CAMPERDOWN COLLEGE NEWSLETTER

Term 3, Week 6, 18th August 2023

International Day of the World's Indigenous Peoples

International Day of the World's Indigenous Peoples on Wednesday 9th August, was celebrated this year with a special ceremony held at each campus. Local Gundiymara and Kirrae Whurrong man, Lee Morgan conducted a Welcome to Country and performed his original song, *Reconciliation Song*. Students joined in the chorus with the phrases, walk with me... talk with me... take my hand, providing a strong message about growth, healing and coming together and showing respect for each other.

At the Senior Campus, Indigenous students, Rory Harrison and Limariyah Johnson proudly led the Acknowledgement of Country and provided an explanation about the origins of the Torres Strait Islander flag which was then unveiled for the first time by Isabelle Foster. The ceremony concluded with a smoking ceremony conducted by Lee, where students were encouraged to think about renewal and each day being better than the previous.

At the Junior Campus, a similar format was followed, led by School Pride leaders, Chloe Castle and Charlie Unwin. A point of difference was, each class wrote and read their own Acknowledgement of Country. The Acknowledgements included the students' appreciation for the care given by our First Nations People for the local landmarks, specific flora and fauna and a commitment to looking after these. The Torres Strait Islander flag was hoisted and students celebrated the fact they had sold Zooper Doopers to raise funds to purchase the flagpole to display this flag.

Vicki Angus

Senior Campus Assistant Principal

FROM THE PRINCIPAL'S DESK...

Parent Opinion Survey:

Many families will have received notification that they have been randomly selected to participate in the 2023 Parent Opinion Survey. This annual survey offered by the Department of Education and Training is conducted amongst a sample of randomly selected parents and all responses to the survey are anonymous. The assistance of

families in completing the survey based on their experiences and perceptions of Camperdown College over the past year is greatly appreciated.

The Parent Opinion Survey helps us to gain an understanding of parents' perceptions of school climate, student behaviour and student engagement. We use the survey results to help inform and direct future school planning and improvement strategies.

The survey will be conducted online **between Monday 7th August and Friday 8th September 2023**, only takes 10 – 15 minutes to complete, and can be accessed at any convenient time within this period on desktop computers, laptops, tablets or smartphones.

The survey results will be reported back to our school at the end of September and a summary of the results will be shared through the school newsletter. We thank you for your participation and feedback.

Building Projects Update:

We are so close to having all new facilities for our staff and students at both the Junior and Senior Campuses.

Thank you to Hillman Building and Maintenance for their determination to have the Senior Staff Toilet and Hall Refurbishment Project completed and to such a great standard. At the Junior Campus, you will notice that the rails have been completed on all the new ramps with some minor rectification works to be completed in the next few weeks. Thank you for

all your patience this term with differing entrances. The students have loved watching the builders at work, although I'm sure the teachers will be glad that the jackhammering has stopped... for now! The all abilities changeroom will be completed just in time for the long-awaited Junior Campus toilet upgrade to start in the upcoming holidays. The current Prep – Year 4 toilet block will be closed for Term 4 and students will use the toilets in the BER building.

School Council have recently developed and endorsed a **College Master Plan** of upcoming works. If you would like to see the plan, **copies can be found on display in the College Offices.**

School For Student Leadership:

We received the very exciting news this week that Camperdown College has been allocated a place at the School for Student Leadership in 2024. The opportunity to send **three boys and three girls** on the term-long leadership school program is an opportunity not to be missed; especially after hearing from this year's group present yesterday to the potential candidates for next year. Our team will spend Term 1 2024 at the Snowy River Campus in Marlo and our current **Year 8 students have yesterday been invited to submit a formal expression of interest over the coming weeks.**

It is important that interested students read the Camperdown College School for Student Leadership Policy on our school website and think about possibilities for a school or community improvement project that their team could complete upon their return. Students will be invited to talk about their reasons for applying, what they will put into and expect to get out of the experience, and ideas for the team project during an interview with a staff panel. This is such an exciting opportunity, and **all our Year 8 students are encouraged to give it serious consideration.** There are many SSL student graduates in our midst, and I am sure all of them would be happy to share their experiences and answer questions to encourage others to apply.

