CAMPERDOWN COLLEGE NEWSLETTER

Term 4, Week 6, 14th November 2025

Junior and Senior Camperdown College students have competed at the State Track & Field Championships at Albert Park in past weeks due to their outstanding results at regional level.

Athena Chivell delivered strong performances across her events on Monday 20th October, finishing 6th in the 100m and 5th in the 200m, competing fiercely against the best in the state. The 14 Girls Relay team also demonstrated fantastic teamwork and spirit, placing 6th in a highly competitive field. A standout moment of the day came from Ekaterina Gunina, who ran a remarkable 800m to claim 2nd place, bringing home a silver medal and making the whole college community proud.

STATE CHAMPS

Our Junior Campus students achieved some outstanding results during competition on Thursday 6th November: George Wilkinson: 5th Shot Put MC, 7th 800m MC and 5th 100m MC; Callen McLachlan: 3rd Triple Jump and 16th Hurdles; Zoe Unwin: 12th Triple Jump and 16th Long Jump.

All students represented our college with pride and determination. It was pleasing to see students compete well in all events and secure PB's on the big stage. Well done to each of our competitors for your performances and showcasing our college values.

Matt Harken and Grace Lee, Sport Coordinators

FROM THE PRINCIPAL'S DESK...

Pirate Day at the Junior Campus was a day filled with laughter, imagination and purpose. Our students arrived proudly dressed as pirates - eye patches, stripes and the odd cutlass, ready to walk the plank, hunt for hidden treasure and most importantly, raise funds for brain cancer research. The energy across the campus was infectious, with a wonderful sense of fun and community spirit at every turn.

As I walked down the corridor after lunch, I overheard a conversation between two Year 2 students. One declared, “*This is the best day of my life!*” to which their friend quickly replied, “*Yeah!*”

That small exchange made me smile and reminded me of the many “best days” our students experience throughout their time at school. These moments come in so many forms - from achieving a personal goal or mastering a new skill, to celebrating cultural events, performing on stage, or simply enjoying a special day like Pirate Day.

I feel confident the Year 12 cohort will remember their last day of school as one of their own ‘best days,’ filled with mixed emotions - the joy of celebration, the pride of achievement and the poignancy of farewell. It was a wonderful final assembly, where we reflected on their journey and many of their ‘best’ times showcased through a photographic montage.

We all know that not every day will feel like the best one. But it’s often those ordinary days - the ones filled with quiet effort, kindness and connection - that pave the way for the extraordinary moments our students will treasure for years to come.

However school life, like life itself, has its ups and downs. There are moments of challenge, disappointment and growth. This is where our commitment to the Berry Street Education Model (BSEM) becomes so important.

The Berry Street approach helps us create a learning environment that supports the whole child - socially, emotionally and academically. It provides strategies for teachers and students to build resilience, regulate emotions and stay engaged in learning, even when things feel difficult. At its heart, BSEM is about relationships and wellbeing. It reminds us to focus on safety, connection, and positive emotions as the foundation for effective learning.

One of the key principles of BSEM is **savouring** - taking time to notice and appreciate the good moments, no matter how small they are. When students learn to recognise these positive experiences, they build gratitude, optimism and confidence. Days like Pirate Day and the Year 12 final assembly give us the perfect opportunity to practise this - celebrating together, feeling joy and being present in the moment.

Whether it’s a grand celebration, a special day or a quiet success in the classroom, these moments - big and small - are the treasures that shape our students’ sense of belonging and remind us why we do what we do, creating a learning community where every child can find and savour their own ‘best days.’

Ms Vicki Angus
Principal

CALENDAR OF EVENTS

T4 W7	Monday 17 th November	Year 11 – 12 Step Up
	Tuesday 18 th – Friday 21 st November	Glasses for Kids Program <i>Prep – Year 3 students at the Junior Campus</i>

	Wednesday 17 th December	Last day for 2025 for students <i>Students in Prep – Year 9 are dismissed at 3.15pm</i>

Our Mission:

Camperdown College will provide exemplary teaching and learning programs within excellent facilities which foster school pride, aspiration and persistence to achieve high levels of learning for all students.

