on student reporting at Camperdown College as we would appreciate a parent perspective on what kind of feedback is most useful and valued.

Please try to return your Compass parent consent forms by tomorrow to enable us to provide you with your parent account and access details next week. Your feedback as we implement Compass across the school and you learn to use the various functions will be valuable. If you notice any discrepancies in your child’s attendance information on Compass, please contact the relevant campus office to ask questions or advise of any changes that may be required.

I am very pleased to announce the recent appointment of Mrs Lisa Guegan-Brown to the Food Technology teaching position at Camperdown College. Previously a chef, Mrs Guegan-Brown brings both industry and teaching experience to the position and we are looking forward to her joining the staff team next semester.

Last Thursday I attended the first meeting of the new Moyne principals’ network in Mortlake. Changed Departmental network boundaries bring the Warrnambool and Corangamite principals together, replacing the previous Warrnambool and Colac Corangamite networks. Next Thursday and Friday I will be at the Bastow Institute in Melbourne attending facilitator training for the Inspire Local Leaders program, which is designed to help increase the number of quality leaders for school leadership roles. I have been invited to assist with the delivery of this program in south west Victoria and it is pleasing to see that aspirant leaders in our local area will have access to this professional learning program. Attracting and retaining applicants for school leadership positions remains a challenge in rural Victoria.

Visitors to the Senior Campus may have noticed new signage pointing to the Grimwade Library. Ian Currell has completed a decorative sign on the corridor wall and will shortly complete signage on the glass panelling above the door itself. A permanent photographic and informative board will be mounted inside the library door to ensure that the history of the Grimwade Memorial Library is conveyed to students.

At the Junior Campus there is great excitement amongst the student body as plans for the installation of new playground equipment are beginning to take shape. Parents & Friends are on track to meet their fundraising target of $30,000 and we are optimistic that with your support, we will see the first pieces of new equipment installed next term. Similarly, our students have embraced the 5c Challenge and are very close to reaching the initial fundraising target of $1,000. So the answer to the question, Can we build a cubby out of 5c pieces? seems to be a very definite, Yes we can! The students appear to be highly motivated to keep on fundraising through the 5c Challenge to build an even bigger and better cubby. Thank you to College families for your enthusiastic support of these projects.

Once all targets are met, there will be many ways in which you can assist with the redevelopment of the Junior Campus yard.

We will be looking for volunteers to assist with the preparation of the site, building of the cubby, repainting of the totem poles, creation of sensory and imaginative play spaces…and lots more!

Ms Cherie Kilpatrick, Principal

HSSSD Cross Country Carnival:
Congratulations to all students who represented the College on Friday at the HSSSD Cross Country Carnival. It was wonderful to see so many of our students participating. Well done to Jack Helmore who won his age group and will represent the region at the next level towards the end of term and to Devon Coates and Olivia Henzen for placing third.

End of Semester Reporting and Exams:
Exams have been prepared for all students in Year 10 and 11. Students have placed the times and dates for each examination in their Organisers. They have been reminded that if they cannot attend an exam that they must produce a medical certificate. The Year 11 exam timetable is:

GAT:
Students studying a Year 12 subject must sit the GAT (General Achievement Test) which will be held in the AG Daws Hall on Tuesday 7th June from 10.10am – 1.15pm. Students are to assemble at the hall by 9.45am. Students will have a late lunch after the GAT and attend periods 5/6 as normal. An information session on how to approach the GAT will be held after school next Tuesday.

Try a Career Day:
Year 9 students will venture to TAFE in Warrnambool as part of their Try a Career Day tomorrow. This is a great opportunity to explore different career pathways that are available. They will have the opportunity to participate in hands on activities, speak to presenters and ask questions about what they might need to do to enter a career that interests them.

Year 9 Rail Trail Camp:
Our Year 9 students enjoyed their two days exploring the Camperdown Timboon Rail Trail. The students rode to Glenfyne and camped the night in tents at the old railway siding. They mastered the art of cooking their evening meal on trangias and had fun playing spotlight tiggy and dodging the wrath of leeches. On the second day, the students walked to Timboon. Thank you to Mr Graton for organising and attending the camp along with Miss Hurrell.