Mr Xavier Davis, Principal

CALENDAR OF EVENTS

T3 W7	Monday 21 st – Friday 25 th August	Book Week at the Junior Campus <i>Read Grow Inspire</i>
	Monday 21 st August	Melbourne Renegades visit Year 3 – 6 students <i>Junior Campus</i>

	Friday 15 th September	Last day for Term 3 <i>Students in Prep – Year 12 dismissed at 2.25pm</i>
T4 W1	Monday 2 nd October	First day for Term 4
	Thursday 5 th October	GWR Athletics
	Friday 6 th October	SSV Regional Athletics Carnival

Indonesian Immersive Program:

Aregawi Chivell and Oliver Clark are into the final week of their three week immersion program in the Indonesian language. Each afternoon, the students have joined forty-five Year 9 students from forty-five schools around Victoria for a two hour session via Microsoft Teams. Conducted by Asia Education Foundation, the program has enhanced their Indonesian language skills and enabled them to connect with peers from Indonesia as well.

SRC:

Senior Campus students are excited to know that quotes are being attained for the make-over of the old tennis courts. After a discussion at the recent SRC meeting, President, Riley Stephenson has conducted a survey with the student body to ascertain how this space would be best used. Students have expressed the desire to have soccer and pickle ball lines marked on the courts.

Torres Strait Islander Flag Ceremony:

A report about this special ceremony is on the front page of this newsletter. However, I would like to take the opportunity to congratulate and thank, Limariyah Johnson, Rory Harrison and Isabelle Foster on the roles they played in this event and also commend the students for the level of respect they showed throughout the ceremony.

PIVOT Surveys:

Staff are currently surveying students about their classroom experiences using the PIVOT surveying tool. This is the second time this survey has been conducted this year and will provide teachers with valuable feedback on their classroom environment and identify areas of strength and areas to improve upon.

Progress Reports and Parent Teacher Interviews:

Progress reports have been uploaded to Compass today. The results from these will provide a wonderful opportunity for families to discuss at Parent Teacher Interviews, which will be conducted in week 8, Tuesday 5th September. Bookings for these will open on Compass on Monday. The interviews will run from 1.30pm until 6.30pm, with a half hour break at 4pm. Students who reside in town will be dismissed at lunchtime. Bus travellers will also be encouraged to leave at lunchtime if travel home can be arranged.

VCE Blockings for 2024:

Students have received the final blocking of subjects for 2024. Final selections are due on Tuesday. Students who intend to Step Up to VCE in Year 10 have been provided with information about their subject choices and are required to complete an application process which has been outlined in the letter.

Motivational Speaker:

In my last newsletter column, I reported that Ruby Walsh and Selvia Suson have spent considerable time this year planning a leadership conference for the students, based on their experiences at a conference in Melbourne at the start of the year. Unfortunately, last week, two of the high-profile speakers pulled out of the event. At short notice, this event was changed to a session with a motivational speaker. Today, Paul Watkins, high-altitude mountaineer, ultra runner and adventurer spoke to the students about his experiences and taking on challenges.

Community Meal:

Year 11 VM and Hands On Learning students prepared a scrumptious meal for the Community Lunch last week. HOL students served the meal and received lots of praise from the attendees about their culinary skills and their beautiful manners.

Textiles:

Year 9/10 Textile elective students have been investigating sustainability in the fashion industry as part of their program. A visit to the local opportunity shops has resulted in some interesting purchases that the students are going to refashion into outfits that they will wear to special occasions.

School for Student Leadership:

Current School for Students Leadership students have given an in-depth presentation about their experiences at Dinner Plain during Term 2 to Year 8 students. We are very pleased to have received confirmation that we can send six students to Marlo in Term 1 2024. The process for selection has been outlined to the current Year 8 students, with a written application the first step in the process. The applications are due by Friday 8th September. Interviews and the final selection process will commence in week 10.

Ms Vicki Angus, Senior Campus Assistant Principal

International Day of the World's Indigenous People:

Last week, the Junior Campus welcomed special guest Lee Morgan to conduct a smoking ceremony to officially unveil our third flagpole and fly the Torres Strait Islander flag. During this ceremony we also officially unveiled our mural completed with Emma Stenhouse last term. We were extremely fortunate to have had the opportunity to host this smoking ceremony and for our students to experience this significant undertaking. A special thank you to Mrs Adams and Mrs Tolland for their efforts in organising this event.