Remembrance Day:

On Tuesday, Junior Campus School Captains Zoe Unwin and Bentley Curell represented Camperdown College at the Remembrance Day service held at the Soldier's Memorial in Camperdown. The pair presented a reading titled *Young Sons*, which they delivered with confidence and respect. This was a proud moment for both students and the college, as their maturity and leadership were clearly demonstrated through their thoughtful participation in the ceremony.

Prep Orientation Morning:

Yesterday, we were delighted to welcome our 2026 Prep students to the Junior Campus for their Orientation Morning. The children spent an engaging session with Mrs Robertson and Miss Coker, enjoying their longest experience so far in the Prep classrooms. Meanwhile, parents gained valuable insight into Prep life at Camperdown College through an information session. We are excited to see our future Prep students return for **Step Up Day** on **Tuesday 9th December**.

State Athletics Carnival:

Congratulations to Callen McLachlan, Zoe Unwin and George Wilkinson on their recent involvement in the State Primary Track and Field event in Melbourne. We are extremely proud of all three students for making it to this level of competition and showing their exceptional talents to many along the way.

Glasses for Kids Program:

Next week, we are extremely fortunate and excited to be welcoming the Glasses for Kids program to the Junior Campus. Glasses for Kids is proudly ran by State Schools' Relief (SSR) and has been made available to all students at Camperdown College in Prep – Year 3. This program will complete initial vision screens and, if required, will provide eye testing and glasses at **no** cost to families. All screening and testing sessions will be completed during school hours next week between Tuesday 18th November and Friday 21st November. If glasses are required, students can choose their glasses, be fitted with them on the day with the fitted pair of glasses being sent to the school within a few weeks of the visit. Qualified optometrists along with Glasses for Kids staff will be delivering this program next week. Consent forms were completed last term by parents who were interested in their child being a part of next week's program.

Year 2 Sleepover:

Last Thursday, our Year 2 students enjoyed their very first camp experience: their Year 2 Sleepover at school! This is always a highlight for our Year 2 students and this year proved no different. Students enjoyed a range of activities at school and at our local Apex Park before donning their pyjamas, holding their bowl of popcorn and enjoying a movie with their peers in what was an epic slumber party! Thanks to Miss Seers, Miss Place, Miss Carrigan-Walsh, Mr Osborne, Mrs Robertson and Miss Coker who stayed alongside the students and made sure it was such a successful and fun night.

Reports and Feedback to Parents:

Yesterday, our mid-term progress reports were released to parents on Compass. These reports provide a quick snapshot of feedback relating to how your child is going in the areas of persistence, behaviour and respect. We encourage all parents to view their graphical reports on Compass and discuss these with your child/ren if they haven't already done so.

Teachers are busily writing end of semester reports which will be sent home with students on Friday 4th December. Parent Teacher Interviews will be held on Tuesday 9th December from 1pm – 6pm where end of semester reports will be discussed with parents. Bookings will be available on Compass in the coming weeks.

Year 6 Graduation Ceremony:

On **Monday 15th December** we will be celebrating our Year 6 students' primary schooling journey coming to an end with a Year 6 Graduation Ceremony for our Year 6 students and families. Dinner for students and staff will be at 6pm (students can arrive from 5.45pm) with the official ceremony commencing at 7pm, with family and friends invited to attend. Further details will be sent out to families in the coming weeks.

Lantern Making – Light Up Camperdown Festival:

It was busy, messy and sensory fun throughout Tuesday this week when all students engaged in making a paper mache lantern which will feature at our town's Light Up Camperdown Festival on Friday 5th December. Our students will continue to add layers and decorations to their lanterns over the coming weeks with the messy construction phase completed on Tuesday with the help of some of our Senior Campus students. Their support was exceptionally helpful, and we loved having them spend time with us throughout the day at the Junior Campus.