VSSS District Rehearsal:
The second district VSSS rehearsal was conducted in the AG Daws Hall last week. Our group which includes students from Year 7 – 10 are mastering all of the moves and dancing beautifully. Their commitment to lunch time rehearsals is fantastic and displaying dividends.

VCAL Community Meal:
VCAL students prepared the community meal at the Uniting Church last week. Homemade pumpkin soup, sausage rolls, scallop potatoes, fried rice, hedgehog and lemon slice was warmly received by all the participants. Thank you to staff for donating the ingredients for the students to use to make the lunch.

BRICKs:
Building Resilience in Corangamite Kids is a program run by the Corangamite Shire that provides an opportunity for young people to develop their own skills and self-awareness around anxieties, mental/physical health and overall wellbeing. It assists in building on an individual’s capacity to bounce back from a situation and knowledge of how to better manage their own
pressures/choices/expectations. Year 9 students spent the day on Tuesday working through this program under the leadership of Angela Gowans and Angela Brown.

**Sticks and Stones:**
The Sticks and Stones performance organised by Claire Blackstock was enjoyed by students in Year 7 – 10 last week. The students gained further understanding of the impact of bullying, regulating behaviour and responding to bullying.

**Year 6 to 7 Transition:**
On Tuesday 7th June our Year 5/6 students will commence their transition program. Over a number of weeks the students, accompanied by their teachers, will visit the Senior Campus. These visits to the Senior Campus give these students a valuable opportunity to spend time with secondary teaching staff and become familiar with the rooms and facilities. A letter confirming session times and dates has been sent home to families today.

Vicki Angus, Senior Campus Assistant Principal

---

**Junior Campus News**

**Open Night:**
What a fabulous night we had last Wednesday evening as we opened our College doors to celebrate Education Week. This year’s theme of Technology, Create your Future provided the opportunity for students to showcase some of the ways they learn with technology tools to their parents and families.

It was fabulous to see so many of our families wandering around the school participating in the classroom activities ranging from making iPad’s, to creating a narrative text using the program Storybird. To conclude the evening, our Junior Campus School Captains presented a slideshow of our technology program at Camperdown College. Thank you to all those families who attended our evening. We are very proud of all the programs we offer at our College and we are fortunate to have such a dedicated staff to lead our students.

**Year 3 – 6 District Cross Country:**
Congratulations to our Cross Country team who competed at the District Cross Country Carnival in Noorat last Friday. They competed against other students from Simpson, Timboon, Terang, Noorat, Camperdown and Mortlake. All students competed with enthusiasm and it was pleasing to hear the encouragement they offered each other as individuals ran around the course. Well done to Eve Britton, Declan Tickner, Dylan Robertson and Ruby Kempton who have progressed through to divisional level in Warnambool at Victoria Park tomorrow. We wish them the best of luck!

**Simultaneous Storytime:**
Yesterday, all students in Prep – Year 6 participated in National Simultaneous Storytime. Every year, a picture book written and illustrated by an Australian author and illustrator is read simultaneously in libraries, schools, pre-schools, childcare centres, family homes, bookshops and many other places around the country. All students thoroughly enjoyed listening to the 2016 story I Got This Hat. By facilitating National Simultaneous Storytime, we aim to:

- promote the value of reading and literacy;
- promote the value and fun of books;
- promote an Australian writer and publisher.

Thank you to Barb Purcell for coordinating this event.

**Long Service Leave:**
Julie Nelson and Judy Downie are currently on long service leave until Tuesday 14th June. We are very fortunate to have extremely capable relief teachers to step in and fulfill their teaching roles. We welcome Mrs Jan Green in Year 1/2N and Mrs Cilla Condie in Year 3/4D.

**Lunch Boxes:**
We have a policy of no rubbish in the yard which means that students must put all disposable wrapping and containers into a bin before they are allowed to play. This helps to keep our grounds tidy as well as protecting the environment. Parents can help by providing foods for school that are not packaged in disposable wrappers.