Regional Hockey Tournament:

On Friday 11th August, our junior hockey team competed in the Regional Hockey Tournament in Hamilton. The competition was very high level, and our students were super competitive with every team! They played

St Arnaud's, Ballarat Grammar, Nhill Lutheran, St Joseph's Primary School and The Hamilton & Alexandra College. Camperdown College won 2 games and lost 3. A tremendous effort!

Hooptime Basketball:

Over the last two Friday's, our Year 5/6 students have enjoyed representing Camperdown College at local Hooptime competitions. Our All Stars teams had an extremely successful day competing in Terang, with both teams making it to their respective grand finals. We are so proud of the sportsmanship and teamwork our students displayed all day. A special thank you to Mr Osborne and James O'Neil for their terrific coaching efforts. Last Friday, we had three Rookies teams compete at our stadium in Camperdown. Mr Adams and James were extremely proud of the students who displayed our school values all day. There was lots of success throughout the day and lots of fun also!

Girls As Leaders in STEM (GALS):

On Monday, our GALS participated in a full day workshop with Deakin University. During the workshop, the girls learnt about being a leader and focused on identifying their strengths as leaders. As part of the program, the GALS have been collecting silver lined chip packets to bake and shrink so they can sell them to raise money for our new sensory garden.

Silly Sock Day:

Last Wednesday, our peer support leaders, Emily Wood and Sophie Wilson ran a fundraising day where students wore their silliest socks to school. Students from Prep – Year 6 donated a gold coin to raise money for a new mud bench beside the sandpit. The new addition will provide students with hours of fun as they play and explore with water and sand. The total raised was \$208, a fantastic effort. All students enjoyed the day with many fabulous and silly socks on display.

Book Week:

Book Week is almost here, and we can certainly feel the excitement building! This year's theme: *Read, Grow, Inspire*, will certainly give us inspiration as we decide on our costume for the parade. Our annual Book Week Parade will be held on Tuesday 22nd August from 9am at the Clocktower. Parents, family and friends are invited to join us at the Clocktower to mark this occasion. There will also be many special activities happening at the Junior Campus throughout the week.

Science Week:

This week to celebrate Science Week, students have been treated to a range of engaging and hands on activities organised by Mrs Murphy. Students have been coding, making bubbles and constructing paper planes! It was wonderful to see curiosity and problem-solving skills on display.

Prep – Year 2 Possum Magic Excursion:

Last Friday, our Prep – Year 2 students enjoyed another excursion to the Lighthouse Theatre in Warrnambool to watch Possum Magic come to life on the stage. Our students were captivated by the performance and thoroughly enjoyed the experience. Students also visited the Botanical Gardens for lunch and Lake Pertobe.

Sounds-Write Open Mornings:

Once again this term, as a Sounds-Write Training School, we will be welcoming teachers and leaders from schools across the State to observe the wonderful phonics teaching at Camperdown College. This will provide the opportunity for other schools to strengthen their knowledge and understanding of phonics teaching. Running across two separate days, our staff and students will be enjoying this opportunity to showcase their fantastic skills.

Miss Ashlee Carrigan-Walsh, Literacy Learning Specialist

congratulations

School Council nominated Jane Bennett for a recognition of services award earlier this year. Last week, Jane received a certificate acknowledging her thirteen year contribution to Camperdown College as both a School Councillor and member of Parents & Friends. Jane was a tireless supporter of Parents & Friends and her contributions to catering and the plant stalls at our fetes was very much appreciated. Jane led School Council for two of her thirteen years on this committee, during the challenging COVID-19 period. Jane's leadership, passion and enthusiasm for continuous school improvement is sorely missed.

Vicki Angus, Senior Campus Assistant Principal

Music exam success

A big congratulations to Onaya Senarath who achieved an A grading for her recent Australian Music Examinations Board Preliminary Grade Violin Exam in Geelong. Onaya played three pieces at her exam with piano accompanist, Mr Ruslan Osmonov from Warrnambool which was a great experience. She also had to play some scales, arpeggios and exercises for the examiner. Well done, Onaya!