Smile Squad Dental Van:

We will be welcoming the Smile Squad Dental Van to both the Junior and Senior Campuses in the week beginning Monday 8th December. Thanks to those families who have returned their child's consent form, with these due this week.

Mrs Jacinta Tolland, Junior Campus Assistant Principal

JUNIOR CAMPUS COMMUNICATION SENT HOME TO PARENTS THIS FORTNIGHT:

No communication has been sent home at the Junior Campus this past fortnight.

SENIOR CAMPUS COMMUNICATION SENT HOME TO PARENTS THIS FORTNIGHT:

No communication has been sent home at the Senior Campus this past fortnight.

Caring ~ **Excellence** – HONESTY – **RESPECT** - Responsibility

There may have only been eight school days in the last fortnight, but we managed to cram in and enjoy over ten extracurricular activities: all the while continuing the very important work in the classrooms!

Despite the patchy weather, our **Sport and Recreation** students took to the water twice this fortnight – on surfboards. Last Thursday they travelled to Melbourne and engaged in a water safety session at Urban Surf on Airport Drive. Our Sport and Recreation teacher, Kate Wells, jumped at the free opportunity when offered through the Department. Students engaged in a session which went over water safety, understanding surf conditions, rescue techniques and of course **surfing**. This Tuesday, in slightly more blustery conditions, the group and a few lucky Year 8 students donned wetsuits in Warrnambool for a follow up lesson. Thanks to Simon Baker for driving the bus and Mr Fraser Lucas for accompanying them as well.

While some students rode a surfboard last Thursday, our **Year 10** students (those not surfing) embraced a ride of a different kind. Accompanied by Mrs Amanda Black and Kathryn Robertson, a group of 15 students headed for **Charlton** to the Charlton Traffic Safety Education Centre and undertook hours driving in the cars and in theory lessons in the classroom learning about road safety. Camping at the local caravan park, enjoying each other's company and a barbeque tea cooked by Kathryn and Mrs Black were also highlights. The camp included an opportunity for night driving which is always entertaining! Thanks to both staff for making this camp possible.

Our triumphant **Year 8 boys basketball team** jumped on a bus as well last Thursday – off to the GWR competition in Ballarat. The team enjoyed playing two games and displayed our college values throughout the two games, although unfortunately they did not secure a route through to the State finals. Thank you to Ms Grace Lee and Mr Warren Attrill for taking the group and for parents who went along to cheer them on.

On Monday, our SRC organised a successful **out of uniform day**, who, like the Junior Campus a few weeks ago, raised money for the **Brain Cancer Centre**. There was a sea of blue at recess and lunch, as students enjoyed a Zooper Dooper and basketball and Lego building competitions at lunchtime – all the while wearing a dash of blue in solidarity for the cause.

Thank you to our SRC and Ms Tanisha Dooley for organising and presenting a thought-provoking **Remembrance Day Service** on Tuesday 11th November. Although held inside due to inclement weather, the college community listened to the stories shared and participated in the minute silence at 11am.

After the service, our **Year 9** students and eight Year 8 students, headed across to the Junior Campus to start a project with each of the classes at the Junior Campus. In preparation for the **Light Up Camperdown** event, these students got messy with paper mache glue and tissue paper, helping to create **lanterns** for a display. Thanks to Mrs Tolland for inviting the group to take part in this community project. It is a way for our Year 9 students not at SSL, to give back to their community too.

Exams are still very much on the timetable this week. While all but one Year 12 exam has been sat, our Year 11 VCE students this week also sat their Unit 2 exams. This is a test of their learning over the last two terms, and also an important preparatory step for next year. Well done to all of these students who attacked the tasks with dedication. Next week they will undertake a week's Step Up into Year 12 – before being sent off on their last final big holidays with work to help ensure they hit the ground running in 2026. A reminder Year 10 exams will be held next Thursday and Friday.

In the classroom, students have also been completing assessments and are entering into final learning cycles, as teachers' cast their eyes towards reports and sharing stories of learning growth. A reminder to all that ongoing feedback is provided to students and families on Compass under the *Learning Tasks* tab.