**Prep Writing:**
Our Prep students have been practising writing instructional texts as part of their writing program. Enjoy reading How to Catch a Star.

**How to Catch a Star**
First go out at night.
Next hop on the trampoline.
Then jump really high.
Then just hook your fishing rod up to the star.
Hook the star. Wind it in.
Give it a cuddle.

**How to Catch a Star**
First wait until it is out.
Next hop on the trampoline.
Then jump really high.
Then just hook your fishing rod up to the star.
Hook the star.
Wind it in.
Give it a cuddle.

**Communication:**
There may be occasions when your child arrives home and tells you of something which may have occurred during the day at school or whilst travelling to and from school. Any concerns you or your child may have regarding events at school are certainly ours also, but we need to follow correct protocols in addressing them. Your first port of call must always be to contact the Office if you wish to speak with your child’s class teacher. Teachers’ priority at school is teaching and learning and therefore it is not possible for them to speak with you about any issues or concerns whilst they are teaching. Our teachers are the people in the best position to speak to you.

**Excellence ~ Respect ~ Responsibility ~ Caring ~ Honesty**
about any issues as they usually have an understanding of incidents which may or may not have taken place. They also provide a balanced view as there are always two sides to every story. Teachers have management and learning plans in place to ensure best outcomes for the children. They are trained professionals who work hard to ensure the safety and wellbeing of all the children in their care. They are also tertiary trained experts in the delivery of the curriculum and it is incumbent on them to communicate with you regarding the development of your child. I am always available to speak with you; please contact me through the Office, as shared communication results in better outcomes for all.

Clare Monk, Junior Campus Assistant Principal

Camperdown College Uniform Shop opening hours:

- Wednesdays from 3.15pm – 4.00pm
- Fridays from 8.30am – 9.15am and 3.15pm – 4.00pm

With the exception of new families, we are unable to open the Uniform Shop outside of these hours. We thank you for your understanding.

Junior Campus communication sent to parents this week:

- J42 Year 1/2 Australian Animal Dioramas
- J43 Prep – Year 2 Parent Information
- J44 Year 5/6 Sovereign Hill Camp Deposit
- J45 Year 3 – 6 Division Cross Country

Senior Campus communication sent to parents this week:

Pupil Free Days

- **Friday 10th June** – Report Writing Day
- **Monday 13th June** – Queen’s Birthday Public Holiday

No students in Prep – Year 12 are required at school on these days.

Simultaneous Storytime was held yesterday at the Junior Campus. This year’s story was *I Got This Hat*, written by Jol and Kate Temple. The idea of Simultaneous Storytime is that participating Australian schools read the same book at the same time on the same day.

Camperdown College students assembled in the BER building at 9.15am to listen to this story. Students were encouraged to bring their favourite hat to school to wear whilst listening to the story; an array of colourful hats filled the crowd before me as I read the story.

Barbara Purcell
Junior Campus Librarian

STOP PRESS!

Congratulations to Ms Fiona Crowle and students Annabel Lucas and Ellie Walsh for their winning entries in the shortbread competition at the recent Robert Burns Festival.

Suzanne Charles, Food Elective
The First Step Into the Driver’s Seat

On Tuesday 17th May, Year 10 students (and some parents), were involved in a Keys Please session. This session was run by Peter Gstrein from Vic Roads and was an invaluable learning experience for our students as they embark on their journey of becoming fully licensed drivers. The session included a variety of engaging activities and relevant information that highlighted the different driving skills and experiences that a learner needs to master, in order to become a responsible and safe licensed driver ready to navigate our roads. A big thank you must go to Peter Gstrein for running such an informative session and to Vic Roads for running this enlightening program. We hope that the students and parents enjoyed the session and walked out fully equipped to tackle those sometimes testing learner driver experiences.