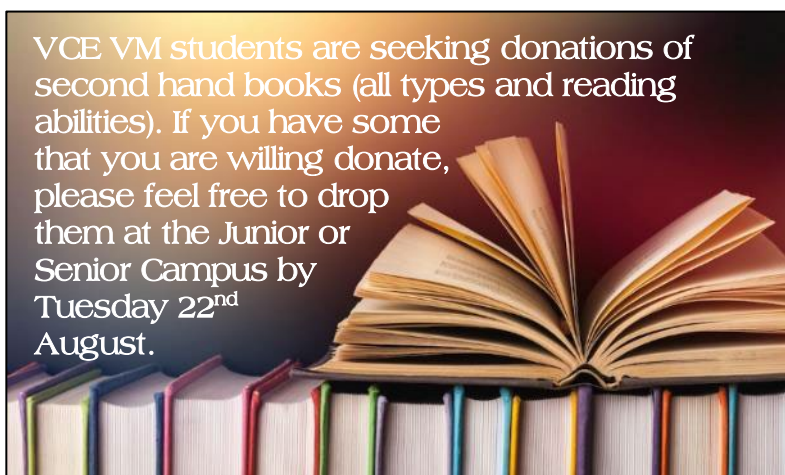

2023 Jean Wood Music Award

The Jean Wood Music Award auditions for primary and secondary students are on Saturday 9th September this year at Neil Black Memorial Presbyterian Church in Noorat. These awards are a great opportunity for local music students.

The music awards are for students who have learnt an instrument or voice for two years. Students need to perform two pieces and will be interviewed. Entries are due by Tuesday 5th September. Please see Mrs Pugh for a form.

Fiona Pugh, Instrumental Music Teacher

VCE VM students are seeking donations of second hand books (all types and reading abilities). If you have some that you are willing donate, please feel free to drop them at the Junior or Senior Campus by Tuesday 22nd August.

Book Week 2023

Monday 21st - Friday 25th August

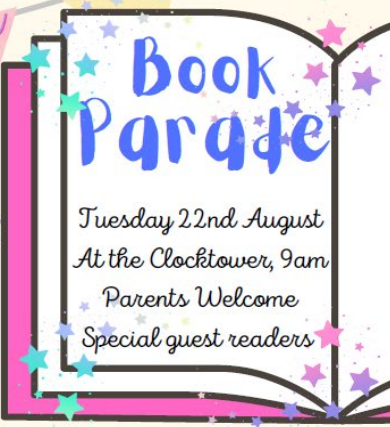

Monday- Book tasting picnic at lunchtime in the Library

Tuesday- Book Parade and dress up day, from 9am at the Clocktower. Special guest readers. Parents welcome!

Wednesday - Special online interview with author and illustrator Matt Cosgrove at lunchtime in the BER.

Thursday - Enjoy some acting/plays on the amphitheatre (back of the school) during lunchtime. Use a book or make up your own. Props and musical instruments available, and have some fun re-telling the story together.

Friday- Design a new bookmark at lunchtime on Gilligan's Island

JUNIOR CAMPUS SPORT & PE

Lacrosse:

The week in PE, students have been introduced to the sport of lacrosse (using soft sticks). Lacrosse is a sport that is transferable to many other sports such as AFL, soccer, rugby, hockey, basketball and more. Students have been introduced to the skill of scooping and the key points of correct hand position on the stick.

Year 5/6 Hoopetime:

All Stars:

On Friday 4th August, two Camperdown College All Stars teams competed in Hoopetime at Terang. We had a great day with Mr Osborne and James O'Neil coaching us. Both teams made it to the grand final, however, were both defeated. We had the best day and loved playing together and against a strong competition.

Rookies: On Friday 11th August, some Year 5/6 students played Rookies basketball at the Camperdown Stadium. Some teams won and no-one had a frown on their face all day. Our amazing coaches Mr Adams and James O'Neil made sure everyone enjoyed the day. Everyone persisted and listened to each other's advice, I couldn't be prouder. The best bit about the day was when everybody cheered for each other on the sidelines.