Mrs Sarah Brooks and Ms Katie Taylor,
Senior Campus Assistant Principals

Senior Campus students dressed in blue-themed outfits and brought along gold coin donations to support the rockstar researchers at the Brain Cancer Centre on Monday 10th November. Our SRC kept the energy high, selling Zooper Doopers at recess and lunchtime to raise funds for this great cause. Lunchtime saw some fierce (but friendly) house competition on the basketball court, with Bullen Merri taking out first place and a well-earned bag of lollies. Student leaders voted Year 8 students Samuel Robertson and Lockie Austin best on court, each scoring one of Carrie's recent beanies. Meanwhile, the library hosted a Lego competition that was run by Oliver Horspole. Congratulations to our builders: Reagan Vanstone-Collins (1st), Abey McLachlan (2nd) and Lola Evans (3rd) for their awesome creations. It was a fun-filled day packed with school spirit, friendly competition for a very worthy cause.

Tanisha Dooley, SRC Coordinator

SERIOUSLY SPORT

@ Camperdown College

GWR BASKETBALL

Seven eager students represented Camperdown College at the Year 8 GWR Basketball competition in Ballarat on Thursday 6th November. The boys showcased the college values in both their contests and fought hard to the final siren of each. Unfortunately, they didn't quite notch up a win, but the teamwork and match play continued to improve throughout the day. Well done to each of the players, thanks to the parents and families who attended and to Mr Attrill for umpiring the matches.

Grace Lee, Year 7 – 12 Sport Coordinator

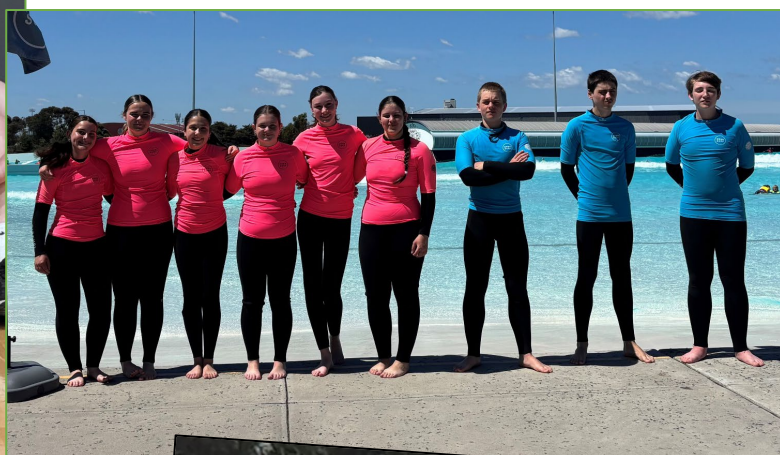

SPORT & RECREATION: SURFING

Our Year 9/10 Sport & Recreation students took part in an incredible Water Safety Session at Urban Surf in Melbourne last week, that was proudly run by the Department of Education. This hands-on experience gave everyone the chance to learn essential water safety skills in a fun, supportive and world-class environment. From understanding surf conditions to practising safe rescue techniques, students gained confidence and knowledge that could one day save lives.

A huge thank you to Urban Surf and the Department of Education for this amazing and once-in-a-lifetime opportunity — an unforgettable day of learning, teamwork and fun in the waves!

Kate Wells, Sport & Recreation Teacher

A group of Year 10 students enjoyed the opportunity to camp overnight in Charlton and gain valuable experience using automatic or manual cars at the CHARTSEC drivers' education course last week. They practiced using high beams at night, giving way at traffic lights and signed intersections and driving during gusts of wind and dust storms. Not planned, but the weather provided for some interesting situations! Students were educated on the risks of driving under the influence, followed by playing catch and walking straight whilst wearing beer goggles to illustrate the point. As always, our students were great ambassadors for our college and should be proud of their efforts!