Lucinda Jubb, Year 9/10 Coordinator

Year 3 – 6 District Cross Country
Last Friday 20th May, forty-six Year 3 – 6 students travelled to Noorat to compete in the Corangamite District Cross Country. All students tried their very best all day, proudly cheered on their friends and peers and were exceptionally well behaved and excellent ambassadors for the College.

We were fortunate to have four students qualify for the Division Cross Country in Warrnambool tomorrow, Friday 27th May. Eve Britton (12 year old girls), Declan Tickner (12 year old boys), Dylan Robertson (11 year old boys) and Ruby Kempton (10 year old girls) will be representing Camperdown College proudly and we wish them all the best.

Thanks to all of the parents who were able to come and cheer on their children, your support is much appreciated.

Warren Attrill, Prep – Year 6 Sport Coordinator

Year 7 – 12 Cross Country
On Friday 13th May, the Year 7 – 12 Cross Country was held at the Frederick Street Sporting Complex. The weather was fine and the afternoon saw some great performances from students. Congratulations must go to the following students who won age group champion:

**Junior:** Amelia Kempton and Charlie Tickner

**Intermediate:** Olivia Henzen and Jack Helmore

**Senior:** Molly Helmore and Devon Coates

The winning house was Manifold who received a score of 167 points. Well done to all students who participated on the day, it was great to see everyone having a go. Thank you to all staff that helped out on the day.

HSSSD Cross Country
Last Friday 20th May was the HSSSD Cross Country which was held at the Frederick Street Sporting Complex. Approximately thirty-five students represented Camperdown College in the event and although conditions were wet and the track was muddy, all participants gave it their best go which was very pleasing to see.

Special mention must go to Jack Helmore (pictured right) who won his age group and Devon Coates and Olivia Henzen who placed third in their respective age groups. We have a number of students who have made it through to the Greater Western Region Cross Country which will be held on Monday 6th June at Victoria Park Reserve. Thank you to the parents who came to support our students on the day and to the Miss McLennan and Miss Hurrell for giving up their time to help staff the event.

Ashleigh Bloomfield, Year 7 – 12 Sport Coordinator

Calling for Parent Helpers...
The canteen is in need of volunteers during the following times and days:

**Wednesdays and Thursdays from 10.30am – 12.30pm and Fridays from 10.15am – 1.15pm**

If you are available during these times, once a week, fortnight or term, we’d love to hear from you!

Please contact Amy at the Junior Campus.
Excellence ~ Respect ~ Responsibility ~ Caring ~ Honesty

Ever tried coding? With the technologies that we have today, even people who are still in school can earn a living from doing so.

Coding is a little like putting LEGO blocks together. Our Year 3 – 6 students have recently started their coding journey. If you’re keen to give it a go, a great place to start is with the Hour of Code.

Try it for yourself at:

https://code.org

Kim Gratton
Digital Technologies Coordinator

Winter Concert – Save the Date:
Families and friends are warmly invited to our Winter Concert on Wednesday 8th June at 7pm in the BER building at the Junior Campus. Our Instrumental Music students will be performing solos and group items and Mr Sharp’s guitar students will be joining us for the first time.

Junior School Band:
The Junior School Band rehearses every Friday at lunchtime in the Library. The Band is made up of violin, recorder and keyboard students and accompanied by students on the xylophone and metellaphone. This semester, they have performed at assembly and will be performing at our Winter Concert.

Senior Ensemble:
Last Saturday, our Senior Ensemble Fiddle Fingers played their celtic tunes at the Robert Burns Scottish Festival outside the Council Offices, adding to the Festival atmosphere. This term they have also performed at various community concerts such as Music in Mortlake, 15 Minutes of Fame at St Bridgit’s in Crossley, the Terang Nexus Concert and the Noorat Presbyterian Celtic Concert as Fiddle Fingers, and with Corangamite Strings, a string orchestra for senior string students from district schools.

Not only has their playing improved, but most importantly, they have shared their love of music with others. A big congratulations to Jordan Watson, Tim Fagan, Otto Leonard-Pekin, Jack Leonard-Pekin and Lewani Bateman for their musical performances!