Jump Rope For Heart:

A huge thank you to all those students who jumped on board and raised money to go towards powerful research to help end heart disease. As a school we have raised over \$1,000. INCREDIBLE! Most of all, it has been so wonderful to see so many students skipping during recess and lunchtime.

Kim Wines, Prep – Year 6 Sport Coordinator

Regional Hockey:

Last Friday our hockey team travelled to Hamilton to compete in the Regional Hockey tournament. The competition was very high level, and our students were super competitive with every team! We played St Arnaud's, Ballarat Grammar, Nhill Lutheran, St Joseph's Primary School and The Hamilton & Alexandra College. We won 2 games and lost 3. A tremendous effort! As a team we have been training every Thursday all term. Thanks to Leah Boyd, Taj and Amelia for helping the team with some great advice and sessions.

Last Friday was one of the proudest days I have had as a teacher at Camperdown College. Our team displayed a high level of sportsmanship, respect, perseverance, and resilience throughout the day not only for each other, but for other teams and umpires.

A huge thankyou to the wonderful crew of parents that came along for the day. Our team had the best support crew for the day. A huge thank you to our coaches Amelia Robertson and Taj Cunningham. What wonderful hockey brains you both have.

Can't wait until next year!

Kim Wines

Caring ~ Excellence – Honesty – Respect - Responsibility

On Friday 4th August, our Prep students celebrated their 100th day of school. They left their uniform at home and came to school dressed in brightly coloured clothes acknowledging that they were now *100 days brighter* after completing the first 100 days of their schooling journey. The day was full of excitement and colour, with many activities and craft orientated on the number 100. This very special milestone was made even more special by families and special friends attending a very memorable certificate ceremony that reiterated how much growth, learning and development all students have made over the last 100 school days. Families and friends also enjoyed the range of 100 day activities and games with students in the Prep classrooms. Mr Davis, along with Mrs Tolland and Mrs Robertson, commented on how proud they were of the knowledge and skills students have gained, and the wonderful impact they are having on our Camperdown College school community.

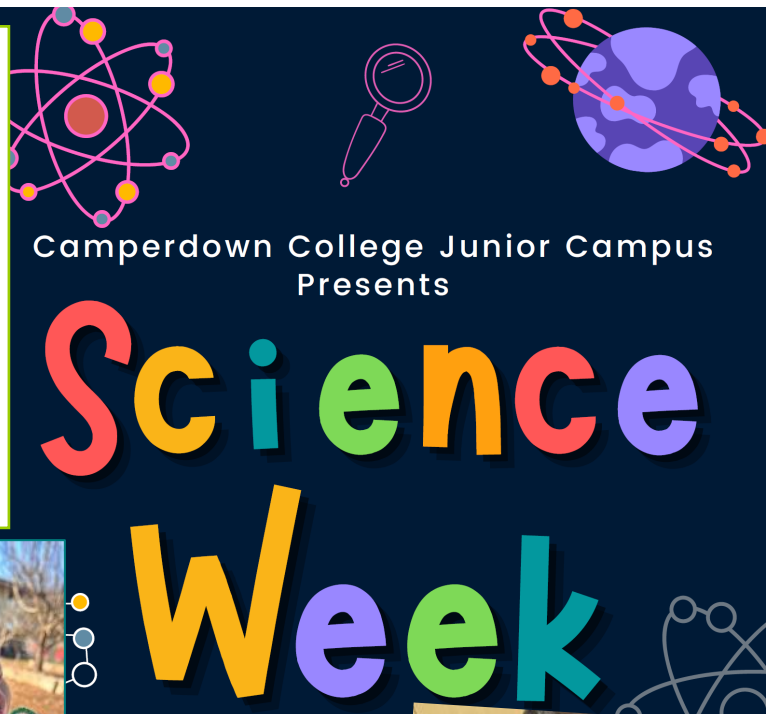

The festivities continued with a visit from the Preps' Year 6 and Year 12 buddies which saw a special gift organised by our Year 12 students presented to each student. It was a fun-filled catch-up with students having thoroughly enjoyed spending time with their buddies creating a very special crown that they proudly wore to assembly.

A scrumptious *100th day party* full of delicious treats, music, dancing and party decorations made the day one to remember. So much fun was compacted into one special day that was well and truly earned by our youngest students.