Amanda Black, Year 10 Coordinator

What an exciting night our students had at the Year 2 Sleepover on Thursday evening 6th November! The students enjoyed their time staying at school and took part in an evening full of fun and games. The afternoon started with a play at Camperdown Playspace before returning for a lively dance party and a cosy movie night at the Junior Campus. It was wonderful to see all students demonstrating independence, responsibility and kindness towards one another. The students supported their friends, helped each other set up and pack up beds and made their teachers very proud. There were certainly some tired but happy faces (teachers included!) at school on Friday after such a memorable evening together.

Darcie Seers, Year 2 Teacher

Happy Birthday

Orientation Morning for Prep 2026: Thurs 13 Nov

Students enrolled at Camperdown
College in Prep 2026 at the Junior
Campus from 9.30am-12.30pm:
Informal Parent Q&A 9.30am-10.30am

Our 2026 Prep students returned to the Junior Campus for their first extended day at school on Thursday 13th November. The children took part in an engaging English session, learning all about *Alpaca's in Space* and exploring the characters and setting of the narrative. They also began learning their first five sounds in Core Literacy Skills, which they will continue to explore in 2026.

A highlight for many was joining the whole school community for recess and enjoying time outside together. After recess, the Kinder Preps participated in Maths, where they learned a new subitising game called *Tenzi* and created their own number crab after reading *I is a Snail, 10 is a Crab*.

The day was a great success and it's clear that our Kinder Preps are well and truly ready for Step Up Day on Tuesday 9th December where they will be at the Junior Campus from 9am – 2.30pm.

Grace Coker, Prep Teacher

SPECIAL REPORT: NEW SOCIAL MEDIA REGULATIONS: WHAT YOU NEED TO KNOW

From Wednesday 10th December 2025, new laws will take effect in Australia to protect young people online by restricting access to social media for those under the age of 16. This important change reflects growing community concern about the impact of early social media use on children's mental health, wellbeing and development.

Research shows that social media can expose children to unrealistic comparisons, online pressure and harmful content long before they are emotionally ready to manage it. While regulation is a positive step forward, real safety begins at home. Families continue to play the most powerful role in helping children build confidence, resilience and awareness in the digital world.

These new regulations provide an opportunity to talk openly with your child about their online experiences and what these changes mean for them. It's also a chance to review family technology habits, reinforce healthy routines, and explore age-appropriate ways for young people to connect, learn and express themselves.

This Special Report explains what the new laws mean in practice and offers practical guidance to help families prepare for the upcoming changes.

Here is the link to your Special Report https://camperdowncoll.vic.schooltv.me/wellbeing_news/special-report-new-social-media-regulations-what-you-need-know.

Camperdown Football Netball Club 2026 Junior Netball Trials- Open Invitation

The CFNC would like to invite all past and prospective junior netballers to come along to our grading sessions. We have several teams that cater for all ages and skill sets. All grades play on Saturdays.

The junior competition includes these age groups for 2026:

- 17& under and 17& under Reserves (2009 & 2010 born)
- 15& under and 15& under Reserves (2011 & 2012 born)
- 13& under and 13& under Reserves (2013 & 2014 born) Girls & boys can play in this age group.
- Development (2015 & 2016 born) Skill sessions only, no grading.

There is no maximum age limit for development. Girls & boys are eligible to play in this age group.

Trial dates and details:

- Monday 17th November 2025 at CFNC courts
 - 4:30pm 15 & Under
 - 5:30pm 13 & under and 17 & under
- Saturday 22nd November 2025 at CFNC courts
 - 10am 15's & under and Development skills session
 - 11am 13 & Under and 17 & under
- Thursday 27th November 2025 at CFNC courts. Senior players will also be training from 6pm.
 - 4pm 15 & under
 - 5pm 13 & Under and 17 & under

Please follow this link (also available on FB) to register your child: Junior Registration 2026

Our coaches are an experienced group who will work with an impartial and independent team of selectors throughout the process. To try to accommodate all potential participants, we have rotated the days and times of selections to avoid competing with work or other sporting commitments. If a participant cannot attend all trials, please let us know so that we can be aware of this during the initial selection process.