Fiona Pugh
Instrumental Music Teacher

Music @ Assembly
Congratulations to recorder students, Patrick Spokes, Riley McGillivray and Zach Pillar and violin students, Lila Horspole and Keira Johnston for their first musical performances at the Junior Campus Assembly this term!

Violin students Georgia Walters, Nancy Leonard-Pekin and Bailey McGillivray (pictured left) also performed at assembly and played Stew Pot Hop.

Year 9 Rail Trail Camp
On Tuesday 17th and Wednesday 18th May, ten Year 9/10 students (all completing Duke of Edinburgh certificates and pictured below) tackled the Camperdown Timboon Rail Trail as their practice journey. On the first day, students rode their bikes to Glenfyne before camping in tents at the old Glenfyne station siding. Students revelled in the opportunity to learn about the history of the line and all of the work that has been put in to convert it to a rail trail. In the morning, staff and students concluded the camp by walking into Timboon.

The camp was a huge success with students clearly showing that they had acquired the skills required to pitch a tent, ride a bike, plan a menu, shop for the ingredients, cook on a methylated spirits stove, and most importantly have fun whilst learning and working together in the great outdoors.

Kim Gratton
Year 9 Program Coordinator

Soup of the Week:
Mrs Downie’s Bacon Soup $2.50
With dinner roll $3.00
(Chicken Noodle Soup available from Wednesday 1st June)
Monday 16th May saw our Senior Campus Students treated to the live play *Sticks & Stones* by renowned educational touring company Brainstorm Productions. Two energetic young performers shone a spotlight on negative patterns of behaviour through inappropriate modelling from peers, family members, television and computer games. It examined the link between hormones, adrenalin, the *fight, flight* response and alcohol fuelled violence. The play was punctuated with circus skills to demonstrate co-operation and the use of control through breath, focus and channelling energy into positive pursuits.

The hard hitting narrative explored the different forms of bullying in the playground, in the street and at home. School yard scenarios were used to encourage students to have empathy and understanding around invading people’s personal space, homophobic and racist remarks, domestic violence and intimidation in person or on the internet and explored how these actions are all illegal and have serious consequences.

The play provided students with strategies around conflict resolution, friendships, co-operation, resilience, exclusion, sexual harassment, bullying, cyber bullying and ethical cyber practices, anger management, assertiveness, domestic violence and breaking the cycle of violence.

Feedback from students has been very positive and we are confident that all students have taken away important messages from the play. Further information and support can be found at:

- [www.reachout.com](http://www.reachout.com)

Claire Blackstock, Adolescent Health Promotion

On Thursday 16th June, we will be hosting the mobile *World of Work on Wheels* (WOWOW) bus and Virtual Career Expo Experience. This is an initiative of the Career Education Association of Victoria and the Department of Education and Training. All Senior Campus students will have access to the bus during this day.

On the WOWOW bus, students will undertake a structured lesson on career planning; view an online virtual career expo entitled *Next Steps* and participate in a Samsung Gear Glasses 3D Experience, which will involve students viewing a specifically designed virtual reality app using Samsung Gear VR Oculus 3D Glasses. Through the app, students will explore careers in six growth industry areas.

It is important to note that if your child suffers from certain medical conditions or symptoms, their use of the 3D glasses may expose them to risks of seizures, blackouts, dizziness or other discomfort such as disorientation, head aches or symptoms similar to motion sickness. If you have concerns about your child’s use of the 3D glasses please contact us prior to this activity.

Students will also be required to complete two short surveys. The first will be completed prior to the WOWOW bus visit as part of a classroom activity and will ask students about their future career plans and the types of information they need to make career decisions. The second survey will be conducted after the WOWOW bus visit. If you have any concerns about your child participating in these surveys, please let me know.

During the WOWOW bus visit, students may be photographed and these images may be used by the DET or CEAV. We feel very lucky to have been chosen to participate in this experience and are looking forward to it rolling in to Camperdown College.

If you have any concerns about any part of this program please let me know as soon as possible.