Kim Robertson and Jacinta Tolland
Prep Teachers

This week was National Science Week, a week where Australian's celebrate annually the fun of Science and Technology. The aim of Science Week is to engage and inspire people of all ages with Science, Engineering and Technology. To celebrate Science Week at the Junior Campus we had a variety of fun and engaging Science activities linking with this year's theme of *Innovation: Powering Future Industries*. Students were technical innovators, problem solving many coding problems that were set out in the Library on Tuesday before designing their own wand to blow bubbles on Wednesday and accepting the challenge to innovate and make a better paper plane on Friday. Some students had their paper planes doing loops and zooming through the air whilst others tumbled to the ground. Overall students enjoyed the week testing and problem-solving different scientific activities.

Lauren Murphy, STEM and Library Teacher

national science week 2023

Father's Day Gift Ideas: Gardening Gloves, Key Rings, Pens, Drink Holders, Magazines, BBQ Utensils, Tea Towels, Socks, Mugs, Chocolate, Car Wash, Tools, Torch, Deodorant, Soap

It's that time of year again and we are asking parents/guardians to please make a small donation to this year's Father's Day Stall which will be held at the Junior Campus on Friday 1st September. Please note that if your child will be buying two gifts on the day, an equivalent donation would be appreciated.

Donations will need to be dropped at the Junior Campus Office by Tuesday 29th August. All gifts will cost \$3 on the day, please feel free to contact the Junior Campus Office if you have any queries.

**Friday 1st September
from 7.30am – 8.30am

BERRY STREET EDUCATION MODEL

Curriculum and Classroom Strategies

DE-ESCALATION:

De-escalation refers to the process of calming or diffusing a situation or conflict before it escalates. De-escalation is an important skill to learn, as we can all feel overwhelmed and angry at times but by being able to learn how to recognise our emotions, identify our needs and actively use strategies to de-escalate, in a safe and appropriate manner, we can become present, centred and grounded individuals.

De-escalating situations is not an easy skill to learn as it requires multiple opportunities to practice and a toolbox of different strategies. Not every strategy is going to work for every student and a particular strategy might not work every time. We need to have a toolbox full of strategies, to see what works in that moment.

We all know that challenging behaviours are likely to occur. Most of these behaviours occur because of a particular reason, even if we can't see or understand the reason in that moment. Students might feel overwhelmed, frustrated, or worried about something. How we choose to respond to those moments can make a huge impact on our students. We can choose to engage in those situations or conflicts, or we can offer our help to de-escalate the situation.

Through the Berry Street Education Model staff have actively been working with our students to learn how to recognise and name their emotions, provide support to help them to regulate these emotions through the use of de-escalation strategies. This could look like de-escalating Brain Breaks, checking in with our students using the Ready to Learn Scales and students' Ready to Learn Plans.

Here are some examples of de-escalating strategies, that assist our students to regulate their emotions.

Just One Minute

Set a timer for one minute.
What can you see?
What can you hear?
What can you smell?
What can you touch?
Concentrate and focus
ONLY on what's happening
right now.

5,4,3,2,1

Name: 
Five things you see.
Four things you feel.
Three things you hear.
Two things you smell.
One thing you taste.

Tabletop Push Ups

Use a sturdy table or
surface.
Place your hands on the
table and focus your
eyes in the centre,
moving down slowly and
pushing back up.

We look forward to continuing to equip our students with a range of de-escalating strategies to assist them to become ready to learn.

Victoria Kerr, Junior Campus Berry Street Leader

Where are you on the learning scale?

Where are you on the learning scale?

PREP - YEAR 2 WARRNAMBOOL EXCURSION:

Last Friday, Prep – Year 2 students enjoyed another exciting day out, our second excursion to Warrnambool. Logans Beach was first our first destination. Whilst on the viewing platform, students stood eagerly watching, and waiting... for a whale to appear. For many students there was much excitement as they caught a glimpse of a whale in the far distance, however the teachers didn't appear to have as much luck! After a well earned snack at Lake Pertobe, we travelled to the Lighthouse Theatre to watch the live show *Possum Magic*. The actors certainly captivated the students' attention with their quick costume changes, their magic tricks and their energy, as they retold one of our favourite stories! A quick stop in the nature play space at the Warrnambool Botanical Gardens was had, before we made the trip back to school.

A big thank you to our wonderful students for being so kind, caring and respectful to each other! Also thank you to Sal Sutterby, Jenny O'Neil and Helen Powell, and to our parent helper Jess Finlayson, who accompanied us on the day. We can't wait for our next excursion in Term 4!

Girls as Leaders in STEM

The GALS team, Isla Spokes, Emily Wood, Abey McLachlan and Sophie Wilson, will be selling their chip packet keyrings for \$1 from Friday 25th August until further notice. The GALS have been collecting silver lined chip packets to bake so that they can sell them to raise money for their new sensory garden. Over the course of 3 weeks, they have gathered an absurd amount of chip packets which are now being sold as keyrings.

On Monday 14th August, we participated in Workshop #3 with Deakin University. During this session, we learnt about how to be a good leader. We had to take these qualities and make a leadership pizza. We had to think about ourselves as STEM leaders, and how much of each ingredient (qualities of a good leader) will you add? How much we put on our pizza depended on how important each of the actions were for us. We then had to give our pizza a name which was linked to our leadership style. Either strict leadership, servant leadership, visionary leadership, adaptable leadership or democratic leadership. This was a great activity for us, as we were able to see our different leadership qualities and we can now work to our strengths in the team. At the end of the day we were able to work on our sensory garden project. We are very excited about this project and would really love to support of the College community to help us fund our project.

Sushi Sandwich Bites

A metal tray containing several small, round, breaded rolls filled with vegetables and meat, served with a glass of white sauce. A single roll is shown separately on a piece of brown paper.

5 Method Steps

- Step 1**
Make tuna and celery filling Combine tuna, celery and mayonnaise in a bowl.

- Step 2**
Make chicken and corn filling Combine chicken, corn and chives in a bowl.

- Step 3**
- Place bread on a flat surface. Using a rolling pin, flatten bread slightly. Lightly spread margarine over 1 side of each bread slice. Spread tuna filling over 4 slices, leaving a 2cm strip along top edge. Top with avocado. Roll up to enclose filling. Cut each sandwich into 3 rounds.

- Step 4**
Spread chicken filling over remaining 4 slices, leaving a 2cm strip along opposite edge. Top with lettuce and capsicum. Roll up to enclose filling. Cut each sandwich into 3 rounds.

- Step 5**
Wrap sandwiches tightly in plastic wrap. Refrigerate until required. Serve.

Silly Sock Day at the Junior campus

On Wednesday the 9th of August, Camperdown College peer support leaders, Emily Wood and Sophie Wilson ran a fundraising day where students wore their silliest socks to school. Students from Prep to Year 6 donated a gold coin to raise money for a new 'Mud Bench' in the sandpit. The new addition will provide students with hours of fun as they play and explore with water and sand. The total raised was \$208, a fantastic effort. All students enjoyed the day with many fabulous and silly socks on display.

information.

Caring ~ Excellence – Honesty – Respect - Responsibility

We at their care acknowledge and pay our respects to the traditional owners of the land, the Liwura Gundidj people of Djargurd Wurrung Nation and their connections to land, sea and community.

What we've been up to...

Last week was themed Space. We enjoyed making Astronauts out of tin foil, creating our very own planets, making a rocket out of recycled materials and some students even went the extra mile to make the whole solar system.

COMING UP

We have our Holiday Program themed 'Weird Science' coming up in 4 weeks, can you believe that? There will be different activities each day to suit every child such as Slime Making, Bot Building, going to the Movies and a Footy fun day!

Book now at theircare.com.au and save up to 90% with childcare subsidy.

This week

Is themed 'Things that Live in the Jungle'. Yesterday we made Gorilla puppets and today we are making twisty snakes.

Food choices

After School Their Care provide all food for the children. Fruit platters are up first then we have a main such as sandwiches, wraps, biscuits and dip, crackers and a variety of other foods. We can also cater for allergies and any other food requirements.

HAPPY BIRTHDAY!

George

TIMES

Before School: 7:00am - 9:00am
After School: 3:20pm - 6:00pm