Sue Maskell, Careers Coordinator
**Year 5/6N – Education Week**

For our Education Week Open Night, Year 5/6N students demonstrated some of the programs that they have been using on their laptops. Students tried coding using **Gamemaker** and **Scratch**, made animations using **Pivot Stickfigure Animator** and created Blog Pets. Thank you to Cain, Declan, Syd, Krooze, Marissa, Nick, Alan and Blake for conducting the activities. Blog pets can be viewed and played with @ http://classpets.global2.vic.edu.au/

Michelle Norton, Year 5/6N Teacher

---

**Junior Campus Awards**

20th May 2016: Charlotte Bennett, Damien Pillar, Josh Colman, Lewani Bateman, Josh Hope, Keira Johnston and Matilda Narik.

---

**Footy Tipping Competition**

Below is the latest edition of the Camperdown College Footy Tipping ladder. It’s still anyone’s race. Keep up the good tipping!

1. Simon Tolland 62  
2. Finn Tolland 60  
3. Chrissy Fleming 59  
4. Grant Fleming 58  
5. Lachie Stephenson 56  
6. Michelle Norton 56  
7. Fletcher Tolland 55  
8. Levi Coote 55  
9. Dave Wilkinson 55  
10. Amy Stephenson 54  
11. Zoe Wilkinson 48  
12. Kellie Kempton 48  
13. Riley Stephenson 48  
14. Robbie Fleming 45  
15. Jacinta Tolland 44  
16. Sam Tolland 44  
17. Chase Fleming 37

**Parents & Friends Fundraiser**

Order forms have gone home with today's newsletter
All orders must be returned to the Junior or Senior Campus Office by Friday 17th June
No late orders can be accepted
1. FIND OUT ABOUT NURSING DEGREES AT DEAKIN UNIVERSITY – Deakin nursing graduates are well regarded and well prepared for work. Find out about Deakin courses at an information session:
   - Burwood Campus: 6-8pm, Wed 20 July, Building BC, Burwood Corporate Centre, Level 2, OR 2.30-4.30pm, Sat 23 July, Building BC, The Point, L1;
   - Geelong Waterfront campus: 6-8pm, Wed 20 July, OR 2.30-4.30pm, Sat 23 July, both Building AD, Western Beach Room 6.104;

2. MORE DEAKIN NEWS –
   - Faculty of Business and Law – preparing to find a job will soon be part of the Commerce degree, with a compulsory unit in career planning being piloted. This Personal Insight unit will provide career development experiences, and has a clear focus on co-creating a professional identity. You will explore personal aspects of yourself to create a portfolio of career resources.
   - Elite Sports Precinct Developments – The first stage of the new Elite Sports Precinct has opened at the Geelong Waurn Ponds campus providing state-of-the-art facilities for exercise and sport sciences and physical education teaching students, and for student engagement and community sport.
   - Kickstart your Course and Career Exploration at Deakin – ‘Explore’ is a digital tool enabling you to search for courses and corresponding career possibilities, and vice versa. If you don’t know what to do when you finish school and want help with ideas, give it a try! Visit explore.deakin.edu.au.

3. VCE LECTURES AT THE UNIVERSITY OF MELBOURNE – The Faculty of Arts is offering VCE Winter School for Year 10-12 students. There will be lectures, seminars and tutorials in three VCE subjects: Literature, Australian History and History Revolutions. The program is developed with VCE experts and examiners, giving students the opportunity to excel in their VCE exams. When: Literature - 27 and 28 June, Australian History - 29 June, History Revolutions – 30 June and 1 July; Where: Old Arts Building, Melbourne University; Bookings: Book Now or email vce-arts@unimelb.edu.au.

4. DESIGN EVENTS COMING AT SWINBURNE – Swinburne is offering a Discover Design student holiday program. It is a creative program for Year 10-12 students who would like to learn more about design careers, courses and pathways. Participants will develop a design portfolio, broaden their problem-solving and design-thinking skills and work in teams – just like in a real design studio. When: 5-8 July (registration 9am for a 9.30am start); Where: Level 3, Advanced Manufacturing design Centre, Hawthorn campus; Cost: $160; Register: Register now.

5. WHICH CAREER SUITS MY PERSONALITY? SEE: MY CAREER MATCH – There are many tools available for finding out which careers will best suit you. RMIT is offering ‘My Career Match’, an online tool where you can fill out a personality questionnaire and receive a comprehensive career profile detailing traits and strengths of your personality type, suitable career paths, and relevant courses. Check out RMIT’s My Career Match profiles at: www.rmit.edu.au/programs/myprepro. Use the access code RMIT:180 when accessing it.

6. LA TROBE UNIVERSITY NEWS –
   - The Bachelor of Criminology is being offered in 2017. Unlike some other criminology degrees, this particular degree will feature forensics as a core component. It will also include Integrated Workplace Learning (IWL) as a part of the course, giving students the opportunity to use their knowledge, and to assist with future employment.

7. ASPIRE, a well-received and recognised La Trobe initiative for domestic undergraduate school leavers. The program recognises the positive impact that a student has had on their local community. Community engagement and objective school achievement forms a significant part of the assessment criteria of the program, not ATAR scores. Applications for 2017 entry open on shortly on 1 June and close on 31 August. See: www.latrobe.edu.au/aspire. WHERE MIGHT A SCIENCE DEGREE TAKE ME?
   - Are you fascinated by nature? You can discover more about living things with biology and environmental science or even biotechnology where you can learn about everything from farming to pharmacy products.
   - Do you want to be at the forefront of technology? A career in chemistry allows you to test and produce anything from penicillin to polythene or if you’d like food for thought consider the potential of food science.
   - Are you curious about the universe? Physics looks at the smallest sub-atomic particles and the forces of the universe but if you want to explore a new frontier of science, discover nanotechnology.
   - Are you intrigued by the potential of numbers? Mathematics finds patterns and connections and can help to model systems and develop theories and formulas while statistics can allow you to predict trends by using data to make conclusions. If you fancy yourself as a forecaster, analytics can help you see preferences and anticipate actions.
   - If maps and modelling interest you, this could lead you to a career in surveying. Alternatively, find out how location has an impact on the way we interact with world around us with geospatial science.
This course will be held at Camperdown College’s Senior Campus on Tuesday 14th June.

**Time**: 3.45pm to 7.45pm  
**Cost**: $80

If you are interested, please contact Nakeea Parlour via email at camperdown.co@edumail.vic.gov.au or Sue Maskell at the Senior Campus on 5593 1617.

---

**Andrew Mason, CHIEF EXECUTIVE OFFICER**

**SWAP the PACKAGED SNACKS!**

Commercial snack foods available in the supermarket have varying nutritional value. When choosing grain based snacks, look for the healthier options which are high in fibre and whole grains. Put a clear limit on the number of less healthy snack foods eaten each week, such as lollies; chocolate; donuts, cereal and muesli bars; potato and corn chips; hot chips; and sweet biscuits.

- Swap chips for home popped popcorn
- Swap sweet biscuits for fruit
- Swap muesli bars for veggie sticks and hummus

Do you have some spare time during the winter school holidays? Why not volunteer at this year’s Fun4Kids Festival – Sunday 26 June to Saturday 2 July 2016? Sign up now for one or more days and be part of the wonderful Fun4Kids Festival volunteer FUN CREW. Secondary School Students who wish to volunteer must be 14 years of age or over at the start of this year’s Festival.

There is a variety of workshop areas in which to volunteer – art and craft areas, archaeology, animation, painting, scrapbooking & collage, ten pin bowling, cooking, face painting, craft or science and nature! Rosters are flexible and you will receive a t-shirt and lunch on your volunteer day! If you would like to register you can visit the website http://www.fun4kids.com.au/volunteers and follow the prompts for Secondary School Students or contact Stephanie Hargreaves, Events & Promotions Coordinator on 03 5559 4834 or shargreaves@warrnambool.vic.gov.au for a registration pack to be sent out via mail.
